Seconded by Trustee Robinson
Motion carried by voice vote
Ayes: Klein, Koth, Krajecki, Kraus, Reid, Robinson
Nays: None
Absent: None

Linda Vasquez Village Clerk
PROCLAMATION
Municipal Clerks Week
May 6-12, 2018

WHEREAS, The Office of the Municipal Clerk, a time-honored and vital part of local government exists throughout the world; and

WHEREAS, The Office of the Municipal Clerk is the oldest among public servants, and

WHEREAS, The Office of the Municipal Clerk proves the professional link between the citizens, the local governing bodies and agencies of government at other levels, and

WHEREAS, Municipal Clerks have pledged to be ever mindful of their neutrality and impartiality, rendering equal service to all.

WHEREAS, The Municipal Clerk serves as the information center on functions of local government and community.

WHEREAS, Municipal Clerks continually strive to improve the administration of the affairs of the Office of the Municipal Clerk through participation in education programs, seminars, workshops and the annual meetings of their state, province, county and international professional organizations.

WHEREAS, it is most appropriate that we recognize the accomplishments of the Office of the Municipal Clerk.

Now Therefore, I, Jeffrey Magnusen, Village President of the Village of Hampshire do recognize the week

May 6 through May 12, 2018
to be
MUNICIPAL CLERKS WEEK

and further extend appreciation to our Municipal Clerk, Linda Vasquez and to all Municipal Clerks for the vital services they perform and their exemplary dedication to the communities they represent.

Dated this 3rd day of May 2018.

Attest:

VILLAGE CLERK

Village President
February 27, 2018

Mr. Jeffrey Magnussen  
Village President  
Village of Hampshire  
234 South State Street  
P.O. Box 457  
Hampshire, IL 60140-0457

Re: **Proposed Changes in Hourly Rates and Expenses**

Dear Mr. Magnussen:

This letter is to submit our request for changes in rates of compensation effective upon approval. Over the past several years, we have been working off of a two-tiered billing rate system, one for non-Village projects and one for Village projects. We plan to continue that system, if acceptable to the Village.

The requested changes are in the hourly rates for various classifications of employees in accordance with our enclosed Standard Schedule of Charges (SSC) dated January 1, 2018 (non-Village projects) and our SSC dated January 1, 2017 (Village projects). Also enclosed is our current summary of Personnel, Positions and Classifications to cross reference with the hourly rates for the individuals to whom they apply.

We believe that we have excellent personnel whom we have been able to retain through our continued investment in salary, benefits, education, equipment and facilities. We also believe that they provide an exceptional value to our clients.

We hope that you will honor our request so that we can continue to provide the high level of service that you expect and deserve. We are available to answer any questions or receive any comments that you may have.

Respectfully yours,

ENGINEERING ENTERPRISES, INC.

Bradley P. Sanderson, P.E.  
Vice President

AN ORDINANCE
PROPOSING THE ESTABLISHMENT OF
SPECIAL SERVICE AREA #26 IN THE VILLAGE OF HAMPSHIRE
(Loves Truck Stops and Travel Stores Property)
(Back-up for Maintenance/Repair of Stormwater Facilities)

WHEREAS, the Village may consider and establish certain special service areas within its municipal limits, pursuant to Article VII, Section 7(6) of the Constitution of the State of Illinois, and pursuant to the provisions of “An Act to provide the manner of levying or imposing taxes for the provisions of special service to areas within the boundaries of home rule units and non-home rule municipalities and counties,” 35 ILCS 200/27-5 et seq.; and

WHEREAS, the owner of the Subject Property has proposed to develop certain territory in the Village, subject to the terms of a certain Annexation Agreement by and among the Village and Loves Truck Stops and Travel Stores, LLC, and others, dated January 4, 2018 (the “Annexation Agreement”), said territory to be developed as a new commercial development in the Village (the “Subject Property”), and the Village has approved such Agreement; and

WHEREAS, said development will include certain stormwater drainage facilities, including detention or retention areas, and other drainage areas, and related appurtenances, as specified in the Preliminary Plan for the Subdivision as approved by the Corporate Authorities (the “Facilities”); and

WHEREAS, the applicable Kane County Stormwater Ordinance requires that a special service area be established as a back-up funding mechanism for purposes of providing for the ongoing long-term maintenance and/or repair of such Facilities, for any such areas or facilities that otherwise primarily are to be maintained and/or repaired by a private property owners’ association or other individual or entity, Kane County Code, §9-131; and

WHEREAS, said Agreement provides as follows:

Par. 7(c). Developer agrees to refrain from objecting to the creation of a SSA for the purpose of maintaining the drainage improvements and green spaces / open areas for the Subject Property which are identified in this Agreement, provided the Village shall set the maximum tax rate for this District at the time of final plat of subdivision of the Subject Property, based on but not limited to the estimated expense for maintenance of such improvements. Developer shall reimburse the Village for any and all normal and reasonable expenses incurred by Village in enacting such ordinances as are necessary to create such SSA.
WHEREAS, the Corporate Authorities find as follows:

A. It is in the public interest that the creation of the area hereinafter described be considered as a Special Service Area for the purposes set forth herein;

B. Said area is compact and is contiguous;

C. Said area will benefit specially from the following municipal services to be provided in the area, to wit: maintenance and repair of the Facilities on the Subject Property as required by the Village of Hampshire Municipal Code, Stormwater Regulations; and

D. The proposed municipal services are in addition to municipal services provided in the Village as a whole, and it is, therefore, in the best interest of the Village that the levy of special taxes in said area for the services to be provided be considered.

WHEREAS, the Village Finance Director has determined the maximum tax rate required to produce a tax to be levied upon all taxable property within the area, sufficient for the maintenance and repair of the Facilities, and said tax rate shall be and is incorporated herein; and

WHEREAS, said annual rate shall be levied and extended in an amount sufficient year to year to meet the requirements of the Village to produce revenue sufficient to provide for the proper maintenance and repair of the Facilities, which levy shall be in addition to all other taxes permitted by law.

NOW THEREFORE BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF HAMPSHIRE, KANE COUNTY, ILLINOIS, AS FOLLOWS:

1. A public hearing shall be held on July 19, 2018, commencing at 7:00 p.m. at the Hampshire Village Hall, 234 South State Street, Hampshire, Illinois to consider the creation of Special Service Area # 26 of the Village of Hampshire, in the territory described in Section 2 hereof, for the following purposes:

   Maintenance and repair of the stormwater management areas for detention or retention of stormwater, and related appurtenances, identified on the approved Final Plan for Subdivision of the Subject Property in the Village.

2. Hampshire Special Service Area #26 shall consist of the following territory in the Village, legally described as follows:

   See Legal Description of the Subject Property,
3. At the Public Hearing, there will be considered a special tax at a maximum rate equal to $1.50 per $100.00 of equalized assessed valuation of all property located within the proposed Special Service Area, to be levied for the estimated costs of such maintenance and repair by ordinance duly enacted by the Corporate Authorities of the Village in accordance with the conditions expressed in this Ordinance.

4. Notice of the Public Hearing shall be published at least once, and not less than fifteen (15) days prior to the date described in Paragraph 1 above for the public hearing, in one or more newspapers in general circulation in the Village.

5. In addition, notice by mailing shall be given by depositing said Notice in the U.S. mails addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the proposed Special Service Area. Said Notice shall be mailed not less than ten (10) days prior to the time set for the Public Hearing. In the event said taxes were not paid for the last preceding year before the date of such notice, the Notice shall be sent to the person(s) last listed before such year, on the Kane County tax rolls, as the owner(s) of the property.

6. The Village shall hereafter produce and file, in a timely manner, such forms, statements, proceedings, and supporting documents as may be required in order to establish the Area and to levy all taxes as may be needed from time to time for the stated purposes.

7. The Recitals set forth above are hereby incorporated herein and made a part of this Ordinance.

8. All ordinances, resolutions, motions and orders, and parts thereof, in conflict with this Ordinance shall be and are, to the extent of any such conflict, hereby superseded and waived.

9. If any section, subdivision, sentence or phrase of this Ordinance is for any reason held to be void, invalid, or unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance.

10. This Ordinance shall be in full force and effect from and after its passage and approval as provided by law.

FOR: May 3, 2018 Village Board Meeting
RE: Credit Card

Background. The Village secured a VISA CommUNITY credit card through First American Bank in 2014. The card, designed for non-profit and governmental entities, was obtained and approved to facilitate the transactional fees associated with selling surplus police vehicles on eBay and has subsequently been used for limited other authorized purposes. This credit card has a $2,500.00 credit limit.

Analysis. At the March 15, 2018 meeting, the Village Board authorized the expanded use of the credit card for official Village business purchases by the following authorized individuals: Village Clerk, Chief of Police, Street Supervisor and Supervisor of Utilities.

Recommendation. Staff requests Board approval of the attached resolution and integrated Credit Card Use Policy to enable Village staff use the credit card for official Village business purchases.
RESOLUTION ADOPTING A CREDIT CARD USE POLICY
FOR THE VILLAGE OF HAMPShIRE

WHEREAS, the Village has previously authorized the use of a credit card for the purpose of facilitating the sale of surplus police vehicles; and

WHEREAS, the Village desires to use the credit card for authorized purchases for official Village business; and

WHEREAS, it is deemed appropriate and in the best interests of the Village to adopt a policy in line with purposes established for credit card use at this time, as is set forth in the Credit Card Use Policy, attached hereto and made a part hereof by reference as Exhibit A.

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Hampshire, Kane County, Illinois, as follows:

SECTION ONE: The recitals set forth above are incorporated herein and made a part hereof.

SECTION TWO: The Credit Card Use Policy attached hereto and made a part hereof by reference as Exhibit A, is hereby adopted as the Village of Hampshire’s Credit Card Use Policy to be followed by all individuals authorized to use a credit card in the name of the Village of Hampshire.

SECTION THREE: This Policy will become effective upon its passage and approval as provided by law.

Village Clerk
Village of Hampshire Credit Card Use Policy

The Village of Hampshire has obtained credit cards for use by certain Village employees. These cards were obtained to provide a funding source for employees that need a credit card to make authorized purchases for official Village business.

The Village has entered into an agreement that provides authorized employees with a First American Bank CommUNITY Business Credit Card to purchase selected materials and services within authorized spending limits (including shipping and handling).

This policy and the policies in the First American Bank CommUNITY Business Cardmember Agreement must be followed by cardholders when conducting Village business and utilizing the Village credit card. Policy violations will result in revocation of cardholder privileges and possible disciplinary action, up to and including termination. Village credit cards are issued at the discretion of the Village to qualified employees.

Ownership and Cancellation of the First American Bank COMMUNITY Business Card

The First American Bank CommUNITY Business Card remains the property of the issuer and may not be transferred to, assigned to, or used by anyone other than the designated cardholder. The issuer or the Village of Hampshire may suspend or cancel cardholder privileges at any time for any reason. The cardholder will surrender the card upon request to the Village of Hampshire or any authorized agent of the issuer. Use of the First American Bank CommUNITY Business Card or account after notice of its cancellation may be fraudulent and may cause the Village to take legal action.

Credit Card Abuse

Abuse of the First American Bank CommUNITY Business Card will result in revocation of the card and appropriate disciplinary action, which may include termination. Policy violations include, but are not limited to:

- Purchasing items for personal use
- Exceeding bank credit line limit
• Utilizing the First American Bank CommUNITY Business Card for purchases in violation of purchasing authorization limits
• Using First American Bank CommUNITY Business Card for unauthorized purposes
• Failure to return the First American Bank CommUNITY Business Card when reassigned, terminated, or upon request
• Failure to submit proper documentation to the Finance Department in a timely fashion

Receipts

It is the cardholder’s responsibility to obtain transaction receipts from the merchant or supplier each time the card is used. The Village has a tax exempt status and, as a result, is exempt from most sales tax depending upon the type of purchase and location of the supplier. If paperwork is needed to claim the tax exemption, contact the Finance Department. Each month, the cardholder will receive an activity statement from the bank. Individual transaction receipts are forwarded to the Finance Department.

Payment of Bills

The Finance Department will receive all credit cards statements on a monthly basis. Charges appearing on the statement will be checked against receipts submitted by individuals using the card during the billing period. If unapproved or other improper charges are identified on the bill, a statement indicating these charges and the amounts will be prepared and forwarded to the individual. Payments of the amounts indicated must be made within 10 days. As a condition of receiving a credit card, the individual agrees to reimburse Hampshire for all unapproved, commingled or other improper charges as determined above. Failure to reimburse the Village may subject the individual to additional charges for interest expense incurred by the Village. In addition, the Village reserves the right to use all legal means available to collect amounts due the Village pursuant to this policy. Individuals failing to make this reimbursement will be reported for disciplinary action pursuant to the Village’s personnel policies. Individuals who fail to properly reimburse the Village as indicated above will no longer be allowed to use a Village credit card. Any employee who uses a Village credit card for any improper, unauthorized or fraudulent purpose, or any purpose whatsoever which is inconsistent with the terms of this policy, shall be responsible for reimbursing the Village for any expenses incurred by the Village, including but not limited to attorney’s fees and court
costs, in association with such improper use, in addition to any other disciplinary actions which may be taken by the Village.

Disputed Items

It is the cardholder's responsibility to follow-up on any erroneous charges, returns, or adjustments and to ensure proper credit is given on subsequent statements. The Cardmember Agreement contains specific guidelines for handling dispute resolutions.

Protecting the First American Bank Business Card

The First American Bank CommUNITY Business Card is valuable property that requires proper treatment by the cardholder to protect it from misuse by unauthorized parties.

Validation/Safekeeping

Sign the First American Bank CommUNITY Business Card immediately upon receipt. When the expiration date has passed and/or after you have received a new First American Bank CommUNITY Business Card, the old First American Bank CommUNITY Business Card should be turned in to the Finance Department for disposal.

Make sure the First American Bank CommUNITY Business Card is returned to you after each charge and verify that the returned card has your name on it.

RE: Public Works Call Out Pay Policy

Background. The Village currently employs a policy that compensates Public Works employees for a minimum of two hours at one and one half times their normal hourly rate when they called to work outside of normal working hours. If the call out or call back to work requires more than two hours of work, the employee is paid for the actual time worked at one and one half times their normal hourly rate. Utility personnel are also compensated for the time they are “on-call” at the present time at a rate of two straight hours per week.

Analysis. At this time, Staff requests a change in the policy to eliminate the on-call compensation and modify the call out/call back to work policy increasing the minimum pay to three hours at one and one half times an individual’s hourly rate. To assist you in evaluating the policy attached you will find a survey undertaken approximately a year ago reflecting other area municipalities’ call out and on call pay. A copy of the re-lined policy that is proposed to be replaced is attached for your review. The FY19 budget that was adopted at the April 19, 2018 meeting includes public works compensation at the proposed policy specifications.

Recommendation. Staff requests approval of the attached resolution and incorporated Public Works Call Out Pay Policy.

Utility Rounds and On-Call Policy for Utility Duties - Call Out Pay Policy

The Village recognizes the importance of supporting critical services outside of normal business hours and this policy will provide a consistent approach to the call-out arrangements of personnel to assure systems and services are supported properly and an effective response is made to address matters requiring attention outside of normal business hours.

This policy applies to hourly employees who are subject to call-out outside of working business hours, on weekends or individual weekdays (Monday through Friday) due to the observance of a Village Board designated holiday. Employees either called to perform duties due to a matter which requires urgent attention before the start of the next working day or assigned utility rounds Utility employees will be required as needed by the Supervisor of Utilities to conduct utility rounds. Utility Rounds will include checks of water and sewer facilities, related responsibilities and other assigned duties. Utility Rounds includes each weekend (Saturday and Sunday) and individual weekdays (Monday through Friday) due to the observance of a Village Board designated holiday. Employees assigned to perform the duties of utility rounds will be paid at one and one-half times (1 1/2) their regular hourly rate of pay for minimum of 3 hours for each day of the week, weekend or holiday on which work rounds are performed. Should the actual time worked on any utility round day exceed 3 hours, the employee will be paid at one and one-half times (1 1/2) times their regularly hourly rate of pay for the actual time worked.

"On-call" shall refer to periods of time during which a utility employee shall remain available to respond to any non-scheduled water and/or sewer calls outside of normal business hours. Generally, utility employees will be assigned to on call duties for a week at a time, and the on call employee shall remain situated within sixty (60) minutes of the Village and have their Village cell phone with them. The on call employee can claim two (2) hours at the employee's regular hourly rate of pay if no calls are received during an assigned on call week or if a return to work is required the employee will be paid at one and one-half (1 1/2) times their hourly rate of pay for a minimum of two (2) hours or the actual time worked, whichever is greater.

If an employee is assigned and unable to cover their scheduled On-Call or Utility Rounds, it is their responsibility to find a replacement and notify the Supervisor of Utilities of any changes made to the schedule.
A RESOLUTION
ESTABLISHING A POLICY FOR PUBLIC WORKS
CALL OUT PAY POLICY
FOR THE
VILLAGE OF HAMPSHIRE

WHEREAS, personnel policies and procedures may be adopted and amended at the
discretion of the Village of Hampshire Board of Trustees and are subject and subordinate to
applicable federal and state laws, rules, and regulations and local ordinances; and

WHEREAS, the Village of Hampshire, the Village Trustees and the Village staff wish to
establish a policy to provide guidelines intended to create and maintain understanding and
cooperation among the employees of the Village as it relates to Public Works Call Out Pay and
superseding the Utility Rounds and On-Call Policy; and,

WHEREAS, the adoption of a Public Works Call Out Pay Policy will provide for the fair
and consistent administration of Public Works Call Out Pay.

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF
THE VILLAGE OF HAMPSHIRE, KANE COUNTY, ILLINOIS, AS FOLLOWS:

Section one. The Village of Hampshire does hereby adopt the Village of Hampshire
Public Works Call Out Pay Policy, a copy of which is attached hereto and made a part
hereof as Exhibit “A” effective May 1, 2018.

Section two. Any prior policies and procedures related to Public Works Call Out Pay
and Utility Rounds and On-Call periods are hereby repealed.

Section three. This resolution shall take full force and effect upon its passage and
approval as provided by law.

Call Out Pay Policy

The Village recognizes the importance of supporting critical services outside of normal business hours and this policy will provide a consistent approach to the call-out arrangements of personnel to assure systems and services are supported properly and an effective response is made to address matters requiring attention outside of normal business hours.

This policy applies to hourly employees who are subject to call-out outside of working business hours, on weekends or individual weekdays (Monday through Friday) due to the observance of a Village Board designated holiday. Employees either called to perform duties due to a matter which requires urgent attention before the start of the next working day or assigned utility rounds will be paid at one and one-half times (1½) their regular hourly rate of pay for minimum of 3 hours for each day of the week, weekend or holiday on which work is performed. Should the actual time worked on any day exceed 3 hours, the employee will be paid at one and one-half times (1½) times their regularly hourly rate of pay for the actual time worked.

If an employee is assigned and unable to cover their scheduled Utility Rounds, it is their responsibility to find a replacement and notify the Supervisor of Utilities of any changes made to the schedule.
AGENDA SUPPLEMENT

TO: President Magnussen and Village Board
FROM: Lori Lyons, Finance Director
FOR: May 3, 2018 Village Board Meeting
RE: Cleaning of the Elevated Water Storage Tank at Tuscany Woods

Background. The FY19 water utility budget included funds to wash the elevated water storage tank at Tuscany Woods. This tank was constructed in 2010 and has not been cleaned to date.

Analysis. Condensation, water temperature, water usage and the condition of the paint are a few of the factors that contribute to the growth of mildew and the look of a dirty tank. In June 2016, National Wash Authority cleaned the 2,000,000 gallon watersperoid at Tamm’s Farm with huge success. They use gentle washing techniques so the coating system is not damaged, and follow the cleaning with the application of an anti-mildew inhibitor to slow down the return of mildew staining.

Recommendation. Staff requests authorization accept National Wash Authorities proposal to wash the Tuscany Woods EWST at a cost of $5,795.00. The timing of this is not certain and heavily dependent on weather conditions but expected to be done with a month give or take.

PROPOSAL # 1306
DATE 02/15/2018
EXPIRATION DATE 12/31/2018

Please detach top portion and return with your payment.

National Wash Authority, LLC (dba Midwest Mobile Washers) along with twenty-seven years of water storage tank cleaning experience, proposes the following for Village of Hampshire. National Wash Authority/Midwest Mobile Washers is a Minority-Female owned business.

National Wash Authority has successfully and safely cleaned over 1,400 plus water storage tanks in several States without any incidents and never has had any time loss of work, due to an Injury! We are a safe and compliant workplace of 27 years.

LOCATION OF JOB SITE: 45W314 ILLINOIS RT 72, HAMPShIRE, IL

SERVICES TO BE RENDERED ON JOB SITE:
We will render the proper and standard cleaning procedures to the industry (AWWA-SSPC-NACE) to clean and remove mildew/algae growth on the exterior sides of a water storage tank(s).

TANK DESCRIPTION: 1,000,000 GALLONS WATERSPHEROID @ 139' TO TOP. IF TOWER IS HIGHER THAN 160', AN EXTRA CHARGE WILL BE APPLIED TO ACCOMODATE ACCESS TO TANK.

DESCRIPTION OF SERVICES:
Pre-soak system of a soapy bleach applied at low psi application or thru pressure washing equipment utilizing chemical injectors to apply the product. Once the root of the mildew/algae has been killed we will then use a "Soft Wash rinse application" to flush off debris. (With lower psi)

It's very important that when high psi is used it can cause damage and/or leave a wand pattern shadow look on the tanks surface, once cleaned. This is old school practice and not the best method on older paint systems.

We use a 100% frictionless procedure to access your tank. No cable hanging/No wheel baskets/No hanging apparatus will be used to clean your tanks surface. Our company will utilize an aerial manlift to access the tanks surface working directly next to the tank with no attachments 100% frictionless cleaning applications. Proper pressure wash nozzles, equipment and techniques are required to wash a water tower's surface. Water tank coatings may have thin paint, cracked paint, bubbled paint, chipped paint, oxidized paint and peeling paint which all play a vital role of how a tanks surface needs to be cleaned.

With our pre-soak system treatment and flush type system (large nozzle sizes) we call "Soft Wash Method" of using less than 800 psi to clean a tank. No high pressure cleaning or blasting is required to clean your tanks surface.

Once your tank is cleaned, we apply an anti-mildew inhibitor to slow down the return of mildew staining. This is just an aid it will not prevent mildew from not growing. Condensation of a tank, water temperature in the tank, condition of paint on a tank, environment of setting of a tank, water usage of the tank, atmosphere dust, blowing debris onto a tank and Seasonal changes by Mother Nature all determine on the re-growth of mildew on a tanks coating system.
We pride ourselves over any Competition by being a Safety & Compliant Company.

* Employees are Certified on lift equipment. (Have operator cards)
* Prevailing wages scales are met. Where applicable.
* Background checks done on ALL employees.
* We are an Accident Free Work Place!
* Twenty-seven years of NO lost time of work DUE TO AN INJURY!
* 100% TOTALLY FRICITIONLESS CLEANING TREATMENT of a tanks surface.

All cleaning agents used are biodegradable and are environmentally friendly.

All safety equipment will be used by OSHA requirements (Miller safety harness*).

All equipment, safety devices, crane and aerial machinery are included in this bid.

Enclosed is a copy of our General Liability insurance coverage. Our employees' are fully covered under our

Workman's Compensation insurance.

This proposal terminates if not accepted by December 31, 2018.

We are the Original Founders of adding an anti-mildew inhibitors to the tanks surface. Most recent, after two years of research we are the Proud Founders of the "Soft Wash Cleaning Treatment" to water tanks as well! Our Company is the only one whom renders a Soft Wash Cleaning Treatment in our Industry!

OPTIONAL SERVICE
Offering spot painting/touch up painting service.
We will bid by Specifications
Tool grind, sanding, spot priming and apply top coat painting to be offered as same day as cleaning is completed if weather and the tank are acceptable to apply limited paints in that time frame.

Minimal charge utilizing up to two gallons of paint and/or primer and paint, will be an additional $3,200.00

All aerial equipment, prevailing wages, paint/primer expenses and material required are all included in this price.

If a second day of service is needed for painting an additional $2,000.00 for aerial machinery and minimum charge of $1,650.00 per gallon of paint used. (Any extra paints the customer keeps.)

OPTIONAL SERVICES
Rust stain removal/rust streak removal
Contact us for Proposal for removing rust stains/streaks or Iron stains on a tanks painted surface.

CONFIDENTIALITY: This Proposal/Quotation and any files transmitted with it may contain information proprietary to National Wash Authority, LLC/Midwest Mobile Washers, and are intended solely for the use of the individual or entity to whom they are addressed, shall be maintained in confidence and not disclosed to third parties without the written consent of National Wash Authority, LLC/Midwest Mobile Washers. All information on this Proposal/Quotation is not to be copied, reprinted or used as specifications for any other RFP’s. Procedures, methods and products are not to be copied, shown or reprinted to any third party.

TOTAL $5,795.00

FOR: May 3, 2018 Village Board Meeting
RE: Purchase Squad Cars

Background. The FY19 operating budget included provision to acquire two new Ford Explorer Police Interceptor Utility vehicles for the Police Department. The purchase, less tow fund expenditures described below, will be financed when the vehicles are delivered. Estimated time of arrival is 90 days after order.

Analysis. Staff is requesting authorization to order the new squad cars from Veto Enterprises, Inc., Sycamore, IL. Upon purchase, these vehicles will be equipped with new radar and camera systems and other necessary equipment. The camera systems ($7,000 each) will be purchased using tow fund monies. To the extent possible, equipment from the current squads will be moved to the new vehicles.

Recommendation. Staff requests authorization to purchase two 2018 Ford Explorer Police Interceptor AWD vehicles in the amount of $55,400 ($27,700 per unit) plus expend approximately $35,400 additional for equipment, installation and striping (cost depended on equipment exchanged or purchased and final pricing). The financing of the vehicles will be finalized upon estimation of the delivery date.
Background. The Village must enter into an intergovernmental agreement with the State of Illinois in order to secure Surface Transportation Project Funds for resurfacing 1.17 miles of Brier Hill Road from Big Timber Road to the northern Village limits on the northside of the I-90 overpass.

Analysis. The Village is committing $160,534 from the Transportation Fund to front all of the construction engineering costs and the Village’s 25% of construction costs. Upon completion of the project, the Village will be reimbursed by the state for their portion of the construction engineering expenses less the Village’s cost of construction that will be paid by the State.

Recommendation. Staff recommends adoption of the attached resolution and attached agreements so this project can move forward with letting on June 15.
RESOLUTION 18 -

APPROVING AN INTERGOVERNMENTAL AGREEMENT
WITH THE STATE OF ILLINOIS AND THE VILLAGE OF HAMPShIRE FOR THE
APPROPRIATION FUNDS FOR
THE BRIER HILL ROAD RESURFACING PROJECT

WHEREAS, the Village of Hampshire is desirous of milling and resurfacing of 1.17 miles Brier Hill Road from Big Timber Road to the North Village limits; and

WHEREAS, the project has been approved by the Illinois Department of Transportation and Surface Transportation Project (STP) Funds have been committed to the Village of Hampshire through the Kane Kendall Council of Mayors for 75% of said construction costs and construction engineering costs; and

WHEREAS, in order to obtain federal and state funding of local highway improvements, the Village of Hampshire is required, under Illinois Department of Transportation policies, to enter into an agreement for the funding of said local improvements; and

WHEREAS, the attached intergovernmental agreement between the State of Illinois and the Village of Hampshire defines the Local Agency participation in the improvement and the estimated local share of the cost of the improvement, said agreement attached hereto and hereby made a part hereof.

NOW THEREFORE BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF HAMPShIRE, KANE COUNTY, ILLINOIS, as follows:

1. The attached intergovernmental agreement is hereby approved and there is hereby appropriated the sum of one hundred sixty thousand five hundred thirty-four dollars ($160,534) from the Village Transportation Fund, of which forty thousand seven hundred eighty-one dollars ($40,781) will be reimbursed to the Village by the State of Illinois, and

2. This project is hereby designated as Section 17-00019-00-RS and Job Number C-91-081-18.

3. The Village President is hereby authorized to execute said agreement.

4. This resolution shall take full force and effect upon its passage and approval as provided by law.

_____________________________________________________
Linda Vasquez
Village Clerk
THIS AGREEMENT is made and entered into this day of May 2018 between the above Local Public Agency (LPA) and Consultant (ENGINEER) and covers certain professional engineering services in connection with the PROJECT described herein. Federal-aid funds allotted to the LPA by the state of Illinois under the general supervision of the Illinois Department of Transportation (STATE) will be used entirely or in part to finance engineering services as described under AGREEMENT PROVISIONS.

WHEREVER IN THIS AGREEMENT or attached exhibits the following terms are used, they shall be interpreted to mean:

- **Regional Engineer**: Deputy Director Division of Highways, Regional Engineer, Department of Transportation
- **Resident Construction Supervisor**: Authorized representative of the LPA in immediate charge of the engineering details of the PROJECT
- **In Responsible Charge**: A full-time LPA employee authorized to administer inherently governmental PROJECT activities
- **Contractor**: Company or Companies to which the construction contract was awarded

### Project Description

- **Name**: Brier Hill Rd.
- **Route**: FAU 2319
- **Length**: 1.17 Mi.
- **Structure No.**: N/A
- **Termini**: Big Timber Rd. to North Village Limits
- **Description**: Resurfacing on Brier Hill Road from Big Timber Road to the North Village Limits in Hampshire

### Agreement Provisions

#### I. THE ENGINEER AGREES,

1. To perform or be responsible for the performance of the engineering services for the LPA, in connection with the PROJECT hereinbefore described and checked below:
   - a. Proportion concrete according to applicable STATE Bureau of Materials and Physical Research (BMPR) Quality Control/Quality Assurance (QC/QA) training documents or contract requirements and obtain samples and perform testing as noted below.
   - b. Proportion hot mix asphalt according to applicable STATE BMPR QC/QA training documents and obtain samples and perform testing as noted below.
   - c. For soils, to obtain samples and perform testing as noted below.
   - d. For aggregates, to obtain samples and perform testing as noted below.

   **NOTE**: For 1a through 1d, the ENGINEER is to obtain samples for testing according to the STATE BMPR "Project Procedures Guide", or as indicated in the specifications, or as attached herein by the LPA; test according to the STATE BMPR "Manual of Test Procedures for Materials", submit STATE BMPR inspection reports; and verify compliance with contract specifications.
10. The undersigned certifies neither the ENGINEER nor I have:

a) employed or retained for commission, percentage, brokerage, contingent fee or other considerations, any firm or person (other than a bona fide employee working solely for me or the above ENGINEER) to solicit or secure this AGREEMENT;

b) agreed, as an express or implied condition for obtaining this AGREEMENT, to employ or retain the services of any firm or person in connection with carrying out the AGREEMENT or
c) paid, or agreed to pay any firm, organization or person (other than a bona fide employee working solely for me or the above ENGINEER) any fee, contribution, donation or consideration of any kind for, or in connection with, procuring or carrying out the AGREEMENT.

d) are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency;

e) have not within a three-year period preceding the AGREEMENT been convicted of or had a civil judgment rendered against them for commission of fraud or criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property;

f) are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (e) of this certification; and

g) have not within a three-year period preceding this AGREEMENT been convicted of a civil judgment rendered against them for commission of fraud or criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.

11. To pay its subconsultants for satisfactory performance no later than 30 days from receipt of each payment from the LPA.

12. To submit all invoices to the LPA within one year of the completion of the work called for in this AGREEMENT or any subsequent Amendment or Supplement.

13. To submit BLR 05613, Engineering Payment Report, to the STATE upon completion of the work called for in the AGREEMENT.

14. To be prequalified with the STATE in Construction Inspection when the ENGINEER or the ENGINEER's assigned staff is named as resident construction supervisor. The onsite resident construction supervisor shall have a valid Documentation of Contract Quantities certification.

15. Will provide, as required, project inspectors that have a valid Documentation of Contract Quantities certification.

II. THE LPA AGREES,

1. To furnish a full time LPA employee to be In Responsible Charge authorized to administer inherently governmental PROJECT activities.

2. To furnish the necessary plans and specifications.

3. To notify the ENGINEER at least 24 hours in advance of the need for personnel or services.

4. To pay the ENGINEER as compensation for all services rendered in accordance with this AGREEMENT, on the basis of the following compensation formulas:

Cost Plus Fixed Fee Formulas

- FF = 14.5%[(DL + R(DL) + OH(DL) + IHDC), or
- FF = 14.5%[(2.3 + R)OL + IHOC]

Where:
- DL = Direct Labor
- IHOC = In House Direct Costs
- OH = Consultant Firm's Actual Overhead Factor
- R = Complexity Factor
- FF = Fixed Fee
- SBO = Services by Others

Total Compensation = DL + IHDC + OH + FF + SBO

Specific Rate
- (Pay per element)

Lump Sum
- 

5. To pay the ENGINEER using one of the following methods as required by 49 CFR part 26 and 605 ILCS 5/6-409:
With Retainage

a) For the first 50% of completed work, and upon receipt of monthly invoices from the ENGINEER and the approval thereof by the LPA, monthly payments for the work performed shall be due and payable to the ENGINEER, such payments to be equal to 90% of the value of the partially completed work minus all previous partial payments made to the ENGINEER.

b) After 50% of the work is completed, and upon receipt of monthly invoices from the ENGINEER and the approval thereof by the LPA, monthly payments covering work performed shall be due and payable to the ENGINEER, such payments to be equal to 95% of the value of the partially completed work minus all previous partial payments made to the ENGINEER.

c) Final Payment – Upon approval of the work by the LPA but not later than 60 days after the work is completed and reports have been made and accepted by the LPA and the STATE, a sum of money equal to the basic fee as determined in this AGREEMENT less the total of the amounts of partial payments previously paid to the ENGINEER shall be due and payable to the ENGINEER.

Without Retainage

a) For progressive payments – Upon receipt of monthly invoices from the ENGINEER and the approval thereof by the LPA, monthly payments for the work performed shall be due and payable to the ENGINEER, such payments to be equal to the value of the partially completed work minus all previous partial payments made to the ENGINEER.

b) Final Payment – Upon approval of the work by the LPA but not later than 60 days after the work is completed and reports have been made and accepted by the LPA and STATE, a sum of money equal to the basic fee as determined in this AGREEMENT less the total of the amounts of partial payments previously paid to the ENGINEER shall be due and payable to the ENGINEER.

6. The recipient shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The recipient shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts. The recipient’s DBE program, as required by 49 CFR part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the Department may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

7. To submit approved form BC 775 (Exhibit C) and BC 776 (Exhibit D) with this AGREEMENT.

8. To certify by execution of this AGREEMENT that the selection of the ENGINEER was performed in accordance with the Local Government Professional Services Selection Act 50 ILCS 510, the Brooks Act 40 USC 11, and Procurement, Management, and Administration of Engineering and Design related Services (23 CFR part 172). Exhibit C is required to be completed with this agreement.

III. It is Mutually Agreed,

1. That the ENGINEER and the ENGINEER’s subcontractors will maintain all books, documents, papers, accounting records and other evidence pertaining to cost incurred and to make such materials available at their respective offices at all reasonable times during the AGREEMENT period and for three years from the date of final payment under this AGREEMENT, for inspection by the STATE, Federal Highway Administration or any authorized representatives of the federal government and copies thereof shall be furnished if requested.

2. That all services are to be furnished as required by construction progress and as determined by the LPA employee In Responsible Charge. The ENGINEER shall complete all services specified herein within a time considered reasonable to the LPA, after the CONTRACTOR has completed the construction contract.

3. That all field notes, test records and reports shall be turned over to and become the property of the LPA and that during the performance of the engineering services herein provided for, the ENGINEER shall be responsible for any loss or damage to the documents herein enumerated while they are in the ENGINEER’s possession and any such loss or damage shall be restored at the ENGINEER’s expense.

4. That this AGREEMENT may be terminated by the LPA upon written notice to the ENGINEER, at the ENGINEER’s last known address, with the understanding that should the AGREEMENT be terminated by the LPA, the ENGINEER shall be paid for any services completed and any services partially completed. The percentage of the total services which have been rendered by the ENGINEER shall be mutually agreed by the parties hereto. The fixed fee stipulated in numbered paragraph 4d of Section II shall be multiplied by this percentage and added to the ENGINEER’s actual costs to obtain the earned value of work performed. All field notes, test records and reports completed or partially completed at the time of termination shall become the property of, and be delivered to, the LPA.

5. That any differences between the ENGINEER and the LPA concerning the interpretation of the provisions of this AGREEMENT shall be referred to a committee of disinterested parties consisting of one member appointed by the ENGINEER, one member appointed by the LPA, and a third member appointed by the two other members for disposition and that the committee’s decision shall be final.
6. That in the event the engineering and inspection services to be furnished and performed by the LPA (including personnel furnished by the ENGINEER) shall, in the opinion of the STATE be incompetent or inadequate, the STATE shall have the right to supplement the engineering and inspection force or to replace the engineers or inspectors employed on such work at the expense of the LPA.

7. That the ENGINEER has not been retained or compensated to provide design and construction review services relating to the contractor's safety precautions, except as provided in numbered paragraph 1 of Section I.

8. This certification is required by the Drug Free Workplace Act (30ILCS 580). The Drug Free Workplace Act requires that no grantee or contractor shall receive a grant or be considered for the purpose of being awarded a contract for the procurement of any property or service from the State unless that grantee or contractor will provide a drug free workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract or grant payments, termination of a contract or grant and debarment of contracting or grant opportunities with the State for at least one (1) year but no more than five (5) years.

For the purpose of this certification, "grantee" or "contractor" means a corporation, partnership or other entity with twenty-five (25) or more employees at the time of issuing the grant, or a department, division or other unit thereof, directly responsible for the specific performance under a contract or grant of $5,000 or more from the State, as defined in the Act.

The contractor/grantee certifies and agrees that it will provide a drug free workplace by:

(a) Publishing a statement:

   (1) Notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, including cannabis, is prohibited in the grantee's or contractor's workplace.

   (2) Specifying the actions that will be taken against employees for violations of such prohibition.

   (3) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:

      (A) abide by the terms of the statement; and

      (B) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

(b) Establishing a drug free awareness program to inform employees about:

   (1) the dangers of drug abuse in the workplace;

   (2) the grantee's or contractor's policy of maintaining a drug free workplace;

   (3) any available drug counseling, rehabilitation and employee assistance program; and

   (4) the penalties that may be imposed upon an employee for drug violations.

(c) Providing a copy of the statement required by subparagraph (a) to each employee engaged in the performance of the contract or grant and to post the statement in a prominent place in the workplace.

(d) Notifying the contracting or granting agency within ten (10) days after receiving notice under part (B) of paragraph (3) of subsection (a) above from an employee or otherwise receiving actual notice of such conviction.

(e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is convicted, as required by section 5 of the Drug Free Workplace Act.

(f) Assisting employees in selecting a course of action in the event drug counseling, treatment and rehabilitation is required and indicating that a trained referral team is in place.

(g) Making a good faith effort to continue to maintain a drug free workplace through implementation of the Drug Free Workplace Act.

9. The ENGINEER or consultant shall not discriminate on the basis of race, color, national origin or sex in the performance of this AGREEMENT. The ENGINEER shall carry out applicable requirements of 49 CFR part 26 in the administration of DOT-assisted contracts. Failure by the ENGINEER to carry out these requirements is a material breach of this AGREEMENT, which may result in the termination this AGREEMENT or such other remedy as the LPA deems appropriate.

10. When the ENGINEER is requested to complete work outside the scope of the original AGREEMENT, a supplemental AGREEMENT will be required. Supplements will also be required for the addition or removal of subconsultants, direct costs, the use of previously unspecified staff, and other material changes to the original AGREEMENT.

Note: The Department of Transportation is requesting disclosure of information that is necessary to accomplish the statutory purpose as outlined under state and federal law. Disclosure of this information is REQUIRED and shall be deemed as concurring with the payment amount specified above.

For information about IDOT's collection and use of confidential information review the department's Identity Protection Policy.
Exhibit C

Federal Qualification Based Selection (QBS) Checklist

Local Public Agency _____
Section Number _____
Project Number _____
Job Number _____

The LPA must complete Exhibit C, if federal funds are used for this engineering agreement and the value will exceed $25,000. The LPA must follow federal small purchase procedures, if federal funds are used and the engineering agreement has a value less than $25,000.

☐ Form Not Applicable (engineering services less than $25,000)

1. Do the written QBS policies and procedures discuss the initial administration (procurement, management, and administration) concerning engineering and design related consultant services? ☐ Yes ☐ No

2. Do the written QBS policies and procedures follow the requirements as outlined in Section 5-5 and specifically Section 5-5.06(e) of the BLRS Manual? ☐ Yes ☐ No

If no, IDOT’s approval date: ________

3. Was the scope of services for this project clearly defined? ☐ Yes ☐ No

4. Was public notice given for this project? ☐ Yes ☐ No

Due date of submittal: ________

Method(s) used for advertisement and dates of advertisement: ________

5. Do the written QBS policies and procedures cover conflicts of interest? ☐ Yes ☐ No

6. Do the written QBS policies and procedures use coverage methods of verification for suspension and debarment? ☐ Yes ☐ No

7. Do the written QBS policies and procedures discuss the method of evaluation? ☐ Yes ☐ No

<table>

</tbody>
</table>

8. Do the written QBS policies and procedures discuss the method of selection? ☐ Yes ☐ No

Selection committee (titles) for this project: ________

Top three consultants selected for this project in order: 1) ________ 2) ________ 3) ________

If less than 3 responses were received, IDOT’s approval date: ________

9. Was an estimated cost of engineering for this project developed in-house prior to contract negotiation? ☐ Yes ☐ No

10. Were negotiations for this project performed in accordance with federal requirements? ☐ Yes ☐ No

11. Were acceptable costs for this project verified? ☐ Yes ☐ No

☐ LPA will rely on IDOT review and approval of costs.

12. Do the written QBS policies and procedures cover review and approving for payment, before forwarding the request for reimbursement to IDOT for further review and approval? ☐ Yes ☐ No

13. Do the written QBS policies and procedures cover ongoing and finalizing administration of the project (monitoring, evaluation, closing-out a contract, record retention, responsibility, remedies to violations or breaches to a contract, and resolution of disputes)? ☐ Yes ☐ No

KANE COUNTY, ILLINOIS
Local Public Agency Resident Construction Supervisor/In Responsible Charge

County: Kane
Municipality: Hampshire
Section: 17-00019-00-RS
Route: FAU 2319
Contract No.: FAU 2319
Job No.: C-91-081-18
Project: Bier Hill Rd Resurfacing

☒ I recommend the following individual as a local public agency employee qualified to be resident construction supervisor and to be in responsible charge of this construction project.
☐ I certify that I am in responsible charge as defined by the department of this construction project. Since the local public agency does not have a local public agency employee qualified to be the resident construction supervisor, I am recommending a consulting engineer to serve as resident construction supervisor.

Date ___________________________ Signature and Title (for the Local Public Agency)

Applicant Name (Type or Print)

The following describes my educational background, experience and other qualifications to be resident construction supervisor of this construction project for the Local Public Agency.

For Consultants: I certify that my firm is prequalified in Construction Inspection and my Documentation of Contract Quantities certificate number is ________.

Date ___________________________ Signature of Applicant ___________________________ Job Title of Applicant ___________________________

Based on the above information and my knowledge of the applicant's experience and training, it is my opinion that the applicant is qualified to serve as the resident construction supervisor on this construction project.

Approved ___________________________ Date ___________________________
Regional Engineer

cc: Engineer of Local Roads and Streets, Central Bureau of Local Roads and Streets
Engineer of Construction, Central Bureau of Construction
Resident Construction Supervisor
Local Public Agency

Printed 5/1/2018 Page 1 of 2
23 CFR 635.105 requires that the state transportation department (STD) has responsibility for the construction of all Federal-aid projects, and is not relieved of such responsibility by authorizing performance of the work by a local public agency or other Federal agency.

When a project is located on a street or highway over which the STD does not have legal jurisdiction, or when special conditions warrant, the STD, while not relieved of overall project responsibility, may arrange for the local public agency having jurisdiction over such street or highway to perform the work with its own forces or by contract. In those instances where a local public agency elects to use consultants for construction engineering services, the local public agency shall provide a full-time employee of the agency to be in responsible charge of the project.

The full-time local public agency employee in responsible charge of the project shall perform the following duties and functions:

- Administer inherently governmental project activities, including those dealing with cost, time, adherence to contract requirements, construction quality and scope of projects;
- Maintain familiarity of day to day project operations, including project safety issues;
- Make or participate in decisions about changed conditions or scope changes that require change orders or supplemental agreements;
- Visit and review the project on a frequency that is commensurate with the magnitude and complexity of the project;
- Review financial processes, transactions and documentation to ensure that safeguards are in place to minimize fraud, waste, and abuse;
- Direct project staff, agency or consultant, to carry out project administration and contract oversight, including proper documentation; and
- Aware of the qualifications, assignments and on-the-job performance of the agency and consultant staff at all stages of the project.

The Department of Transportation, in accordance with the requirements, requires the local public agency to identify the local public agency employee who will be in responsible charge of each Federal-Aid project which will be constructed under the supervision of the county, municipality or other public agency. County Engineers, Municipal Engineers, and full-time local public agency employees registered as a professional engineer should be identified in the pre-construction meeting minutes. All other resident construction supervisors must submit their qualifications on this form for approval by the department. Resident construction supervisors who are consultants shall be certified in Documentation of Contract Quantities and their firm shall be prequalified in Construction Inspection.

This form will be completed by the applicant, endorsed by a representative of the local public agency, and submitted to the Deputy Director Division of Highways, Regional Engineer prior to the start of construction. This signatory for the local public agency should be the County Engineer or Municipal Engineer, as applicable. In the event a municipality does not have a Municipal Engineer, the applicant will be recommended by the appropriate municipal authority.

If a consultant is named on this form, the approved form will be included as an attachment to the appropriate construction engineering consultant agreement.

This document should be discussed as part of the preconstruction conference and a copy of the approved form retained with the preconstruction meeting minutes.
I consider the following individual to be qualified as a local public agency construction inspector. In addition, I certify that adequate instruction has been given this individual concerning the requirements of the contract, specifications and construction manual which pertain to the work which he/she will inspect. This individual has been instructed on the proper procedures for any necessary tests. Furthermore, if a consultant, this individual has a valid Documentation of Contract Quantities certification.

Approved 4/12/16

Matthew Stock
Applicants Name (Type or Print)

The following describes the educational background, experience and other qualifications of the named applicant to serve as an inspector on this project.

For Consultants Employees: Documentation of Contract Quantities certificate number is 15-0202.

Mr. Stock, E.I., has over 5 years of experience in construction engineering. He recently served as an inspector for the federally funded Emerson/Ridge/Green Bay Corridor improvements in Evanston. His previous experience includes numerous construction inspection projects for IDOT, the Illinois Tollway, and several municipal projects.

If the Resident from BC-775 is a consultant, the local public agency employee in responsible charge must also approve this individual.

Approved

Instructions for Preparation of Form BC 776

Printed 1/12/2018 Page 1 of 2 BC 776 (Rev. 06/15/15)
23 CFR 635.105 requires that the state transportation department (STD) has responsibility for the construction of all Federal-aid projects, and is not relieved of such responsibility by authorizing performance of the work by a local public agency or other Federal agency.

A consultant may be utilized for periodic examination and consultation or for full-time technical inspection of construction. However, the prime responsibility for general supervision of the construction must remain with the state. The state (or county or municipality under agreement with the state) cannot be relieved of its responsibility to ensure that the work is performed in accordance with the approved project plans, specifications and estimate.

Therefore, the Department of Transportation requires the local public agency to submit the qualifications of all personnel who will be assigned to construction layout and inspection duties on each Federal-Aid project which will be constructed under the supervision of the county, municipality or other local public agency. This form will be approved by the resident construction supervisor. If the resident construction supervisor is a consultant, this form will also be approved by the local public agency employee in responsible charge.

If a consultant is named on this form, the approved form will be included as an attachment to the construction engineering consultant agreement.

The approved form will be submitted to the Deputy Director Division of Highways, Regional Engineer prior to the start of construction. This form should be discussed as part of the preconstruction conference and a copy of the approved form retained with the preconstruction meeting minutes.
