Background. Since May of 2011, the Village has not had a designated Treasurer and the duties have been performed by the Village Administrator’s Office. However, there are certain statutory and other functions required of the Treasurer for the Village. As such, the vacancy should be officially addressed by the Village Board.

Analysis. The attached resolution designates the Village’s Finance Director as the Treasurer. The current Finance Director is the Village Administrator. Consequently, by approving the resolution, the Village Administrator will become the Village Treasurer.

Recommendation. Staff recommends approval of the attached resolution designating the Finance Director (Village Administrator) as the Village Treasurer.
No. 12 -

A RESOLUTION

DESIGNATING THE VILLAGE FINANCE DIRECTOR TO ASSUME AND CARRY OUT THE STATUTORY DUTIES OF VILLAGE TREASURER

WHEREAS, the Village has in the past designated a Finance Director to assume and carry out the duties of Village Treasurer; and

WHEREAS, the Illinois Municipal Code, and the Hampshire Village Code, call for the appointment from time to time of a Village Treasurer; and

WHEREAS, the Corporate Authorities have previously designated the Village Administrator to serve as Village Finance Director.

Section 1. The person designated as Village Finance Director shall assume and carry out the duties of Village Treasurer in and for the Village of Hampshire.

Section 2. Any and all references to “Village Treasurer,” in the Illinois Municipal Code and/or Hampshire Municipal Code shall refer to and mean the same as “Village Finance Director.”

Section 3. The Corporate Authorities hereby ratify and confirm the previous appointment of the Village Administrator, Douglas K. Maxeiner, as Village Finance Director, and during his tenure as Finance Director he shall assume and carry out the duties of Village Treasurer.

RE: 1) Consideration and Action on the Bond Coverage Report Prepared by Speer Financial in Relation to the 2012 Refunding Bonds, 2) Consideration and Approval of the Parameters Bond Ordinance Providing for the Issuance of Up to $2,750,000 in General Obligation Refunding Bonds (Alternate Revenue Source), and 3) Village Board Authorization for the Village President to Sign and Deliver a Bond Order Specifying the Details of the Refunding Bond Transaction

Background. As the Village Board is aware, staff has been working with Speer Financial (Financial Advisor) and Bernardi Securities (Bond Underwriter) on the proposed issuance of up to $2.75 million in refunding bonds to refund a number of outstanding debt instruments held by the Village as specified in the attached bond ordinance. The purpose of the refunding is to capture savings from lower interest rates offered in the current bond market. As shared with the Board at the last meeting, the final details for the refunding bonds will not be available until just prior to the Board meeting. At that time the details will be shared and action requested to issue the refunding bonds.

Three action items are being requested of the Board. First, the Board is asked to review and approve the Bond Coverage Report prepared by Speer Financial, referenced in the Bond Ordinance, and provided as Attachment A to the Agenda Supplement. Second, the Board will need to consider and act upon the parameters bond ordinance providing for the issuance of up to $2.75 million. The Bond Ordinance, included as Attachment B, is complete except for the final details of the sale. Finally, the Board will be asked to authorize the Village President to sign and deliver a Bond Order (Attachment C) specifying the details of the approved refunding transaction. A generic bond order is attached without the details of the sale. A revised bond order will be provided to the Board just prior to the meeting.

Analysis. Market conditions continue to be favorable with targeted savings in excess of $150,000. The requisite publications and public hearings have been conducted. No public comments or opposition to the bonds have been received by the Village. The
Bond Coverage Report shows the revenues pledged for repayment of the refunding bonds. The minimum debt service coverage level is shown as 2.58, over twice the level required by law. Revenue backed bonds require a coverage level of at least 1.25.

The Parameters Bond Ordinance specifies the debt to be refunded, how the bond proceeds can be used, when the refunding bonds are callable, and the tax abatement requirements for adequate coverage levels among other things. The Bond Order provides the details of the bonds and, together with the bond ordinance, will constitute the actual bond sale documents approved by the Village Board.

Staff supports the refunding in order to capture the interest savings offered by the current marketplace. Staff recommends consideration and approval of the three items as presented below.

**Recommendation.** Staff recommends the following:

1) Consideration and approval of the Bond Coverage Report prepared by Speer Financial;

2) Consideration and approval of an Ordinance authorizing and providing for the issue of up to $2,750,000 General Obligation Refunding Bonds (Alternate Revenue Source), Series 2012, of the Village of Hampshire, Kane County, Illinois, for the purpose of refunding the Village's outstanding Debt Certificates, Series 2003, General Obligation Refunding Bonds (Alternate Revenue Source, Series 2003 and General Obligation Bonds (Alternate Revenue Source), Series 2006A.

3) Consideration and approval of authorization for the Village President to sign and deliver a Bond Order specifying the details of the approved Refunding Bond Transaction.

Members of the Board of Trustees

Re: Village of Hampshire, Kane County, Illinois
General Obligation Refunding Bonds (Alternate Revenue Source), Series 2012

Dear Mayor Magnussen and Members of the Village Board:

As you requested, Speer Financial, Inc., has prepared the report attached hereto as Exhibit A. This report is based upon information supplied by the Village of Hampshire, Kane County, Illinois (the “Village”) as to its 2012 Pledged Revenues and the debt service on the above-referenced bonds (the “Bonds”) and other parity bonds. The Pledged Revenues are defined in the Village ordinance adopted December 6, 2012 authorizing the issuance of the Bonds. In addition, Speer Financial, Inc. has also made certain assumptions as stated in the attached report. Based solely upon such information and such assumptions, the report demonstrates the sufficiency of the Village’s 2012 Pledged Revenues to provide an amount not less than 1.25 times debt service of the above-referenced Bonds and all alternate bonds payable from such revenue sources previously issued and outstanding as required by the Local Government Debt Reform Act of the State of Illinois, P.A. 85-1419, as amended (the “Act”).

Speer Financial, Inc., is not a legal or accounting firm, and accordingly does not express any legal or accounting interpretations or conclusions in this report. This report is not a guarantee of the sufficiency of the 2012 Pledged Revenues to pay debt service on the Bonds.

Speer Financial, Inc., hereby certifies that it is a feasibility analyst having a national reputation for expertise in such matters within the meaning of the Act. Speer Financial, Inc., is a nationally recognized firm of employee-owned municipal finance consultants. Since our founding in 1954, Speer Financial, Inc. has participated in the sale of over $18 billion in taxable and tax-exempt securities such as general obligation bonds, revenue bonds, refunding bonds, tax increment bonds and special service area bonds. Attached hereto as Exhibit B is a list of the bond issues completed by Speer Financial, Inc., in the calendar years 2011 and 2012 (year to date).

Sincerely,

SPEER FINANCIAL, INC.

Keyes, Industrial, Mill, Allen, Jefferson and State Streets, including related appurtenances and all electrical, mechanical or other services necessary, useful or advisable to such design, installation and construction with the Village (collectively, the "Prior Projects"), all in accordance with the preliminary plans and specifications therefor on file in the office of the Village Clerk; and

WHEREAS, pursuant to and in accordance with the provisions of the Code, as supplemented and amended, and its various proceedings, the Village authorized and issued its Debt Certificates, Series 2003, General Obligation Refunding Bonds (Alternate Revenue Source), Series 2003 and General Obligation Bonds (Alternate Revenue Source), Series 2006A in the aggregate principal amount of $3,965,000 (as herein provided, the "Prior Bonds") for the purpose of providing funds to pay or reimburse the Village for certain costs of the Prior Projects; and

WHEREAS, the Corporate Authorities have heretofore determined and do hereby determine that it is advisable, necessary and in the best interests of the Village and its residents to refund (the "Refunding") all or a portion of the outstanding Prior Bonds (the "Refunded Bonds"), at an estimated cost, including expenses and contingencies, of approximately $2,750,000; and

WHEREAS, the expenses and contingencies related to the Refunding include legal, financial and accounting services related to the accomplishment of said purposes and the issuance of bonds therefor; bond registrar, paying agent and other related banking fees; and printing and publication costs; and other miscellaneous costs; and

WHEREAS, the Debt Reform Act provides that alternate bonds (the "Alternate Bonds") may be issued to refund or advance refund the Prior Bonds; and
WHEREAS, the Corporate Authorities, on the 6th day of September, 2012, adopted Ordinance Number 12-20 (the "Authorizing Ordinance"), authorizing the issuance of certain Alternate Bonds, being General Obligation Refunding Bonds (Alternate Revenue Source), Series 2012 payable from revenue sources as provided by the Debt Reform Act (the "2012 Alternate Bonds"), in an amount not to exceed $2,750,000 for the Refunding; and

WHEREAS, on the 14th day of September, 2012, the Authorizing Ordinance, which included therein a notice in the statutory form, was published in the Courier News, and an affidavit evidencing the publication of the Authorizing Ordinance and said notice has heretofore been presented to the Board and made a part of the permanent records of the Village; and

WHEREAS, the notice of the public hearing was also given by posting at least forty-eight (48) hours before the hearing a copy of the notice thereof at the principal office of the Corporate Authorities, being Village Hall; and

WHEREAS, no petition has ever been filed with the Village Clerk requesting that the question of the issuance of the 2012 Alternate Bonds for the Refunding be submitted to referendum; and

WHEREAS, the Corporate Authorities are now authorized to issue the refunding 2012 Alternate Bonds to the amount of up to $2,750,000 in accordance with the provisions of the Act, and the Corporate Authorities hereby determine that it is necessary and desirable that there be issued at this time up to $2,750,000 with respect to the refunding 2012 Alternate Bonds (the "Refunding Alternate Bonds") so authorized; and

WHEREAS, the Refunding Alternate Bonds to be issued will be payable from the 2012 Pledged Revenues and the 2012 Pledged Taxes, both as hereinafter defined; and
WHEREAS, the Corporate Authorities have heretofore and it is hereby determined that the 2012 Pledged Revenues, as hereafter defined, will be sufficient to provide or pay in each year to final maturity of the Refunding Alternate Bonds an amount not less than 1.25 times debt service coming due in such year of all alternate bonds payable from such revenue sources previously issued and outstanding and the Refunding Alternate Bonds proposed to be issued; and

WHEREAS, such determination is supported by the report dated December 6, 2012 (the "Report"), of Speer Financial, Inc., Chicago, Illinois (the "Financial Advisor"), which Report has been presented to the Corporate Authorities and is now on file with the Village Clerk:

WHEREAS, the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "Tax Limitation Law"), imposes certain limitations on the "aggregate extension" of certain property taxes levied by the Village, but provides that the definition of "aggregate extension" contained in Section 18-185 of the Tax Limitation Law does not include "extensions made for payments of principal and interest on bonds issued under Section 15 of the Local Government Debt Reform Act"; and

The Bonds shall be issued in the aggregate principal amount of not to exceed $2,750,000, and each shall be designated “General Obligation Refunding Bond (Alternate Revenue Source), Series 2012.” The Bonds shall be dated their date of issuance (or otherwise after such date and as of before the date of issuance as the Underwriter agrees or accepts and reflected in the Bond Order), and shall also bear the date of authentication, shall be in fully registered form, shall be in denomination of $5,000 each and authorized integral multiples thereof, shall be numbered 1 and upward in the order of their issuance, and shall bear interest at a rate not to exceed 5.00% per annum and shall mature and become due and payable on December 15 of the years (subject as hereinafter provided to prior redemption and the designation of certain Bonds, if at all, as Term Bonds) and in the principal amount in each of the years up to or prior to December 15, 2023, with a minimum net present savings of $100,000, and a minimum purchase price of 98%, as shall be specified in a Bond Order.

The Bonds shall bear interest from their date, or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on the fifteenth (15th) day of June and of December of each year,
commencing on June 15, 2013 (or as otherwise set forth in a Bond Order). Principal of and premium (if any) on each Bond shall be paid in lawful money of the United States of America, at the principal corporate trust office of the Paying Agent in Chicago, Illinois. Interest on each Bond shall be paid from available funds therefor, as provided in this Ordinance, by check or draft of the Paying Agent to the person in whose name such Bond is registered at the close of business on the first (1st) day (whether or not a business day) of the calendar month of each interest payment date.

So long as the Bonds are held in book-entry form as hereinafter more specifically set forth, interest on each Bond shall be paid to the Depository of record as the registered owner the applicable record date by check or draft or electronic funds transfer as may be agreed by the Village Treasurer, the Bond Registrar and the Depository. “Depository” means The Depository Trust Company, New York, New York, its successors, or a successor depository qualified to clear securities under applicable state and federal laws. In the event the Bonds should ever become available in physical form to registered owners other than the Depository, interest on each Bond shall be paid by check or draft of the Bond Registrar, payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 1st day of the month of the interest payment date. The principal of and premium, if any, on the Bonds shall be payable upon presentation in lawful money of the United States of America at the principal corporate trust office of the Bond Registrar.
Section 5. Book Entry; Registration of Bonds; Persons Treated as Owners.

Book-Entry. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each maturity. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register therefor in the name of Cede & Co., or any successor thereto, as nominee of the Depository. All of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The Village Treasurer or any Designated Officer is authorized to execute and deliver on behalf of the Village a Representation Letter. Without limiting the generality of the authority given to the Designated Officers with respect to entering into such Representation Letter, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interest therein, (c) redemption notices or procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of the Depository, the Village and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institutions for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "Depository Participant") or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, the Village and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, Cede & Co., or any Depository Participant with respect to any ownership interest in
the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, or any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal or interest on the Bonds.

No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 14th day of the month next preceding the applicable interest payment date, the name “Cede & Co.” in this Ordinance shall refer to such new nominee of the Depository.

In the event that (a) the Village determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the Village, the Bond Registrar and the Depository evidenced by the Representation Letter shall be terminated for any reason, or (c) the Village determined that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Village shall notify the Depository and the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The Village may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Village, or such depository’s agent or designee, and if the Village does not select such alternate book-entry system, then the Bonds
may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Depository, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

In the event that the Bonds ever become generally registerable, as aforesaid, any Designated Officer may, in his or her discretion at such time, designate a bank with trust powers or trust company, duly authorized to do business as a bond registrar, paying agent, or both, to act in one or both such capacities hereunder, in the event that the Designated Officers shall determine it to be advisable. Notice shall be given to the registered owners of any such designation.

Section 6. Execution; Authentication.

The Bonds shall be executed on behalf of the Village with the manual or facsimile signature of the President, Board of Trustees and attested with the manual authorized facsimile signature of the Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any
purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 7. Registration of Bonds; Persons Treated as Owners; Redemption.

The Village shall cause books (the “Bond Register”) for the registration and for the transfer of the Bonds as provided in this ordinance to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the Village for the Bonds. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of
the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period of fifteen (15) days next preceding any interest payment date, nor to transfer or exchange any Bond after notice calling such Bond or any portion thereof for prepayment has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of prepayment of any Bonds.

The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or the owner's legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except in the case of the issuance of a Bond or Bonds for the outstanding portion of a Bond surrendered for redemption.
Redemption. The Bonds shall be subject to redemption prior to maturity as provided in this Section 7.

(a) Optional Redemption. The Bonds shall be subject to optional redemption as set forth in the Bond Order.

(b) Sinking Fund Redemption. This subsection (b) shall apply only to the extent a Bond Order shall specify any Term Bonds, and otherwise shall not apply. Bonds specified in the Bond Purchase Agreement as Term Bonds (the "Term Bonds"), if any, are subject to mandatory sinking fund redemption in the principal amount on December 15 of the years so specified, but corresponding to the principal maturities specified in a Bond Order.

At its option before the 45th day (or such lesser time acceptable to the Bond Registrar) next preceding any mandatory sinking fund redemption date in connection with Term Bonds the Village by furnishing the Bond Registrar and the Paying Agent an appropriate certificate of direction and authorization executed by the Village President or Village Treasurer may: (i) deliver to the Bond Registrar for cancellation Term Bonds in any authorized aggregate principal amount desired; or (ii) furnish the Paying Agent funds for the purpose of purchasing any of such Term Bonds as arranged by the Village; or (iii) receive a credit (not previously given) with respect to the mandatory sinking fund redemption obligation for such Term Bonds which prior to such date have been redeemed and cancelled. Each such Bond so delivered, previously purchased or redeemed shall be credited at one hundred percent (100%) of the principal amount thereof, and any excess shall be credited with regard to future mandatory sinking fund redemption obligations for such Bonds in chronological order, and the principal amount of Bonds to be so redeemed as provided shall be accordingly reduced. In the event Bonds being so redeemed are in a denomination greater than $5,000, a portion of such Bonds
may be so redeemed, but such portion shall be in the principal amount of $5,000 or any authorized integral multiple thereof.

(c) Procedure. The Village covenants that it will redeem Bonds pursuant to the redemption provisions applicable to such Bonds. Proper provision for redemption having been made, the Village covenants that the Bonds so selected for redemption shall be payable as at maturity.

The Village shall, at least forty-five (45) days prior to an optional redemption date (unless a shorter time shall be satisfactory to the Bond Registrar), notify the Bond Registrar of any optional redemption date and of the principal amount of Bonds to be redeemed (no such notice shall be required in the case of any mandatory sinking fund redemption of Term Bonds). In the event that less than all of the Bonds of a particular series or maturity are called for redemption as aforesaid, as necessary, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days or less than thirty (30) days prior to the redemption date by the Bond Registrar by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any $5,000 Bond or $5,000 portion of a Bond shall be as likely to be called for redemption as any other such $5,000 Bond or $5,000 portion.

The Bond Registrar shall promptly notify the Village in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the owner of Bonds to be redeemed, notice of any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60)
days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owners to the Bond Registrar.

All notices of redemption shall include at least the information as follows:

(i) the redemption date;

(ii) the redemption price;

(iii) if less than all of the Bonds are to be redeemed, the identification number and maturity date (and, in the case of partial redemption of any Bond, the respective principal amounts) of the Bonds to be redeemed;

(iv) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and

(v) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Bond Registrar.

Such additional notice and information as may be agreed upon with the Depository shall also be given so long as the Bonds are held by the Depository.

The failure of any owner to receive the foregoing notice or any defect therein shall not invalidate the effectiveness of the call for redemption.

Prior to any redemption date, the Village shall deposit with the Bond Registrar, an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date (less any moneys on deposit in the funds and accounts referred to herein and available to pay such redemption price).

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default
in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

In addition to the foregoing notice, further notice shall be given by the Bond Registrar on behalf of the Village as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption.

Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types
comprising the Bonds (such depository now being The Depository Trust Company of New York, New York) and to one or more national information services, chosen in the discretion of the Bond Registrar, that disseminate notice of redemption of obligations such as the Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear or have enclosed therewith the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 8. Form of Bond.

The Bonds shall be in substantially the form hereinafter set forth; provided, however, that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend “See Reverse Side for Additional Provisions” shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

The officers of the Village are hereby authorized to take any action as may be required on the part of the Village to consummate the transactions contemplated by the Series 2012 Purchase Contract, this Ordinance, the Official Statement and the Bonds.

Section 10. Treatment of Bonds As Debt.

The Bonds shall be payable from the 2012 Pledged Moneys and shall not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation, unless the 2012 Pledged Taxes shall have been extended pursuant to the general obligation, full faith and credit promise supporting the Bonds, as set forth in Section 13 hereof, in which case the amount of the Bonds then Outstanding shall be included in the computation of indebtedness of the Village for purposes of all statutory provisions or limitations until such time as an audit of the Village shall show that the Bonds have been paid from the 2012 Pledged Revenues for a complete Fiscal Year, in accordance with the Act.

Section 11. Flow of Funds.

All of the Revenues shall continue to be set aside as collected and be deposited into certain separate funds and in accounts in a bank designated by the Corporate Authorities, which funds are hereby created and designated as the “Alternate Bond and Interest Fund of 2012” the (“Bond Fund”) of the Village, and which funds shall constitute trust funds for the sole purpose of carrying out the covenants, terms, and conditions of this Ordinance, and shall be used only in paying the principal of and interest on the 2012 Alternate Bonds of the Village which by their terms are payable from the 2012 Pledged Revenues and providing for the establishment of and expenditure from the respective accounts as described in this Ordinance.

There shall be and there is hereby created a separate Subaccount in the Bond Fund to be known as the “2012 Alternate Bond and Interest Subaccount” to which there shall be
credited on or before the first day of each month by the Village Treasurer, without any further official action or direction, in the order in which said account is hereinafter mentioned, all moneys held in the Bond Fund, in accordance with the following provisions:

2012 Alternate Bond and Interest Subaccount:

All moneys shall be deposited to a separate and segregated account hereby created and designated the "2012 Alternate Bond and Interest Subaccount of the Bond Fund" (the "2012 Alternate Bond and Interest Subaccount"), as follows:

A. There shall be deposited into the 2012 Alternate Bond and Interest Subaccount the accrued interest received upon the delivery of the Bonds. Thereafter, there shall be paid into the 2012 Alternate Bond and Interest Subaccount in each month after the required payments have been made into the Accounts above described, a fractional amount of the interest becoming due on the next succeeding interest payment date on all Outstanding Bonds and a fractional amount of the principal becoming due on the next succeeding principal maturity date of all Outstanding Bonds until there shall have been accumulated in the 2012 Alternate Bond and Interest Subaccount on or before the month preceding such maturity date of interest or principal, an amount sufficient to pay such principal or interest, or both, of all Outstanding Bonds.

B. In computing the fractional amount to be set aside each month in said 2012 Alternate Bond and Interest Subaccount, the fraction shall be so computed that sufficient funds will be set aside in said Subaccount and will be available for the prompt payment of such principal of and interest on all Outstanding Bonds as the same will become due and shall be not less than one-fifth of the interest becoming due on the next succeeding interest payment date and not less than one-tenth of the principal becoming due on the next succeeding principal payment date on all Outstanding Bonds until there is sufficient money in said Subaccount to pay such principal or interest or both.

C. Credits to the 2012 Alternate Bond and Interest Subaccount may be suspended in any Fiscal Year at such time as there shall be a sufficient sum, held in cash and investments, in said Subaccount to meet principal and interest requirements in said Subaccount for the balance of such Fiscal Year, but such credits shall be resumed at the beginning of the next Fiscal Year. Such deposits shall be made not later than May 1 and November 1 of each fiscal year. At its discretion, the Village may use other lawfully available funds to make such deposits.

D. All moneys in said Subaccount shall be used only for the purpose of paying interest on and principal of Bonds and Additional Bonds.

E. Any funds remaining in the Bond Fund after making the aforesaid deposits to the credit of the 2012 Alternate Bond and Interest Subaccount, at the discretion of the Corporate Authorities, shall be used for the purposes enumerated in any future bond ordinance or for any other lawful Village purpose.
Money to the credit of the Bond Fund may be invested pursuant to any authorization granted to municipal corporations by Illinois statute or court decision.

Section 12. Use of Bond Proceeds.

The proceeds derived from the sale of the Bonds shall be used as follows:

A. Accrued interest received by the Village upon the sale of the Bonds shall be remitted by the Treasurer for deposit into the Bond Fund and be used to pay first interest coming due on the Bonds.

B. The Village shall then allocate from the Bond proceeds the sum necessary for expenses incurred in the issuance of the Bonds which shall be deposited into an “Expense Fund” to be maintained by the Treasurer and disbursed for such issuance expenses from time to time in accordance with usual Village procedures for the disbursement of funds, which disbursements are hereby expressly authorized.

Simultaneously with the issuance and delivery of the Bonds, a portion of the principal proceeds of the sale thereof, together with such additional amounts as may be necessary from the general funds of the Village, shall be used either for payment of expenses of issuing the Bonds or be deposited in escrow pursuant to an Escrow Agreement (the “Escrow”) hereby authorized by the Corporate Authorities for the purpose of paying principal of and interest on the Refunded Bonds as such become due or are redeemed pursuant to the Escrow. The Village hereby does (1) approve the form of the Escrow Agreement, (2) approve The Bank of New York Mellon Trust Company, N.A., Chicago, Illinois, as named in the Escrow Agreement, as the Escrow Agent, (3) authorize and direct the officers as designated in the Escrow Agreement to execute the same with such completions, corrections and revisions as they may approve, their execution to constitute conclusive evidence of their approval and of due execution and delivery.
under the terms of this Ordinance, and (4) approve the redemption of the Refunded Bonds. The Village does hereby call for redemption the Prior Bonds specifically as follows: (i) the Debt Certificates, Series 2003 maturing on December 15, 2013 to 2020 on December 15, 2012, (ii) the General Obligation Refunding Bonds (Alternate Revenue Source), Series 2003 maturing on December 15, 2013 and 2015 on December 15, 2012, and (iii) the General Obligation Bonds (Alternate Revenue Source), Series 2006A maturing on December 15, 2016, 2020 and 2023 on December 15, 2014. The Treasurer of the Village is authorized to take any and all action required to cause the redemption of the Prior Bonds on the appropriate call dates.

The proceeds received or to be received by the Village from the amounts pledged to pay the Refunded Bonds in the amount as set forth in the Bond Order shall be deposited in the Escrow, and any such further amounts may be used for the purpose of paying the principal of or interest on the Refunded Bonds and to the extent that such proceeds are not needed for such purpose because of the establishment of the Escrow, the same shall be deposited into the Bond Fund and used to pay the first payments of principal and/or interest on the Bonds, in accordance with all of the provisions of this Ordinance.

Section 13. 2012 Pledged Taxes; Tax Levy.

For the purpose of providing additional funds to pay the principal of and interest on the Bonds, and as provided in Section 15 of the Act, there is hereby levied upon all of the taxable property within the Village, in the years for which any of the Bonds are Outstanding, a direct annual tax in amounts sufficient for that purpose, and there be and there hereby is levied upon all of the taxable property in the Village the following direct annual taxes (the “2012 Pledged Taxes”):

After this ordinance becomes effective, a copy hereof, certified by the Village Clerk, shall be filed with the County Clerk of The County of Kane, Illinois (the "County Clerk"). The County Clerk shall in and for each of the years required ascertain the rate percent required to produce the aggregate 2012 Pledged Taxes hereinbefore provided to be levied in each of said years; and the County Clerk shall extend the same for collection on the tax books in connection with other taxes levied in said years in and by the Village for general corporate purposes of the Village; and the County Clerk, or other appropriate officer or designee, shall remit the 2012 Pledged Taxes for deposit to the credit of a special fund to be designated the "2012 Pledged Taxes Bond Fund" (the "2012 Pledged Taxes Bond Fund"), and in said years
the 2012 Pledged Taxes shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general municipal purposes of the Village for said years are levied and collected, and in addition to and in excess of all other taxes. The 2012 Pledged Taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying principal of and interest on the Bonds. It is hereby expressly provided that in the event there shall be moneys both to the credit of the 2012 Alternate Bond and Interest Subaccount and the 2012 Pledged Taxes Bond Fund, the 2012 Pledged Taxes Bond Fund shall be fully depleted before moneys to the credit of the 2012 Alternate Bond and Interest Account shall be used to pay principal of and interest on the Bonds.

The President, Village Clerk and Village Treasurer of the Village be and the same are hereby directed to prepare and file with the County Clerk a Certificate of Reduction of Taxes Heretofore Levied for the Payment of Bonds showing the Prior Bonds and directing the abatement of the taxes heretofore levied for the years 2012 to 2023, inclusive, to pay the Prior Bonds.

Section 15. Abatement of 2012 Pledged Taxes.

The Village covenants and agrees with the registered owners of the Bonds that so long as any of the Bonds remain outstanding, whenever the 2012 Pledged Revenues shall have been determined by the Village to provide in any calendar year an amount not less than 1.25 times debt service of all outstanding bonds in the next succeeding bond year (due on June 15 and December 15) and whenever the 2012 Pledged Revenues have been deposited in the Bond Fund in an amount sufficient to pay debt service on all outstanding bonds in the next succeeding bond year, the Village shall, prior to the time the 2012 Pledged Taxes levied in such calendar year are extended, direct the abatement of the 2012 Pledged Taxes, and proper notification of such
abatement shall be filed with the County Clerk in a timely manner to effect such abatement. The Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy and collect the foregoing taxes, and the Village and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the 2012 Pledged Taxes Bond Fund established in Section 14 above to pay the principal of and interest on the Bonds. In the event of any abatement of such levy of taxes and the failure thereafter to pay debt service in respect of such abatement, the additional amount, together with additional interest accruing, shall be added to the tax levy in the year of, or the next year following, such failure.

Section 16. 2012 Pledged Revenues; General Covenants.

The Village covenants and agrees with the registered owners of the Bonds that, so long as any Bonds remain outstanding:

A. The Village hereby pledges the 2012 Pledged Revenues to the payment of the Bonds, and the Corporate Authorities covenant and agree to provide for, collect and apply the 2012 Pledged Revenues to the payment of the Bonds and the provision of not less than an additional .25 times debt service, all in accordance with Section 15 of the Debt Reform Act. The determination of the sufficiency of the 2012 Pledged Revenues pursuant to this subsection (A) shall be supported by reference to the Report, and the reference to and acceptance of such Report by the Corporate Authorities shall be conclusive evidence that the conditions of Section 15 of the Debt Reform Act have been met.

B. The Village will punctually pay or cause to be paid from the 2012 Alternate Bond and Interest Subaccount and from the 2012 Pledged Taxes Bond Fund the principal of, interest on and premium, if any, to become due in respect to the Bonds in strict conformity with the terms of the Bonds and this Ordinance, and it will faithfully observe and perform all of the conditions, covenants and requirements thereof and hereof.

C. The Village will pay and discharge, or cause to be paid and discharged, from the 2012 Alternate Bond and Interest Subaccount and the 2012 Pledged Taxes Bond Fund any and all lawful claims which, if unpaid, might become a lien or charge upon the 2012 Pledged Moneys, or any part thereof, or upon any funds in the hands of the Bond Registrar, or which might impair the security of the Bonds. Nothing herein contained shall require the Village to make any such payment so long as the Village in good faith shall contest the validity of said claims.
D. The Village will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Village, in which complete and correct entries shall be made of all transactions relating to the Waterworks Revenue Fund, the Prior Projects, the 2012 Pledged Moneys, the 2012 Alternate Bond and Interest Subaccount and the 2012 Pledged Taxes Bond Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of the registered owners of not less than ten percent (10%) of the principal amount of the Outstanding Bonds or their representatives authorized in writing.

E. The Village will preserve and protect the security of the Bonds and the rights of the registered owners of the Bonds, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the Village, the Bonds shall be incontestable by the Village.

F. The Village will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this Ordinance, and for the better assuring and confirming unto the registered owners of the Bonds of the rights and benefits provided in this Ordinance.

G. As long as any Bonds are Outstanding, the Village will continue to deposit the 2012 Pledged Revenues to the 2012 Alternate Bond and Interest Subaccount and, if applicable, the 2012 Pledged Taxes to the 2012 Pledged Taxes Bond Fund. The Village covenants and agrees with the purchasers of the Bonds and with the registered owners thereof that so long as any Bonds remain Outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to levy the 2012 Pledged Taxes and to collect and to segregate the 2012 Pledged Moneys. The Village and its officers will comply with all present and future applicable laws in order to assure that the 2012 Pledged Taxes can be levied and extended and that the 2012 Pledged Revenues and the 2012 Pledged Taxes may be collected and deposited to the 2012 Alternate Bond and Interest Subaccount and the 2012 Pledged Taxes Bond Fund, respectively, as provided herein.

H. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Village, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the 2012 Pledged Revenues, from the levy of the 2012 Pledged Taxes as provided in the Act.

I. Within six (6) months following the close of each Fiscal Year, the Village will cause the books and accounts of the System to be audited by independent certified public accountants in accordance with appropriate audit standards. Said audit will be available for inspection by the registered owners of any of the Bonds.

Section 17. Additional Bonds.

The Village reserves the right to issue Additional Bonds from time to time payable from the 2012 Pledged Revenues, and any such Additional Bonds shall share ratably and
equally in the 2012 Pledged Revenues with the Bonds; provided, however, that no Additional Bonds shall be issued except in accordance with the provisions of the Act as the Act is written at this time.

Section 18. Defeasance.

The Bonds are subject to legal defeasance by the irrevocable deposit of full faith and credit obligations of the United States of America, obligations the timely payment of which are guaranteed by the United States Treasury, or certificates of participation in a trust comprised solely of full faith and credit obligations of the United States of America (collectively, the “Government Obligations”) with a bank or trust company acting as escrow agent. Any such deposit must be of sufficient amount that the receipts from the Government Obligations plus any cash on deposit will be sufficient to pay debt service on the Bonds when due or as called for redemption.

Bonds which are no longer Outstanding Bonds as defined in this Ordinance shall cease to have any lien on or right to receive or be paid from 2012 Pledged Revenues and shall no longer have the benefits of any covenant for the registered owners of Outstanding Bonds as set forth herein as such relates to lien and security of the Bonds in the 2012 Pledged Revenues.

Section 19. This Ordinance a Contract.

The provisions of this Ordinance shall constitute a contract between the Village and the registered owners of the Bonds, and no changes, additions or alterations of any kind shall be made hereto, except as herein provided.

Section 20. Bond Registrar Covenants.

If requested by the Bond Registrar, the Village President and Village Clerk of the Village are authorized to execute the Bond Registrar’s standard form of agreement between the
Village and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder. Subject to modification by the express terms of any such agreement, such duties shall include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

(b) to maintain a list of Bondholders as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential to the extent permitted by law;

(c) to give notice of redemption of Bonds if provided herein;

(d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;

(e) to furnish the Village at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the Village at least annually an audit confirmation of Bonds paid, Outstanding Bonds and payments made with respect to interest on the Bonds.

The Village Clerk is hereby directed to file a certified copy of this Ordinance with the Bond Registrar.

The Village covenants with respect to the Bond Registrar, and the Bond Registrar further covenants and agrees as follows:

A. The Village shall at all times retain a Bond Registrar with respect to the Bonds; it will maintain at the designated office(s) of such Bond Registrar a place or places where Bonds may be presented for payment, registration, transfer or exchange; and it will require that the Bond Registrar properly maintain the Bond Register and perform the other duties and obligations imposed upon it by this Ordinance in a manner consistent with the standards, customs and practices of the municipal securities industry.

B. The Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing the certificate of authentication on any Bond, and by such execution the Bond Registrar shall be deemed to have certified to the Village that it has all requisite power to accept and has accepted such duties and obligations not only with respect to the Bond so authenticated but with respect to all the Bonds. Any Bond Registrar shall be the agent of the Village and shall not be liable in connection with the performance of its duties except for its own negligence or willful wrongdoing. Any Bond Registrar shall, however, be responsible for any representation in its certificate of authentication on Bonds.
C. The Village may remove the Bond Registrar at any time. In case at any time the Bond Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudicated a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Bond Registrar or of the property thereof shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or of the property or affairs thereof, the Village covenants and agrees that it will thereupon appoint a successor Bond Registrar. The Village shall give notice of any such appointment made by it to each registered owner of any Bond within twenty days after such appointment in the same manner, or as nearly the same as may be practicable, as for a redemption of Bonds. Any Bond Registrar appointed under the provisions of this Section shall be a bank, trust company, or national banking association maintaining its principal corporate trust office in Illinois, and having capital and surplus and undivided profits in excess of $5,000,000.

**Section 21. Registered Form.**

The Village recognizes that Section 149 of the Code requires the Bonds to be issued and to remain in fully registered form in order for the interest thereon to be and remain Tax-Exempt. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

**Section 22. Tax Covenants.**

The Village agrees to comply with all provisions of the Code which, if not complied with by the Village, would cause the interest on the Bonds not to be Tax-Exempt. In furtherance of the foregoing provisions, but without limiting their generality, the Village agrees:

(a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the Bonds; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Village in such compliance.
Section 23. Qualified Tax-exempt Obligations.

The Village recognizes the provisions of Section 265(b)(3) of the Code which provide that a "qualified tax-exempt obligation" as therein defined may be treated by certain financial institutions as if it were acquired on August 7, 1986, for certain purposes. The Village hereby designates each of the Bonds as may be from time to time outstanding for purposes of Section 265(b)(3) of the Code as a "qualified tax-exempt obligation" as provided therein.

In support of such designation, the Village certifies, represents and covenants as follows:

A. None of the Bonds is a "private activity bond" as defined in Section 141(a) of the Code.

B. Including the Bonds, the Village (including any entities subordinate thereto) has not and does not reasonably expect to issue in excess of $10,000,000 in "qualified tax-exempt obligations" during calendar year 2012.

C. Including the Bonds, not more than $10,000,000 of obligations issued by the Village (including any entities subordinate thereto) during the calendar year 2012 have been to date or will be designated by the Village for purposes of said Section 265(b)(3).

Section 24. Continuing Disclosure.

The Village hereby covenants and agrees that it will comply with and carry out all of the provisions of the Series 2012 Continuing Disclosure Undertaking. Notwithstanding any other provision of this Bond Ordinance, failure of the Village to comply with the Series 2012 Continuing Disclosure Undertaking shall not be considered an Event of Default; however, any Bondholder or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Bonds to comply with its obligations under this Section. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees,
depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

Section 25. Bond Insurance

The Village may seek a commitment (the "Commitment") with respect to a municipal bond insurance policy from a qualified municipal bond insurer (the "Insurer") for the Bonds. The Commitment shall be executed by the appropriate Designated Official, and is hereby incorporated herein by reference as if set out in this Section in full, and any Designated Official is hereby expressly authorized to take such actions as may be necessary to effectuate compliance with the terms and conditions of the Insurer as set forth in the Commitment for all purposes under this Ordinance.

Section 26. Severability.

If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 27. Repealer.

All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this ordinance are to the extent of such conflict hereby repealed.
Section 28. Effective Date.

This Ordinance shall be effective immediately.

FROM: Doug Maxeiner, Village Administrator

FOR: December 6, 2012 Village Board Meeting

RE: 1) A Resolution Confirming the Amended Special Tax Roll for Calendar Year 2012 (for Taxes to be Collected in 2013) for Special Service Area #9 in the Village and 2) An Ordinance for the Levy and Assessment of Taxes for the Fiscal Year Beginning May 1, 2012 and Ending April 30, 2013, in and for the Village of Hampshire Special Service Area #9

Background. Each year, the Village must prepare a special tax roll report for Special Service Area #9 to identify the special taxes to be levied against the properties within the district and levy these special taxes against the properties within the special district to meet the debt service requirements on bonds issued for public improvements serving properties within the SSA. The special tax roll report is approved by resolution and the tax levy is approved by ordinance.

Analysis. The Special Tax Roll Report prepared by Municap and the resolution approving the report are attached. The report identifies that $305,000 is the amount required to meet the debt service requirements for this SSA. Consequently, the Village Board will need to levy this amount against the properties within the SSA as provided in the attached ordinance.

Recommendation. Staff recommends approval of 1) a resolution confirming the amended Special Tax Roll Report for calendar year 2012 (for taxes to be collected in 2013) for Special Service Area #9 in the Village and, 2) an ordinance for the levy and assessment of taxes for the fiscal year beginning May 1, 2012 and ending April 30, 2013 in and for the Village of Hampshire Special Service Area #9.

AMENDED SPECIAL TAX ROLL FOR CALENDAR YEAR 2012
AND EXPLANATION OF THE METHODOLOGY
TO AMEND THE SPECIAL TAX ROLL

Prepared By:

MuniCap, Inc.

November 20, 2012
EXPLANATION OF THE METHODOLOGY TO AMEND THE SPECIAL TAX ROLL FOR CALENDAR YEAR 2012

The Series 1997 Bonds were defeased and refunded with Series 2006 Refunding Bonds in December 2006. The amended special tax roll for the 2012 calendar year is included herein as Appendix A. The special tax roll includes the special taxes to be imposed in 2012 for collection in 2013. Special tax revenues of $305,000.00 must be collected in 2013. The methodology used to calculate the special tax requirement and to amend the special tax roll is explained in the balance of this report.

SPECIAL TAX REQUIREMENT

A special tax is to be imposed each year within the Village of Hampshire Special Service Area Number Nine equal to the greater of (i) the assigned special tax, and (ii) an amount up to the maximum special tax sufficient to fund the special tax requirement. The special tax requirement, generally, is equal to (i) annual debt service and administrative expenses, less (ii) investment income and available capitalized interest.

ASSIGNED SPECIAL TAX

The assigned special tax is equal to $1,825.00 per acre for developed property and $410.00 per acre for undeveloped property. According to the special tax roll attached hereto, there are 71.29 acres of developed property and 173.44 acres of undeveloped property. At the tax rates stated above, this results in assigned special taxes of $201,214.65.

SPECIAL TAX REQUIREMENT

The special tax requirement, generally, is equal to (i) annual debt service and administrative expenses, less (ii) investment income and available capitalized interest. Table A provides a summary of the special tax requirement for calendar year 2012. Annual debt service and administrative expenses are expected to exceed the reserve fund investment income and the available surplus from the previous year by $305,000.00. Accordingly, the special tax requirement is equal to $305,000.00. Each of these numbers is explained in the following sections.

Debt Service

Debt service includes the semi-annual interest payments due on June 30 and December 30, 2013 and the principal payment due on December 30, 2013. Each semi-annual interest payment is $48,009.38 and represents interest at an annual coupon rate of 4.125 percent on the outstanding Term 2016 Bonds of $855,000.00 and 5.00 percent on the Term 2020 Bonds of $1,215,000.00. A principal payment of $195,000.00 is due on December 30, 2013. Accordingly, total debt service for calendar year 2012 is $291,018.75.

Administrative Expenses

According to the Agreement for Administrative Services between MuniCap (formerly MuniFinancial) and the Village of Hampshire for the Special Service Area Number Nine Special Tax Series 1997 Bonds, the maximum annual fee of $7,800.00 (including charges for continuing disclosure services), may be increased annually to reflect changes in the Consumer Price Index (CPI). According to the Bureau of Labor Statistics, the CPI for the Chicago/Gary/Kenosha Metropolitan Statistical Area in 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011 and the first half of 2012 was 161.700, 165.000, 168.400, 173.800, 178.300, 181.200, 184.500, 188.600, 194.300, 198.300, 204.818, 212.536, 212.870, 218.684 and 221.396, respectively. As a result, the maximum annual fee of the administrator for the Series 2006 Refunding Bonds for calendar year 2012, as adjusted for inflation, is $13,955.79. Together with an estimated annual allowance for reimbursable expenses of $500.00, the estimated annual expenses of the administrator are $14,500.00 for calendar year 2012.

The estimated expenses of the trustee are equal to $3,000.00. As a result, total administrative expenses for calendar year 2012 are estimated to be $17,500.00 ($14,500.00 + $3,000.00 = $17,500.00).

Contingency

A contingency, equal to 3.69 percent of annual expenses, has been added in the event there are tax delinquencies, unanticipated expenses, or investment income is less than estimated.

Reserve Fund Investment Income

As of October 31, 2012, the reserve fund balance was $289,005.86, which is equal to the reserve requirement of $289,000.00 for the Series 2006 Refunding Bonds and $5.86 in investment income in excess of the reserve requirement. Bond proceeds in the reserve fund are invested in a Goldman Financial Square money market fund currently earning 0.01 percent. At the current money market rate, an estimated $28.90 in annual investment income is estimated to be earned on the current required balance of $289,000.00 in the reserve fund, which may be made available to pay debt service and administrative expenses for the bond year ending December 30, 2013.

Surplus from Prior Year

Table B on the following page outlines the estimated surplus from the previous year. The debt service payment scheduled for December 30, 2012 consists of an interest payment of $51,618.75 and a principal payment of $175,000.00. Accordingly, total debt service is equal to $226,618.75.

A special tax of $295,000.00 was levied in 2011 to be collected in 2012. As of October 23, 2012, the village reports collecting $295,000.00 in calendar year 2011 special taxes, of which $290,648.99 was transferred to the trustee in June and July 2012. The special taxes transferred to the trustee in June
2012 were used to make the June 30, 2012 debt service payment. According to the village, the balance of the calendar year 2011 special taxes collected in the amount of $4,351.01 will be transferred to the trustee prior to the next debt service payment date of December 30, 2012.

As of October 31, 2012, the balance in the Bond and Interest Fund was $229,436.33, which will be made available to pay debt service on December 30, 2012.

As mentioned above, as of October 31, 2012, there was $5.86 in investment income in excess of the reserve requirement in the reserve fund. These funds may be made available to pay debt service on December 30, 2012. Bond proceeds in the reserve fund are currently earning 0.01 percent per annum. At the current money market rate, an estimated $2.41 in investment income is estimated to be earned on the current required balance of $289,000.00 through December 30, 2012, which may be made available to pay debt service on December 30, 2012.

As of October 31, 2012, the balance in the administrative expense fund was $14,566.06. Administrative expenses for calendar year 2011 were estimated to be $14,071.62. As of October 31, 2012, $7,199.30 in administrative expenses had been paid for calendar year 2011, resulting in a balance of $6,872.32 in unpaid administrative expenses that will have to be funded with special taxes collected in 2012.

Accordingly, an estimated aggregate surplus of $14,870.60 ($4,351.01 + $229,436.33 + $5.86 + $2.41 + $14,566.06) - ($51,618.75 + $175,000.00 + $6,872.32) = $14,870.60] is estimated to be available to pay debt service and administrative expenses for calendar year 2012.
Subdivision of Parcels

The assessment roll must be amended to reflect (i) subdivisions of parcels and (ii) the special taxes that must be imposed in 2012 for collection in 2013. The amended special tax roll is attached as Appendix A.

Method of Imposing the Special Tax

According to the “Rate and Method of Apportionment of Special Tax” for the Hampshire Special Service Area Number Nine, special taxes are to be imposed as follows: (i) a special tax equal to 100 percent of the annual assigned special tax for each parcel shall be levied and extended on each property until all the bonds and administrative expenses have been paid, (ii) if step one is not sufficient to fully fund the special tax requirement, then a special tax shall be levied proportionally on each parcel up to 100 percent of the maximum annual special tax.

The aggregate assigned special taxes that may be collected in 2013 are equal to $201,214.65. The special tax requirement is $305,000.00. Accordingly, the special taxes to be collected in 2013 shall be levied proportionally on each parcel up to 100 percent of the maximum annual special tax. The special taxes to be collected in 2013 as shown on the Special Tax Roll, attached as Appendix A, are based on the maximum annual special tax rates described below.

Maximum Special Tax Rates

The special tax roll is to be amended each year “to reflect any subdivisions of parcels in the SSA and any reallocation of the Maximum Annual Special Tax and the Assigned Special Tax.” This section explains the amendments to the special tax roll for the maximum annual special tax.

According to the “Rate and Method of Apportionment of Special Tax,” the maximum special tax that can be imposed for collection in 2013 is equal to 104 percent of the maximum special tax that could be imposed for collection in 2012. The maximum special tax that could be imposed for collection in 2012 for developed and undeveloped commercial property was $3,523.96 and $793.11, respectively. The maximum special tax that may be imposed for collection in 2013 is 104 percent of these amounts, equal to $3,664.92 and $824.83 for developed and undeveloped parcels, respectively. According to the special tax roll attached hereto, there are 71.29 acres of developed property and 173.44 acres of undeveloped property. At the tax rates stated above, this results in maximum annual special taxes of $404,331.03.

The maximum annual special tax that may be collected in the special service area in any year is limited, however, to a total of $352,814.46. Accordingly, the maximum annual special tax must be adjusted proportionally on each parcel to reflect this reduction by 87.26 percent ($352,814.46 + $404,331.03 = 87.26%). This results in an adjusted maximum special tax on developed and undeveloped property of $3,197.97 per acre ($3,664.92 x 87.26% = $3,197.97) and $719.74 per acre ($824.83 x 87.26% = $719.74), respectively, and aggregate adjusted maximum special taxes of $352,814.46. The maximum annual special tax on each parcel as shown on the special tax roll is adjusted to reflect this maximum.

The special tax requirement for calendar year 2012 is equal to $305,000.00. The maximum annual special tax that may be collected in the special service area in 2013 is $352,814.46 As a result, special taxes will be levied at 86.45 percent ($305,000.00 - $352,814.46 = 86.45%) of the adjusted maximum special tax on developed and undeveloped property. This results in a special tax per developed acre of $2,764.57 ($3,197.97 x 86.45% = $2,764.57) and a special tax per undeveloped acre of $622.20 ($719.74 x 86.45% = $622.20) for calendar year 2012.
Summary

The special tax to be collected in 2013, the maximum annual special tax that may be collected in 2013, and the maximum special tax that may be collected in any year are shown in Appendix A for each parcel in the special service area.

AGENDA SUPPLEMENT

TO: President Magnussen and Village Board

FROM: Doug Maxeiner, Village Administrator

FOR: December 6, 2012 Village Board Meeting

RE: 1) A Resolution Confirming the Amended Special Tax Roll for Calendar Year 2012 (For Taxes to be Collected in 2013) for Special Service Area #13 in the Village of Hampshire and, 2) An Ordinance for the Levy and Assessment of Taxes for the Fiscal Year Beginning May 1, 2012, and Ending April 30, 2013, in and for the Village of Hampshire Special Service Area No. 13 (Tuscany Woods).

Background. Each year, a Special Tax Roll Report is completed by Taussig and Associates to determine the correct amount to assess against properties in SSA #13 to cover the debt service on $12,000,000 in bonds issued to provide for the water distribution system and other improvements within the Tuscany Woods subdivision. The report is approved by the Board of Trustees (by resolution) and is the basis for the levy and assessment against the properties (by ordinance) within the SSA.

Analysis. The Special Tax Roll Report for the current year is attached. The total special tax required for the 2012 tax levy year is $2,270,510. However, the maximum levy amount per the bond ordinance is $873,338.00. As such, the tax levy for SSA #13 for 2012 is $873,338.00.

Recommendation. Staff recommends approval of 1) the resolution confirming the amended Special Tax Roll Report for SSA #13 for calendar year 2012 and, 2) an ordinance for the levy and assessment of taxes for the fiscal year beginning May 1, 2012 and ending April 30, 2013 for SSA #13.

INTRODUCTION

This report calculates the 2012 special taxes required to pay annual debt service on the Village of Hampshire (the "Village") Special Service Area Number 13 ("SSA No. 13") Special Tax Bonds, Series 2007 (Tuscany Woods Project) (the "Series 2007 Bonds") and administrative expenses and apportions the special taxes to each taxable parcel within SSA No. 13. Pursuant to the Special Service Area Act (the "Act"), the Village Board is the governing body of SSA No. 13. The Village Board must annually, prior to the last Tuesday of December, approve by ordinance the special taxes to be collected, abate the Maximum Parcel Special Taxes in excess of the special taxes to be collected, and direct the County Clerk of Kane County to extend the special taxes for collection. The special taxes will be billed on the tax bill for ad valorem property taxes.

SSA No. 13 was established by Ordinance No. 07-23 (the "Establishing Ordinance"), adopted on April 12, 2007. The Establishing Ordinance authorized SSA No. 13 to provide special services, issue bonds, and levy a special tax to repay the bonds.

Authorized Special Services

The authorized special services include:

- On-site and off-site stormwater improvements, including publicly dedicated stormwater detention facilities;
- On-site and off-site water improvements;
- On-site and off-site sanitary sewer improvements;
- On-site and off-site road improvements and improvements to right-of-way;
- Erosion control improvements;
- Public streets, sidewalks, curbs, gutters, streetlights, bike paths and including the value of land put to such purposes;
- Earthwork associated with public right-of-way improvements; and
- Other park improvements permitted to be financed through a special service area.

Bonded Indebtedness

The Establishing Ordinance specified that not more than $12,000,000 in bonds may be issued by SSA No. 13. Ordinance No. 07-24 (the "Bond Ordinance"), adopted on April 12, 2007 approved the form of a trust indenture and preliminary limited offering memorandum and provided for the issuance of not more than $12,000,000 in Series 2007 Bonds. The Series 2007 Bonds were issued in the amount of $12,000,000 in May 2007. The current debt service schedule is attached hereto as Exhibit E and a brief summary of any optional redemption of bonds is contained in Section VI herein.
1. **SPECIAL TAX REQUIREMENT**

The SSA No. 13 2012 Special Tax Requirement is equal to $2,270,510 which exceeds the Maximum Parcel Special Taxes by $1,397,172. Consequently, there will be no abatement of special taxes. As shown in Table 1 below, the 2012 Special Tax Requirement is equal to the sum of the Series 2007 debt service for the twelve months ending March 1, 2014, estimated administrative expenses, and replenishment of the Reserve Fund. The delinquency contingency is rendered moot because the Special Tax Requirement exceeds the Maximum Special Taxes.

AGENDA SUPPLEMENT

TO: President Magnussen and Village Board
FROM: Doug Maxeiner, Village Administrator
FOR: December 6, 2012 Village Board Meeting
RE: 1) A Resolution Confirming the Amended Special Tax Roll for Calendar Year 2012 (For Taxes to be Collected in 2013) for Special Service Area #14 in the Village of Hampshire and, 2) An Ordinance for the Levy and Assessment of Taxes for the Fiscal Year Beginning May 1, 2012, and Ending April 30, 2013, in and for the Village of Hampshire Special Service Area No. 14 (Lakewood Crossings).

Background. Each year, a Special Tax Roll Report is completed by Taussig and Associates to determine the correct amount to assess to SSA #14 to cover the debt service on $13,000,000 in bonds issued to provide for the water distribution system and other public improvements within the Lakewood Crossings Subdivision. The report is approved by the Board of Trustees (by resolution) and is the basis for the levy and assessment against the properties (by ordinance) within the SSA.

Analysis. The attached Special Tax Roll Report for the current year is attached. The total debt service requirement for SSA #14 for the 2012 year amounts to $867,386. However, after considering the surplus from the prior year, the total special tax required for the tax levy year is $677,403. This compares to $925,176 required last year.

Recommendation. Staff recommends approval of 1) the resolution confirming the amended Special Tax Roll Report for calendar year 2012 and, 2) the ordinance for the levy and assessment of taxes for fiscal year beginning May 1, 2012 and ending April 30, 2013 for SSA #14.
A RESOLUTION
CONFIRMING THE AMENDED SPECIAL TAX ROLL FOR
CALENDAR YEAR 2012 (FOR TAXES TO BE COLLECTED IN 2013)
FOR SPECIAL SERVICE AREA # 14 IN THE VILLAGE OF HAMPSHIRE

WHEREAS, the Village of Hampshire has previously authorized and approved the creation of its Special Service Area # 14, to provide for a water distribution system in a portion of the Village; and

WHEREAS, the Village previously authorized and approved the issuance of certain bonds to pay for the expense of constructing said water distribution system in Special Service Area # 14, known as "$13,000,000 Special Service Area Number Fourteen, Special Tax Bonds, Series 2006"; and

WHEREAS, the principal and interest expense of said bond issue is to be paid from certain taxes generated from and assessed against property located in the Special Service Area; and

WHEREAS, the Village adopted a certain Special Tax Roll and Report for the taxes to be so assessed; and

WHEREAS, said Special Tax Roll and Report requires the adoption of an amended Special Tax Roll each year, assigning the taxes to be assessed against the various parcels in the Special Service Area; and

WHEREAS, an Amended Special Tax Roll for Calendar Year 2012 and Explanation of the Methodology to Amend the Special Tax Roll has been prepared by the Village's special consultant as part of its Administrative Report for Levy Year 2012, dated November 1, 2012, and submitted to the Village for its approval; and

WHEREAS, the Amended Special Tax Roll ought to be approved in order to provide funds necessary to meet the obligations of debt service for the Special Service Area bonds previously issued.

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF HAMPSHIRE, KANE COUNTY, ILLINOIS, AS FOLLOWS:

1. The Amended Special Tax Roll for Levy Year 2012, prepared by David Taussig and Associates, Inc. for Village of Hampshire Special Service Area #14, dated November 1, 2012, and attached to and incorporated into this Resolution by this reference, shall be and is hereby ratified and approved.

Introduction

This report calculates the 2012 special taxes required to pay annual debt service on the Village of Hampshire (the "Village") Special Service Area Number 14 ("SSA No. 14") Special Tax Bonds, Series 2006 (Lakewood Crossing) (the "Series 2006 Bonds") and administrative expenses and apportions the special taxes to each taxable parcel within SSA No. 14. Pursuant to the Special Service Area Act (the "Act"), the Village Board is the governing body of SSA No. 14. The Village Board must annually, prior to the last Tuesday of December, approve by ordinance the special taxes to be collected, abate the Maximum Parcel Special Taxes in excess of the special taxes to be collected, and direct the County Clerk of Kane County to extend the special taxes for collection. The special taxes will be billed on the tax bill for ad valorem property taxes.

SSA No. 14 was established by Ordinance No. 06-11 (the "Establishing Ordinance"), adopted on April 20, 2006. The Establishing Ordinance authorized SSA No. 14 to provide special services, issue bonds, and levy a special tax to repay the bonds.

Authorized Special Services

The authorized special services include:

- Streets including curbs, gutters, intersection improvements and traffic signalization;
- Water collection and distribution lines;
- Sanitary sewer collection and distribution lines;
- Detentions basins and certain grading and landscaping and related appurtenances;
- All electrical, mechanical or other services necessary, useful or advisable to such design, installation, construction and maintenance to support the construction of Lakewood Crossing Subdivision; and
- Other improvements permitted to be financed through a special service area that are required in connection with the development.

Bonded Indebtedness

The Establishing Ordinance specified that not more than $13,000,000 in bonds may be issued by SSA No. 14. Ordinance No. 06-12 (the "Bond Ordinance"), adopted on April 20, 2006 approved the form of a trust indenture and preliminary limited offering memorandum and provided for the issuance of not more than $13,000,000 in Series 2006 Bonds. The Series 2006 Bonds were issued in the amount of $12,000,000 in August 2006. The current debt service schedule is attached hereto as Exhibit E and a brief summary of any optional redemption of bonds is contained in Section VI herein.
I. **Special Tax Requirement**

The SSA No. 14 2012 Special Tax Requirement is equal to $677,403. As shown in Table 1 below, the 2012 Special Tax Requirement is equal to the sum of the Series 2006 debt service for the twelve months ending March 1, 2014, estimated administrative expenses, and the contingency for estimated delinquent special taxes and less the estimated 2012 bond year-end fund balances and excess reserve funds shown in Table 1 below.

AGENDA SUPPLEMENT

TO: President Magnussen and Village Board

FROM: Doug Maxeiner, Village Administrator

FOR: December 6, 2012 Village Board Meeting

RE: Ordinances for the Levy and Assessment of Taxes for the Fiscal Year Beginning May 1, 2012, and Ending April 30, 2013, in and for the Village of Hampshire Special Service Areas No. 2, 3, 6, 7, 8, 10, 11, 12, 15 and 23.

Background. Several subdivisions within the Village of Hampshire have a backup SSA or maintenance SSA to generate enough funds to maintain certain improvements specific to each subdivision. The originating ordinance for each maintenance SSA specifies the maximum amount that can be levied to generate these funds. Each year, the Village must determine the costs to provide this special maintenance service and levy a tax against the properties within SSA.

Analysis. The attached ordinances set the levy amount for each of the 10 maintenance SSAs. Consequently, the Village Board will need to levy the amounts specified in the ordinances against the properties in the SSA to be able to fund the services provided. Typically, the special services provided are drainage related but they may also include landscape maintenance (mowing, weed control, etc). The actual levy amounts are to accommodate the actual costs incurred in maintaining these areas.

AGENDA SUPPLEMENT

TO: President Magnusen and Village Board
FROM: Doug Maxeiner, Village Administrator
FOR: December 6, 2012 Village Board Meeting
RE: An Ordinance Amending the Effective Date of the Establishment of the Hampshire Police Pension Fund and Board of Trustees of the Police Pension Fund to May 1, 2012

Background. On February 2, 2012, the Village Board approved ordinance 12-10 establishing the Hampshire Police Pension Fund and Police Pension Board. Due to some accounting and payroll requirements, the actual conversion of the sworn police officers to the Hampshire Police Pension Plan was delayed until the start of the fiscal year on May 1, 2012.

The Illinois Department of Insurance has asked that the Village reconcile the difference between the ordinance date and the actual start of the pension plan. The easiest way to accomplish this reconciliation is to amend the original ordinance establishing the fund to make it effective on May 1, 2012.

Analysis. The attached ordinance amends the effective date of the Hampshire Police Pension Plan to a May 1, 2012 start date. Without this amendment, the Department of Insurance will require that the sworn officers pay the difference between the 4.5% withholding required by IMRF and the 9.91% required by the Police Pension Plan for the period between February 2nd and May 1st. For the sworn officers participating in the Hampshire Police Pension Plan, this would average out to approximately $850 per officer. As such, staff recommends an amendment to the original ordinance establishing the effective date of the pension plan on May 1, 2012.

Recommendation. Staff recommends approval of the ordinance amending the date of establishment of the Hampshire Police Pension Plan to May 1, 2012.
No. 12-

12-10; and

WHEREAS, the conversion of the pension plan participants to the Hampshire Police
Pension Fund from the Illinois Municipal Retirement Fund was not completed until May 1,
