Re: Village of Hampshire / Fiscal Year 2009
Tax Increment Financing District and
Central Area Redevelopment Project

Dear Ms. Canello:

I serve as attorney for the Village of Hampshire, Kane County, Illinois, and have done so since a time prior to 2007. In 2007, by its Ordinances No. 07-34, 07-35, and 07-36, the Village created a tax increment financing plan, and established the Central Area Redevelopment Project in the Village.

I have reviewed the information to be submitted to your office by the Village pursuant to the Tax Increment Allocation Redevelopment Act, and submit this qualified opinion pursuant to Section 74.4-5((d)(4) of the Act.

It is my opinion that the Village has complied with the requirements of the Act in creating the TIF District, and establishing the Redevelopment Area and Project, including the formation of a Joint Review Board; and except that, the Joint Review Board has not met within 180 after the close of the last fiscal year to review the effectiveness and status of the redevelopment project area up to that date.

I have advised the Village to convene a meeting of the Joint Review Board without delay, in order to review the effectiveness and status of the redevelopment project area for the 2009 fiscal year, and steps have been taken to convene such meeting.

In addition, I have advised the Village to convene a meeting of the Joint Review Board without delay, in order to review the effectiveness and status of the redevelopment project area up to date, and steps have been taken to convene such meeting.

Ms. Canello

A supplemental opinion may be submitted to your office, certifying that such meeting(s) have been held, upon your direction.

Please contact me upon your receipt of this correspondence, should any additional information be required.

Sincerely yours,
