Approval of public works committee meeting June 11, 2018

Discussion: 2 representatives from EI were present to discuss drainage problems around highland ave.

Julie Morrison from EI discussed potential issues and fixes the other rep discussed what needed to be done in field and potential modeling before reasonable fixes can be talked about. President Magnusson asked how much work in the field needs to be done and length of time and cost for modeling.

EI gave a good in depth synopsis of work to be completed for modeling, it was the consensus of the committee and president Magnusson to complete field work so potential findings could be talked about at next village board meeting. All questions were answered by EI from the committee

With all business discussed a motion to adjourn was made by Erik Robinson 2nd by Mike Reid M/C Mike Reid 2nd Eric Robinson M/C

Respectfully submitted
