AGENDA SUPPLEMENT

TO: President Magnussen and Village Board

FROM: Lori Lyons, Finance Director

FOR: March 21, 2019 Village Board Meeting

RE: Renewal of Employee Medical Insurance Program with Blue Cross/Blue Shield of Illinois, Employee Dental Insurance Program with MetLife and Employee Vision Insurance Program with Vision Service Plan

Background. The medical, dental and vision insurance plans for Village employees expire on April 30, 2018. Staff has been working with Lundstrom Insurance, the Village's broker for the many years, and secured renewal quotes for the current HMO and PPO policies. This year the overall quote shows a decline in insurance rates of approximately .69% (this assumes the same census covered employees as of this time).

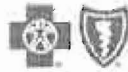

Analysis. Many years the same HMO and PPO plans are not available but that is not the case this year with both being offered. The PPO plan does have a change in that the Out of Pocket individual maximums go from \$2,500 for an individual and \$7,500 for a family to unlimited. Looking at individually the premiums for the PPO increase by 1.06% and the HMO decrease by 3.94%. Currently there are 12 employees covered by the PPO Plan and 10 employees covered by the HMO Plan. The Village has a Blue Cross Blue Shield Affordable Care Act Plans small group plan with age based premiums.

The Village has been with MetLife for dental since 2014. Traditionally the rate increases have averaged approximately 3.755% with the increase in 2018 at 4%. Metlife issued the dental renewal this year with no change in rates for the FY20 plan year! There are currently 21 employees enrolled in the dental plan.

The vision plan is coming off a 2-year rate guarantee that started in 2017. The 2019 renewal was issued citing a 4% increase along with another 2 year rate guarantee. There are 22 employees currently in the vision plan.

The Village should be ecstatic with the renewals.

Recommendation. Staff requests authorization to renew the medical and dental insurance plan for the 2020 fiscal year based on the renewal premiums shown in Tables attached.

RELEASE AND SETTLEMENT AGREEMENT

Plaintiff, Scott Johansen, by his attorney, Christopher W. Gaul, and Defendants, Officer Haydysch, Officer Neblock, Sgt. Ferguson, and the Village of Hampshire, by their attorney, Brian P. Gainer, of Johnson & Bell, Ltd., herein stipulate and agree to the following:

1. This action has been asserted by Plaintiffs, Scott Johansen and Hytel Group, for physical injuries against Defendants, Officer Haydysch, Officer Neblock, Sgt. Ferguson, and the Village of Hampshire. Plaintiff HYTEL GROUP has voluntarily dismissed itself as a Party-Plaintiff. Plaintiff Johansen was the President and sole shareholder of HYTEL GROUP, Inc., ("HYTEL") which corporation is dissolved as of January 10, 2014, but which joins in this settlement agreement under the survival provisions of the Business Corporation Act of 1983, 805 ILCS 5/12.80. Plaintiff JOHANSEN and HYTEL make certain allegations in his complaint, and their claims (the "Claims") are more fully described in the pleadings and other documents currently on file in 14 cv 4994, *Scott Johansen and Hytel Group v. Village of Hampshire, et al.*, currently pending in the United States District Court for the Northern District of Illinois before Judge Joan H. Lefkow (the "Litigation"). The Plaintiffs and the

Defendants described in this Paragraph are sometimes referred to herein collectively as the "Parties," and each, as a "Party."

2. Defendants, Officer Haydysch, Officer Neblock, Sgt. Ferguson, and the Village of Hampshire, by their answer to the complaint, deny each and every allegation of wrongdoing as stated in Plaintiffs' complaint, and, further, deny liability. Nothing in this Release and Settlement Agreement (the "Agreement") shall be construed as an admission by any Party of the invalidity of the Claims, or of any liability of any kind to any other Party.

3. The Parties desire to settle and compromise the Claims and all disputes identified by the Litigation, and any and all claims and defenses which they have asserted or which could be asserted against one another in the Litigation and/or relating to the Village, the Village Police Department, Officer Haydysch, Officer Neblock, Sergeant Ferguson, relating in any way to Johansen and/or Hytel Group, Inc., or either of them, and/or the property at 290 Industrial Drive in the Village of Hampshire, Illinois.

4. The Parties and their respective attorneys acknowledge that settlement of this claim is not an admission of liability, or of unconstitutional or illegal conduct by or on the part of any defendant and/or the Village of Hampshire's future, current or former officers, agents, employees, representatives or attorneys, and shall not serve as evidence of any wrongdoing by or on the part of any defendant and/or the Village of Hampshire's future, current or former officers, agents, employees, representatives or attorneys. The Parties and their respective attorneys further acknowledge that settlement is made to avoid the uncertainty of the outcome of litigation and the expense in time and money of further litigation and for the purpose of judicial economy.

5. In consideration of the hereinafter indicated settlement entered pursuant to this Release and Settlement Agreement, and upon advice of counsel, Plaintiff, Scott Johansen, for himself, and Hytel Group, for itself, respectively, each agree to release and forever discharge all of their current, future, and potential federal and state law claims that have arisen, could have arisen, or will later arise, from the

incidents referred to and described in the Plaintiffs' Complaint in the pending litigation identified above, which have been or could have been raised in said litigation, and any claims, demands, debts, liabilities, damages, actions or causes of action, legal, equitable, common law, statutory or otherwise, in any way related to or arising out of any acts or omissions by, or authorized by, the Village of Hampshire, its officers, employees, agents, representatives, and attorneys, or any of them, including but not limited to the Village, the Village Police Department, Officer Haydysch, Officer Neblock, Sgt. Ferguson, relating in any way to Johansen and/or Hytel Group, Inc. or either of them, and/or the property at 290 Industrial Drive in the Village of Hampshire, with each Party bearing its own costs and attorneys' fees. Plaintiffs also agree to enter a final order in the litigation dismissing with prejudice all of their claims, known or unknown, against the Village of Hampshire, Officer Haydysch, Officer Neblock, and Sgt. Ferguson, with each Party bearing its own costs and attorneys' fees.

6. In exchange for a full and final release of any and all claims against the Defendants, Plaintiff Scott Johansen and Hytel Group accept a settlement from Defendants in the total amount of SEVENTY FIVE THOUSAND AND 00/100 DOLLARS (\$75,000.00), with each Party bearing its own costs and attorneys' fees. In addition to such payment, the Village of Hampshire agrees to relinquish the judgment it has against HYTEL and JOHANSEN, as recorded in the Circuit Court of Kane County, Illinois under case number 11 L 559. A separate release and satisfaction of judgment will be executed by the Village and delivered to JOHANSEN and HYTEL in the form of the attached Exhibit "A," and is hereby incorporated into this agreement by reference. This release and satisfaction shall resolve the judgement amount of \$194,854.74, entered 8/13/2012, the judgment amount of \$7,310.80 entered August 23, 2012, and all statutory interest accumulated from the dates of entry, which totals \$103,037.96. The total amount of the judgments being resolved is \$305,203.50. The settlement draft will be made payable to SCOTT JOHANSEN, individually, in his dual capacity and as sole shareholder of HYTEL, the dissolved corporation.

7. The Village agrees to pay the total settlement amount, as specified in paragraph 6 herein, within thirty (30) days of a fully executed settlement agreement and a fully executed satisfaction of judgment. The settlement draft will be made payable in the manner described in paragraph 6 above. Plaintiff JOHANSEN and HYTEL warrant that the attorneys' lien previously held by Scott Kamin and adjudicated by this Court has been fully paid and satisfied. Plaintiff JOHANSEN and HYTEL warrant that they are not aware of any other liens, held by any other party, that in any way impact of effect this settlement.

8. In consideration of this settlement entered pursuant to this Release and Settlement Agreement, and upon advice of counsel, Plaintiff JOHANSEN, and HYTEL, and each of them, agree to indemnify and hold harmless the Village of Hampshire, and its future, current, or former officers, and/or agents, including the Illinois Municipal League Risk Management Association and Canon Cochran Management Services, Inc., and employees including, but not limited to, the individual Defendants, Officer Haydysch, Officer Neblock, Sgt. Ferguson, from any claims from any claims, losses, damages or expenses, including attorneys' fees and costs, incurred, or which may be incurred, by reason of any lien or any other claim or interest held by any person, entity or corporation against any moneys received or to be received by Plaintiffs under this settlement entered pursuant to this Release and Settlement Agreement.

9. Plaintiff JOHANSEN, upon advice of counsel, and HYTEL, and each of them, understand and agree that in consideration of the settlement entered pursuant to this Release and Settlement Agreement, they do hereby release and forever discharge on behalf of themselves and their heirs, executors, administrators and assigns, all claims they had or have against the individual Defendants, Officer Haydysch, Officer Neblock, Sgt. Ferguson, and the Village of Hampshire, and its future, current or former officers, agents, employees, representatives and attorneys, including but not limited to all claims they had or have, or may have in the future, under local, state, or federal law, arising directly or indirectly out of the incident which was the basis of this litigation, and any and all other claims as stated

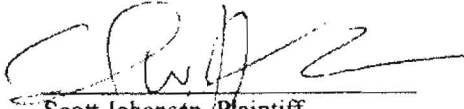

in paragraph 5 above, and that such release and discharge are also applicable to any and all unnamed and/or unserved Village officers, employees, agents, or other contractors of any kind.

10. This Release and Settlement Agreement, together with any documents that may be executed under paragraph 13 herein, constitutes the entire agreement between and among the Parties with regard to the settlement of this action, and shall be binding upon and inure to the benefit of the Parties hereto, jointly and severally, and the heirs, executors, administrators, personal representatives, successors, and assigns of each.

11. This Release and Settlement Agreement is entered into in the State of Illinois and shall be construed and interpreted in accordance with its laws. Terms contained herein shall not be construed against a Party merely because that party is or was the principal drafter.

12. In entering into this Release and Settlement Agreement, Plaintiff JOHANSEN and HYTEL and each of them, represent that he / it has relied upon the advice of his /its attorneys who are the attorneys of their own choice, and that the terms of this Release and Settlement Agreement have been interpreted, completely read and explained to him by his/its attorneys, and that those terms are fully understood and voluntarily accepted by Plaintiff JOHANSEN and HYTEL. Plaintiff JOHANSEN and HYTEL also represent and warrant that no other person or entity has or had any interest in the claims or causes of action referred to herein, that JOHANSEN and his attorneys for him, and JOHANSEN for HYTEL, has the sole right and exclusive authority to execute this Release and Settlement Agreement and receive the sums specified herein, that JOHANSEN as sole shareholder has succeeded after dissolution of the corporation to any assets of HYTEL and that he may and has been authorized to enter into this Agreement for HYTEL, and that he or it respectively has not sold, assigned, transferred, conveyed, or otherwise disposed of any of the claims or causes of action referred to herein. Further, JOHANSEN and HYTEL expressly acknowledge and agree that Defendants and each of them are relying on these representations and warranties in executing this Settlement Agreement.

13. All Parties agree to cooperate fully and to execute a Stipulation to Dismiss and any and all supplementary documents and to take all additional actions which are consistent with and which may be necessary or appropriate to give full force and effect to the basic terms and intent of this Release and Settlement Agreement.

70	I would like to see Blocks turned into a year round farmer's market offering local farm products such as honey, wool, eggs, produce, meat, takeout small meals/snacks/beverages using local, organic products. There would also be a very small area to eat in. If I had any entrepreneurial skills and money, this is what I would do with Blocks. Also, Ace Hardware is very sorely missed. Perhaps a consignment shop of local handmade crafts and goods/antique store would be a nice addition as well. Places where people can browse.	4/6/2018 8:57 PM
71	Would like to see something that is good. Kinda like downtown Geneva.	4/6/2018 6:22 PM
72	Restaurants that don't have pizza. They should have new and unique offerings. Deli type sandwich shop. Not mainstream brands. Think Cafe on the Creek. That place was the best. Mexican would be awesome too! Shopping - quaint gift shops that bring people downtown. It should be a destination since it isn't on the main highway. This encourages people to turn. All events should also be held down there too to help those business thrive. Think Woodstock square.	4/6/2018 7:57 AM
73	Designate more open park space, (look to Geneva IL for example of great park space". More interesting "Farm to table restaurants" great marketing tool for this type of area.	4/5/2018 10:14 PM

77	I would love to see a grocery store that sells produce from local farms. There is a farm right off allen/20 that has dairy. We have so many local farms that sell eggs and honey. Maybe work with Primrose farm for some fruit and veggies, have a spot for local crafters to sell their merch. A mega spot for local small business	4/5/2018 11:38 AM
78	Food - not a pub! A decent sit down meal so we can have others come here to spend money and we will stay to spend money. Like an Italian, Greek, etc. what about a Dave & Busters again bring people in to spend money and we stay too! I don't spend one penny in the town as I have to leave to go do anything, they are not even getting gas from me. A Target. Keep building subdivisions you need to keep up what the town has to offer for everyone. Small town feel seems like its not going to happen anymore.	4/5/2018 11:14 AM
79	Barber shop	4/5/2018 10:28 AM
80	Quality restaurant (not just a bar)	4/5/2018 9:39 AM

104	A genuine food store like Jewel or similar. Walmart caters fir everything. Stores that allow us to spend our money in Hampshire rather than take it to other towns to build them up rather than us. Senior citizens are being driven from Hampshire because they are not being catered too. When you get to the point of needing assistance its not in Hampshire. You have to look elsewhere. Not good when you have spent many years raising a family supporting the community and now feel you are not being considered.	4/4/2018 7:00 PM
105	Love to see an updated Block's type store. A store lol Ace was where one could get paint & such but also a quick gift florist is great also	4/4/2018 6:28 PM

125	winery	4/4/2018 1:26 PM
126	Mexican restaurant or a little old time place that sells milkshakes/fries/etc.. a place for teenagers because they like to go out and I think opening a place that is affordable, new and drawing attention would lead to a large group of kids continually going. A place like sonic where you stay in your car. Entertainment- Town fundraisers or something like the street dance but maybe indoors and more often. Proceeds could help Hampshire. Put up a place on state street to hang out outside- a couple benches and tables will attract people and more businesses could start to open where people could get their food and go to that hang out place	4/4/2018 1:15 PM
127	Retail-Retail-Retail. A quality food experience where residents could feel proud taking guests & relatives out to dinner at.	4/4/2018 1:14 PM

136	I'd like the downtown to contain a mix of shops and establishments where I can spend a bit of time walking and browsing.	4/4/2018 12:32 PM
137	Family style restaurants with decent food. Current selections serve horrible food	4/4/2018 12:23 PM
138	Basketball gym, somewhere kids can play in the winter	4/4/2018 12:22 PM
139	Antique Shops, Recreation would be something teens could hang out and do place with video games somewhere to eat. Wi-fi	4/4/2018 12:17 PM
140	- perhaps a marketing business (flyers, banners, etc.) - co-op / organic grocery store - bring Ace back / hardware store - thrift store - sustainable coffee shop / cafe	4/4/2018 12:08 PM

1	Blocks is perfect for a quick pick up of milk, staples but recently there produce has not been good	4/21/2018 12:27 PM
2	Blocks is over priced and food is often expired	4/21/2018 11:09 AM
3	For my families shopping needs each week I can't get everything at one store. With small children and working full time I don't have the luxury of going from store to store. Also getting some food places that would deliver would be great too. Due to having 3 small children ages 5 and under at twice a week we will order out and will have to use places outside of Hampshire.	4/19/2018 2:18 PM
4	Larger grocery stores	4/18/2018 8:21 PM
5	I only go to Blocks if I need something immediately. I never shop for more than one or two items in a pinch.	4/17/2018 7:51 PM
6	Dollar store, too dirty (but closing anyhow)	4/16/2018 9:26 AM
7	Small grocery store but the prices are too high and the quality is sometimes not the best.	4/16/2018 12:44 AM
8	Grocery store- bigger selection, better quality, cheaper	4/15/2018 10:17 PM
9	Poor service	4/15/2018 10:05 PM
10	Sit down restaurant dont have a feeling of "treating oneself " to a afternoon or evening out. No attraction Boring	4/15/2018 1:49 PM
11	Grocery store blocks, as their selection of food items are limited and often expired on the shelf so i travel to huntley walmart	4/15/2018 7:20 AM
12	All...there are no choices in town!!!	4/14/2018 10:40 PM
13	Huntley is more welcoming- more to offer	4/14/2018 4:04 PM

14	-Grocery stores. I buy essentials at blocks when I run out and don't have time to go to a larger store. If blocks or an in town store offered organic products and better quality groceries and veggies I would definitely buy in town. We are still a farming community. It would be great if the local grocery store carried local farm and meat products. -Specialty Coffee shop/bakery -a true restaurant with elevated dinner menu and wine options that's not a pub or bar. - a wine bar would be nice	4/14/2018 12:54 PM
15	I usually get my groceries where they're cheaper.	4/13/2018 8:55 PM
16	The quality of meat and vegetables at Edison Foods is not fresh. Not enough variety in other departments Rose Garden is depressing	4/12/2018 8:25 PM
17	Prices	4/12/2018 6:15 PM
18	Blocks because not well maintained.	4/12/2018 5:49 PM
19	Blocks is horrible!!! State law indicates that deli employees shall wear plastic gloves when touching/serving meats/cheeses. They flat out refuse saying that they can cross-contaminate. Do they know that they are supposed to change their gloves with every customer? Plus they are ridiculously rude to the people in the deli. They may be reputable with selling quality cuts of meat, but they are disgusting in the way they handle the meat. Sometimes milk expires the next day. That place is managed pathetically. I could go on & on & on, etc.	4/12/2018 5:00 PM
20	The dollar store is crap	4/12/2018 4:39 PM

30	Drugs, legal services, dollar store, insurance	4/12/2018 11:00 AM
31	I do not bank downtown or do any kind of pharmacy in town. I also would like more daycare options in town. There are not a lot of restaurants either. I am worried when Blocks sells if there will be grocery options, too.	4/12/2018 10:48 AM

37	Hampshire Pharmacy - I actually go to Walgreens because they have longer hours and they are closer to me.	4/12/2018 8:45 AM

48	Grocery. Need a store with more selections to choose from.	4/12/2018 1:40 AM
49	Better known businesses	4/11/2018 11:17 PM

52	Grocery store selection is weak in town	4/11/2018 9:48 PM
53	I can't get everything I need at the local grocery store	4/11/2018 9:24 PM
54	Possibly, it's because I don't know they are there. No one advertises their business. For new people coming in all you see are are very blah buildings. I have been here a year now and still don't know what some of them are. A small Town Flyer might help showing what business is here & where they are located and what they do/sell, introducing newer people to what there is in town.	4/11/2018 9:17 PM
55	The pharmacy doesn't carry diapers for some reason, they'd make a lot of money if they did.	4/11/2018 9:07 PM

57	Dollar store. It has very little inventory	4/11/2018 8:27 PM
58	Blocks does not carry everything I need	4/11/2018 8:27 PM
59	I usually go out of Hampshire for groceries. I almost never go to Block's because it seems pretty dirty and the one time I did go there for cheese, all of the Swiss cheese was 3 months past expiration. The prices, of course, are pretty expensive. I also prefer Kevin Malooly American Family Insurance in Elgin to the insurance agencies here in Hampshire. The reason is simply that Kevin is an incredible person and his customer service is second to none.	4/11/2018 8:19 PM
60	Groceries because better options and lower prices	4/11/2018 8:17 PM

80	Fencl (now James) Motors. Wont deal with you. Rude sales persons They think they are doing you a favor by just talking to you. Shame on them	4/9/2018 10:53 AM
81	I grocery shop elsewhere because blocks is very expensive and doesn't carry specialty items I need	4/9/2018 10:28 AM

83	I go to dr's affiliated with St Alexius; my family (parents, siblings, grandkids) used to go to Rose Garden for breakfast every Saturday but after a few months the quality of food went downhill. Willing to pay more for better food.	4/9/2018 9:37 AM

87	For larger grocery selection I must go elsewhere.	4/9/2018 8:47 AM
88	I try to stop into the dollar store before leaving town just to see if there is something I can buy that I potentially could find somewhere else but I'd rather help out in town rather than awful corporations.	4/9/2018 8:42 AM
89	Only go to Block's for small, last minute things. I do a majority of my grocery shopping at Woodman's and Walmart	4/9/2018 8:05 AM

92	Grocery- need better selection/quality	4/9/2018 3:17 AM

106	Grocery. Larger selection. Fresher product.	4/8/2018 5:14 PM
107	Groceries. Blocks does not have a variety to choose from and you have to watch expiration dates closely.	4/8/2018 5:10 PM
108	Maybe changing pharmacy because of insurance change and therefore cost.	4/8/2018 5:09 PM
109	Grocery. Barber, restaurants. Blocks is awfully bad. Have no idea if we have a barber still or hours, and our food options are poor	4/8/2018 4:55 PM
110	Blocks=Nasty	4/8/2018 4:45 PM
111	Grocery store not up to par with needs. Have ok much expired/moldy food. Do not feel safe shopping there	4/8/2018 4:07 PM
112	I use Blocks for a quick pick up other than that they don't have much and many items are outdated. Other than that Hampshire has little to offer downtown.	4/8/2018 3:45 PM
113	Groceries. Blocks is gross and old and dated. Much like their produce and expired goods	4/8/2018 3:36 PM

121	Blocks is too expensive to do all of my shopping there	4/8/2018 1:46 PM
122	Grocery store The store is dirty and smells Restaurant The food is made out of frozen/canned goods and is not appealing	4/8/2018 1:26 PM
123	Pharmacy. Use Meijer or Wal-Mart because other merchandise is available.	4/8/2018 1:11 PM
124	I go to Blocks in a pinch. I do my Banking in Town. I go out of town for everything else.	4/8/2018 1:03 PM
125	Grocery store. The store is not what it used to be, used to shop there all the time but it needs to be cleaned up some. Still use the bakery end of it when needed	4/8/2018 1:00 PM
126	Walmart and jewel are one stop shops and more convient	4/8/2018 12:55 PM
127	Services option very limited or i don't know they are there. I'm new to Hampshire.	4/8/2018 12:52 PM

133	Grocery Store - - Our store does not have a good selection of produce	4/7/2018 3:48 PM
134	Most of the fresh produce in Blocks is not well maintained or is over due. The only good things they provide is there meat and cheese from their butchers. 139	Grocery stores because blocks is not selling fresh produce	4/6/2018 11:18 PM
140	Grocery store Blocks doesn't begin cover my needs.	4/6/2018 10:17 PM

142	Blocks is old, deteriorating, and produce is not good quality. I shop elsewhere for food. Additionally, I never liked the dollar store and thought it was a terrible idea. Never shopped there.	4/6/2018 6:10 PM
143	cheaper, more selection	4/6/2018 5:07 PM

150	Block's grocery. I'd love to support local business, but they simply don't have everything my family needs, and their prices are not competitive enough to justify the convenience. 188	Big box retailers or large fast food chains	4/4/2018 1:55 PM
189	Coffee shop (like Starbucks). Let's have useful shops in our limited downtown area, not trendy places. Also, all those throwaway cups from a business like that are a) bad for the environment and b)might create litter in the downtown area.	4/4/2018 1:53 PM
190	Fast food and large box stores. I love the Mom and Pop feel of Hampshire and fast food and big box stores would ruin that. Also I like to support local.	4/4/2018 1:52 PM

194	That's not for me to decide. If the business type meets currently Zoning requirements they are eligible to seek to do business within the Village. A focus should be established on attracting businesses vs. trying to keep businesses/services out of Hampshire. Revolving Loan Fund is one such vehicle to help draw businesses in addition to financially assisting existing businesses.	4/4/2018 1:14 PM

1	The buildings themselves aren't in the best co fiction so besides a new business coming in and taking on start up cost they have to have money for fixing entire building	4/21/2018 12:27 PM
2	Downtown is out of the way now. Core traffic is on 72.	4/21/2018 11:09 AM
3	Lack of parking, limited storefront space, nearby buildings that haven't seen maintenance in years!	4/20/2018 4:29 PM
4	space, available parking, limited customer per sq mile	4/19/2018 9:13 PM
5	Not an expert but I would guess maybe the amount of foot traffic.But if we do get places that people have a need for and can help them out people will go to the down town area. I think alot of the Hampshire people who have lived here forever do not want much change and that attitude is hurting our own village from attracting good business that can help keep our taxes down. I'm sure they see that they keep building further and further out west. If we want the farms to stay around us we need to also buy from them.	4/19/2018 2:18 PM
6	Village puts too many restrictions on the new businesses therefore making it unattractive option	4/18/2018 8:21 PM
7	We are too small to attract a decent grocery store.	4/17/2018 7:51 PM
8	Hard to be profitable in a small town.	4/17/2018 7:42 PM
9	The traffic has to be substantial for owners to maintain their business.	4/17/2018 7:03 PM
10	That the downtown has no business. Need to freshen up downtown	4/16/2018 9:26 AM
11	Not enough consumers	4/15/2018 10:05 PM
12	Wider streets with better lights and nice landscape.	4/15/2018 6:27 PM
13	Size of community and overall potential to support new business. Need to draw business from surrounding communities to survive	4/15/2018 1:49 PM

14	lack of marketing, need to rebrand as up and coming community for growing young families with new housing and parks. Need a sense of community and get away from farmland history in order for business to take risk investing in Village. Rt 72 needs to be widened and add traffic signal to ensure young families to feel "safer" driving to downtown. New re-branded way finding signs and decorative lighting. Enforce zoning code to make appearance look welcoming / need more landscaping.	4/15/2018 12:09 PM
15	Perhaps being a smaller population town	4/15/2018 7:20 AM
16	Parking, the downtown area needs a "facelift"	4/14/2018 10:40 PM
17	Rt 72 needs lights and to be wider	4/14/2018 4:04 PM
18	Not enough business. The housing market is finally improving and attracting new population. Businesses should be able to thrive if they do their specialty the right way and top notch. Because everything is at least 10-15 miles away and restaurants more like 20 I would stay in town if I had better dining and entertainment options. Also, a grocery with more options.	4/14/2018 12:54 PM
19	There is inadequate parking, during the day, for any increase in business downtown. Also, the parking spaces allow vehicles to stick out into the street and impede traffic.	4/13/2018 8:55 PM
20	No parking and police running speed traps for strangers	4/13/2018 11:21 AM
21	I'm not sure what the requirements are	4/13/2018 8:48 AM
22	Parking availability and narrow state street Lack of interesting and bright building facades	4/12/2018 8:25 PM
23	State St. is off the beaten path. It would be better to add businesses on Rt 72 to not only pick up Hampshire residents business, but also people driving by our town.	4/12/2018 7:10 PM
24	Space	4/12/2018 6:15 PM
25	Space	4/12/2018 5:49 PM
26	If Hampshire had a better managed & friendlier Ma/Pa grocery store than Blocks, downtown would be visited more frequently, enabling increased business to other downtown businesses. They truly have a bad overall reputation.	4/12/2018 5:00 PM
27	population density	4/12/2018 4:39 PM
28	Limited customer base	4/12/2018 2:43 PM

30	Locals do not support businesses	4/12/2018 1:48 PM
31	Too small	4/12/2018 1:23 PM
32	The Route 72 commercial corridor is easier and less expensive to develop then the aging downtown structures. Another obstacle: the current angled parking spaces create traffic problems during the day.	4/12/2018 12:57 PM
33	unattractive; not a main street; current fees and building ownership being unrealistic	4/12/2018 11:24 AM

40	Lack of interest from residents	4/12/2018 9:40 AM
41	Rt. 72 needs to be widened, and two traffic signals added, near (1) brier hill and (2) Romke.	4/12/2018 9:38 AM
42	Lack of traffic. Once the high school moved out of town, the volume of people coming thru drastically dropped.	4/12/2018 9:19 AM

43	Nice buildings to move into and fear of sufficient revenue to make it worthwhile. Bowling alley is good example. I hear lots of people say they wish we had one but when we did, it wasn't used. At the same time, it was pretty run down.	4/12/2018 9:18 AM
44	I think many businesses feel they would not get enough foot traffic to support a business. Also, there are too many eyesores that make the downtown look run down. If those could be brightened up, I believe it would help.	4/12/2018 8:45 AM
45	lack of community to support local buisness.....we all need to shop local if possible!	4/12/2018 8:12 AM

61	Not enough people. They probably don't see a return here and, it doesn't appear that Hampshire does anything to draw people here.	4/11/2018 9:17 PM

66	It does not have wide streets to drive on with cars, trucks parked on both sides	4/11/2018 8:19 PM

68	Parking	4/11/2018 8:17 PM
69	Old buildings, lack of parking, relatively small population to draw customers from, almost everything's closed on Sunday.	4/11/2018 8:15 PM
70	No space	4/11/2018 7:39 PM
71	I think that State Street doesn't have a lot of parking. Those angled parking spaces are a hazard as people pull out but can't see around bigger angle parked cars. The downtown are needs to move to a higher traffic area like Rt 20 or 72 a train station would boost traffic in town	4/11/2018 7:39 PM

77	Lack of viable empty retail space downtown	4/11/2018 3:10 PM
78	The fact that not many people know of the town. Its not marketed with any attraction.	4/11/2018 2:26 PM
79	Unlike 10 years ago, population growth is now here. I'm a part of the new constructions blossoming all over Hampshire. We came here for the lower housing prices and better taxes. We would LOVE to invest in our town but there is SO LITTLE. Bring it some new businesses so I can invest in the locals!	4/11/2018 1:49 PM
80	Lack of exposure to the outside world. Hampshire alone cannot support the retail needed.	4/11/2018 10:04 AM
81	I do not believe that the Village Board makes it easy to start a business. Also, business need more advertising to let people know that they would be or are here. Need better pricing to be competitive.	4/10/2018 4:25 PM
82	downtown is hard for strangers to find..also it seems to be dying so people are drawn elsewhere...	4/10/2018 2:13 PM

91	People go to big box stores and don't support their own	4/9/2018 11:12 AM
92	Seems to me that our town fathers discourage new business by making it difficult for them to succeed. (Example: The coffee shop proposed by the dollar store)	4/9/2018 10:53 AM

119	It's not in Rt 72	4/8/2018 6:08 PM
120	In the past it was the lack of clientele, but I believe this has changed. The community has become much more diverse.	4/8/2018 6:04 PM
121	The building space and exterior esthetics of the buildings. Remodeling would need to be done indoors as well I'm sure.	4/8/2018 6:04 PM
122	It's run down and depressing. I don't even walk the dog downtown anymore.	4/8/2018 5:53 PM
123	State St is isolated and this is a small town. We can only support so much. Bigger places could do well on 72 or 20.	4/8/2018 5:49 PM
124	Not sure, but I'm wondering if it cist more to have a business in Hampshire	4/8/2018 5:46 PM
125	ldk	4/8/2018 5:14 PM
126	Maybe as a village we could allow a fledgling business a tax break or a break during the most difficult first 2 years to establish a business.	4/8/2018 5:09 PM
127	No good main strip. 72 is strip malls and state is a half block of business before the tracks and then what? Our downtown is not pretty (sycamore, Genoa)	4/8/2018 4:55 PM
128	Other businesses and the "draw" of the main street	4/8/2018 4:45 PM
129	Businesses think our town is too small/run down. Not many other businesses here	4/8/2018 4:07 PM
130	Location, Rt. 72 has more traffic, businesses do need to beautify the store fronts and area. Looks bad downtown.	4/8/2018 3:45 PM
131	Not enough traffic. Our downtown is not on a major road like all the towns around us	4/8/2018 3:36 PM
132	Parking. The downtown parking lacks safety and numbers. A parking lot would need to be added.	4/8/2018 3:20 PM
133	The people who move out here in the new subdivisions want big stores like target and fast food places. And so the rent is too much because people don't appreciate the small things anymore. We grew up in the area and we came back for the small town feel, we want to give back to our community by shopping small.	4/8/2018 3:03 PM
134	Parking and the size. Obviously it's a small town and that's a big draw to living here, but if you are downtown, it underwhelming by its lack in size. Plus it looks run down. Nothing is eye appealing.	4/8/2018 3:02 PM
135	I think our population is so small and spread out it is hard to get people down there. If there were an opportunity to make multiple stops while there that could help bring in people	4/8/2018 2:50 PM
136	Older residents... they do not want any changes or new businesses	4/8/2018 2:23 PM
137	Condition of buildings and parking	4/8/2018 2:20 PM
138	LOCALS who don't want big businesses coming into town.	4/8/2018 2:12 PM
139	The downtown is run down, it really needs a face lift and more parking if we want to expand. Look at model cities like St. Charles, Geneva, Glen Ellyn, Bartlett, etc...	4/8/2018 1:49 PM

140	Our state street is not a main through fair	4/8/2018 1:26 PM
141	Population and downtown does not have curb appeal	4/8/2018 1:12 PM
142	Concern they would not be supported and fail	4/8/2018 1:11 PM
143	Vintage shoppers want quaint eateries, coffee, ice cream Wine bar Look at how Morris built back its downtown	4/8/2018 1:07 PM
144	There is nothing in this town that would interest anyone from out of town to visit. Also the street parking is a disaster. Small population.	4/8/2018 1:03 PM
145	A lot of people don't realize that it's there including new residents. They don't venture off of it 72	4/8/2018 1:00 PM
146	People don't support them!	4/8/2018 12:43 PM
147	Traffic	4/8/2018 12:38 PM
148	Not enough people coming into town, everyone goes to Randall road	4/8/2018 12:30 PM
149	Old town cronies which want to limit selection by keeping original businesses as a monopoly, limiting residence's selection options.	4/8/2018 10:22 AM
150	Downtown is not attractive and there are limited shops. I want to be able to get groceries, dinner and pick up odds and ends from a dollar store in one spot. I don't quilt, I have insurance and most of the restaurants are closed so why stay here? Downtown is just not appealing at all.	4/7/2018 7:21 PM
151	Parking	4/7/2018 4:06 PM
152	Possible lack of business	4/7/2018 3:48 PM
153	Competitive pricing, not enough advertising minimal Community involvement, family friendly businesses,	4/7/2018 1:10 PM
154	The lack of completion of the business park and Brier Hill of toll way exits. With this completion there would be some reason to visit shops further into Hampshire's depths.	4/7/2018 10:48 AM
155	No idea	4/7/2018 10:46 AM
156	Village bureaucracy. Lack of transparency from village hall.	4/7/2018 9:00 AM
157	Lack of people using the downtown area	4/6/2018 11:19 PM
158	Buildings aren't up to code so it's a huge investment to take over	4/6/2018 11:18 PM
159	Space that is updated and ready to use. The buildings in town are really run down and expensive to rehab for new businesses.	4/6/2018 10:17 PM
160	Fear that there is not enough foot traffic to justify starting a new business downtown	4/6/2018 8:57 PM
161	Lack of traffic/income potential	4/6/2018 6:38 PM
162	Having Comcast, shopping,	4/6/2018 6:22 PM
163	Parking is horrible, too tight to park and back out. Looks a little run down. More kid friendly? Bike parking?	4/6/2018 6:10 PM
164	parking, lack of. narrow street, school zone, old buildings, hard to get to, out of the way for most of town folks.	4/6/2018 5:07 PM
165	Downtown needs to be updated. The strip looks dated and not inviting.	4/6/2018 4:54 PM
166	Traffic and visibility	4/6/2018 2:33 PM
167	It's not yet known by people outside of the area for growth. Interest by business owners in being on the RT.47 corridor.	4/6/2018 12:45 PM
168	Old buildings	4/6/2018 11:53 AM
169	Location. Hampshire is out of the way. People seem to want the big box store offerings, but don't want to support local stores because of higher prices.	4/6/2018 10:20 AM
170	I feel the main roadblocks are the towns people who are afraid of having a big box store enter town. I feel having one big box store like walmart would attract more business to flock to our area. Growing up in the area I feel that is what really made Huntley expand, was having the Walmart come to the town really brought more business to their area.	4/6/2018 10:18 AM

171	Location - not in direct proximity to major highway (traffic on 72 is typically commuters en route to 47, 20, I-90); available space/real estate; most businesses are already established in Huntley	4/6/2018 10:04 AM
172	The mayor. What has he done all these years to improve this community?	4/6/2018 9:50 AM
173	The requirement to update old buildings to code at the same time you are trying to start up a business. Just because they are opening a new business doesn't mean access to unlimited funds. It means they had a Dream. The village may not be able to Offer financial assistance but they can give them more time to make those improvements. It take a minimum of 3-5 years before a new business begins to turn a profit. Give them hope that they won't drown in debt before they even get started.	4/6/2018 7:57 AM
174	Distance, people can't get past coming West. But it's great! And once you're here, it's lovely.	4/6/2018 1:06 AM
175	Existing businesses cannot make it so why invest in the market. Village is like a ghost town after 6pm seven days a week. The downtown is old and tired	4/5/2018 11:37 PM
176	Trying to get the people out to shop local.	4/5/2018 11:30 PM
177	There are no businesses that draw foot traffic downtown so it would be hard to stay in business.	4/5/2018 10:57 PM
178	We're just an old farming town that now has gone through the transition slower than more eastern towns. It's up to us to meet think ahead to the future or troubled times are ahead for Hampshire. I'm not saying go all corporate but maybe something on the lines of Geneva IL and Saint Charles downtown. I understand those are river towns but even for another great example see Campton hills for a non river town that really upped there game in past 5-10 years. They have a great small selection of cache shops and a few corporate mixed in.	4/5/2018 10:14 PM
179	Things look rundown	4/5/2018 10:10 PM
180	Wish I knew	4/5/2018 9:19 PM
181	Just the volume may not be enough to keep them in business. Restaurants and bars are probably the best. They can't be just old versions must be new and upbeat	4/5/2018 6:23 PM
182	Not enough draw to come this far out!	4/5/2018 6:22 PM
183	Lack of current business.	4/5/2018 5:03 PM
184	infrastructure is so poor, buildings so old, demolish whole area and start from the ground up	4/5/2018 3:32 PM
185	Size of town, people dont know where Hampshire is, are people willing to travel?	4/5/2018 1:58 PM
186	No one supports local business. I owned one a few years back and had to close it because people didn't support us.	4/5/2018 1:42 PM
187	The r Town buildings look worn down and tired. Chick and dip looks like it hasn't been painted or even power washed in 20 years. Downtown looks Like a run down after thought the way the buildings are not maintained and sitting empty. Same with the strip mall on 72... empty stores for years	4/5/2018 1:22 PM
188	no parking, off main drag.	4/5/2018 11:54 AM
189	Available space, parking	4/5/2018 11:39 AM
190	I think even though the down town area is so historic. Its a ghost town. Some sort of renovations or maintenance to clean it up and make it more appealing would help.	4/5/2018 11:38 AM
191	We are not having anything unique that no one else has, so why build or have a business here? You can get it some place else. Look at Aqua viva Winery in Maple Park, GOOD food, wine, bed and breakfast, weddings, people from Chicago are coming out here to go to this. What are we doing to want anyone to come here and spend money? We don't want to grow I keep hearing but we keep building subdivisions. We need to move with the changes!	4/5/2018 11:14 AM
192	not enough foot traffic/business	4/5/2018 11:01 AM
193	The gamble of it being a small town and not succeeding	4/5/2018 10:33 AM
194	People beg for florists, bakeries, etc. Back in the day we had all of those. They couldn't make it. Why, because you have to have a steady stream of customers daily. You can't just order flowers for homecoming, prom, etc. Same with a bakery. Small businesses cannot survive with 1 or 2 customers a day, especially if you don't own the building.	4/5/2018 8:58 AM
195	I have no idea what the process is for permitting businesses coming to downtown?	4/5/2018 8:38 AM

196	Location in a small town	4/5/2018 8:37 AM
197	The lack of current businesses and or the length of time they are open before they shut down	4/5/2018 7:55 AM
198	The location. The downtown area is on a road not traveled as frequently at 72.	4/5/2018 7:48 AM
199	Lack of population, fear of business going under due to sales and possible high tax rates that are an indirect cause of people losing their business.	4/5/2018 7:06 AM
200	Cost of rent, not enough confidence in the villagers that they will shop in town	4/5/2018 6:45 AM
201	Price & volume	4/5/2018 6:26 AM
202	There is nothing down there now so people are not accustomed to coming into town to shop, so we need an "anchor" store to get the activity moving.	4/5/2018 6:01 AM
203	Old school mentality somehow will change the small town feel - so what - we need innovation and growth	4/5/2018 5:19 AM
204	I live very close to downtown but I think it's further for other people like this in Lakewood crossing and they would rather just go to hubteky since they are closer.	4/5/2018 4:54 AM
205	the town of Hampshire certain people not wanting to expand	4/5/2018 4:49 AM
206	Space, the look/presentation and lack of parking	4/5/2018 2:17 AM
207	Not enough roof tops to sustain, Poor infrastructure.	4/5/2018 1:52 AM
208	Some of the people living in Hampshire want it to keep the "small town" feel. But in my opinion it does nothing but hurt the growth and potential of the city.	4/5/2018 1:16 AM
209	Population. But that should change now with all the building/construction.	4/5/2018 12:58 AM
210	The majority of people that have moved to Hampshire in the past 25 years.	4/4/2018 11:24 PM
211	Parking, outdated buildings	4/4/2018 11:10 PM
212	Expense, rent	4/4/2018 11:10 PM
213	Limited real estate. lack of proven customer base. Rundown looking.	4/4/2018 11:08 PM
214	Honestly.. I think people like it thenokd way sometimes. But change can be good! Genoa is even further west.. and they have cafes, a winery, flower shops, a nice dollar store... etc	4/4/2018 10:53 PM
215	Businesses afraid they will fail due to small population	4/4/2018 10:48 PM
216	Not enough traffic	4/4/2018 10:32 PM
217	The houses are increasing and we have to give other towns our money no idea what is stopping businesses	4/4/2018 10:29 PM
218	Size of the market & location of major roadway.	4/4/2018 10:27 PM
219	It is very unattractive. If some money was spent on making it look good - add some trees, improve the store fronts, add a few canopies, etc., businesses would be more likely to come because it would look like the town was alive. It looks completely dead and ugly now. Plant a tree! Please!	4/4/2018 10:00 PM
220	Poor signage. New to area and couldn't even find the post office. I go to Huntley or Gilbert's and I go there at least 5 times a month.	4/4/2018 9:59 PM
221	Parking is limited	4/4/2018 9:51 PM
222	Not on a major state road, lack of traffic	4/4/2018 9:46 PM
223	I imagine business owners would want to set up shop in an attractive and updated area/surrounding. As customers would be more likely to want to shop in more attractive and updated storefronts.	4/4/2018 9:40 PM
224	Owners willing to put in the time and money for quality. Having enough consistent business to remain open and thriving.	4/4/2018 9:36 PM
225	Lack of traffic, in general.	4/4/2018 9:30 PM
226	outdated main street, city council offerings to bring businesses here	4/4/2018 9:09 PM
227	Small town, low business	4/4/2018 9:09 PM

228	Sufficient traffic Lack of downtown parking	4/4/2018 9:02 PM
229	maybe not enough traffic to them? or it's mostly just locals that come thru town, so not enough people from outside to support	4/4/2018 9:01 PM
230	Updated buildings, parking, space	4/4/2018 8:56 PM
231	Old building structure of the downtown area. 72 vs state street as "Main Street"	4/4/2018 8:49 PM
232	Residents not using them	4/4/2018 8:47 PM
233	Foot traffic	4/4/2018 8:24 PM
234	Not enough rooftops	4/4/2018 8:20 PM
235	I have no idea. it's so frustrating when I see Genoa is booming and we're so sad looking	4/4/2018 8:20 PM
236	Old buildings that need much repair at a high cost. Also, too small of buildings.	4/4/2018 8:12 PM
237	Competition	4/4/2018 8:12 PM
238	Big stores don't think we have a large enough population.	4/4/2018 8:08 PM
239	Condition of existing buildings	4/4/2018 8:05 PM
240	lack of Village support, lack of advertising	4/4/2018 8:03 PM
241	Lack of customers	4/4/2018 8:03 PM
242	Probably the layout of Main Street and the lack of ease to access it from all areas of town. With parking in Main Street it's a little dangerous to enter at certain times of the day off of the side streets because you can't see oncoming traffic. Also, the amount of people who are already used to driving out of town to do their shopping. Surveys like this will provide some feedback but it's hard to know how many people are actually invested in shopping in town.	4/4/2018 7:39 PM
243	Not enough people	4/4/2018 7:37 PM
244	Not seem as having a large audience. Perceived as a small town with not enough revenue	4/4/2018 7:35 PM
245	Available space in downtown, however open land is ideal for building construction	4/4/2018 7:31 PM
246	Population	4/4/2018 7:29 PM
247	State st is not the main st like 72 is in Genoa. Other than residents, it's a lot less traveled. Businesses might do better off 72 in strip mall, but from what I've heard, the rent is high.	4/4/2018 7:28 PM
248	Downtown appears run down. It is a ghost town in the evening.	4/4/2018 7:27 PM
249	Small unknown town	4/4/2018 7:17 PM
250	Space	4/4/2018 7:14 PM
251	No good choices	4/4/2018 7:10 PM
252	Population density of surrounding area does not provide enough consumer revenue for stores to be profitable.	4/4/2018 7:09 PM
253	Other residents who do not want nor accept change in the community per expansion.	4/4/2018 7:07 PM
254	Because one already exists not far away. Past track record of places closing down do to low attendance.	4/4/2018 7:04 PM
255	volume of people, need more people to use local services	4/4/2018 7:04 PM
256	Past administration has wanted to keep the " small town country atmosphere, that's okay, but putting wall to wall housing is not the answer. by doing this you are placing the burden of running the city on the shoulders of of residents. It needs a fair share contribution from businesses. we need more businesses here. Taxes are high for home owners considering how far away from amenities we are located. This drives people away from moving here. When someone asks why should I move to Hampshire? Cost saving is not part of the equation or decision. other communities are giving more bang for the bucks.	4/4/2018 7:00 PM
257	Old building renovations to come to code..parking..not knowing about Hampshire	4/4/2018 6:53 PM
258	Run down infrastructure I.e poor plumbing, costs to bring buildings to code	4/4/2018 6:49 PM

259	New folks want to shop bigger stores, parking is horrible, buildings need outer & im guessing inner updating as well. Building prices?	4/4/2018 6:28 PM
260	No parking, space	4/4/2018 6:26 PM
261	There is nothing currently pulling people into the downtown area.	4/4/2018 6:22 PM
262	History of Hampshire not supporting local businesses.	4/4/2018 6:14 PM
263	Not enough people to support the buisness	4/4/2018 6:14 PM
264	Not sure	4/4/2018 6:13 PM
265	Parking	4/4/2018 6:08 PM
266	Lack of support from community	4/4/2018 5:54 PM
267	Parking. Need a train stop to Chicago.	4/4/2018 5:51 PM
268	People risking the investment on a small town	4/4/2018 5:50 PM
269	People who are against change.	4/4/2018 5:50 PM
270	Population/location/roads	4/4/2018 5:42 PM
271	Probably population. Most businesses that know what they are doing look to be sure there is sufficient population to make a profit.	4/4/2018 5:41 PM
272	Parking, flooding	4/4/2018 5:30 PM
273	Parking & street traffic	4/4/2018 5:09 PM
274	Small town	4/4/2018 5:05 PM
275	Not enough turn over to justify the remote location	4/4/2018 4:57 PM
276	Lack of local support	4/4/2018 4:51 PM
277	What do you consider downtown? Building out on 72 would get more business	4/4/2018 4:48 PM
278	Just that it's not currently well-developed so businesses may not want to risk it if they feel they won't get enough customers	4/4/2018 4:38 PM
279	No foot traffic. We are off of the main highway. Perhaps we should add bigger businesses to Rt 72 to draw more people who in turn would go downtown to a good restaurant ect.	4/4/2018 4:32 PM
280	The current downtown looks like a ghost town aside from James.	4/4/2018 4:31 PM
281	Space. Parking Larger stores outside Hampshire	4/4/2018 4:27 PM
282	Parking and lack of other business that can be visited.	4/4/2018 3:59 PM
283	Population support	4/4/2018 3:57 PM
284	Concern about revenue	4/4/2018 3:35 PM
285	Downtown looks run down.	4/4/2018 3:24 PM
286	No parking, not enough business to keep the business open	4/4/2018 3:06 PM
287	Space	4/4/2018 3:01 PM
288	Many people want to keep Hampshire the small town rural feel and will find anything to complain about and stop it	4/4/2018 2:54 PM
289	People don't use small town enough	4/4/2018 2:53 PM
290	Our downtown area is appealing to customers or business owners.	4/4/2018 2:46 PM
291	People won't support them. Too many work out of town & get what they need to & from work	4/4/2018 2:45 PM
292	Demographics. Not as many small business owners. Residents don't shop local.	4/4/2018 2:42 PM
293	No appeal in architecture or events on State St.	4/4/2018 2:39 PM
294	Residents not supporting. Example the dollar store.	4/4/2018 2:36 PM
295	Not on 72 like Genoa, hard to get people to turn off main road.	4/4/2018 2:24 PM

296	Heard rent is high downtown	4/4/2018 2:13 PM
297	Parking. State Street is a disaster. Parking should be similar to sycamore - a lot safer. Maybe an additional parking lot.	4/4/2018 2:13 PM
298	To me, parking is a big problem. And backing out is a nightmare.	4/4/2018 2:11 PM
299	The cost of renting...	4/4/2018 2:03 PM
300	Size of the community and no guarantee people will actually shop local	4/4/2018 2:03 PM
301	Lack of physical upkeep in our town; no need for people to drive through our downtown as it is off of the main roads. It seems ever since the high school left town, it created less reason for people to come through town, and therefore less of a "town". Also - social media has created a negative atmosphere - it is hard for people to want to bring small businesses in when it feels like every single person that tries gets such negative feedback or no business to support them.	4/4/2018 2:01 PM
302	Small town people want zero growth, yet complain about the property taxes. The legacy board folks and the longtime residents seem to prefer it this way.	4/4/2018 2:00 PM
303	The appearance of downtown Hampshire. Not as appealing as surrounding towns	4/4/2018 1:59 PM
304	Traffic due to roadway limitations	4/4/2018 1:55 PM
305	Not enough residents to support a business	4/4/2018 1:53 PM
306	The town itself is not kept up and looks run down. Nothing would draw a consumer into town because the corner of State and Oak Knoll is not pleasing.	4/4/2018 1:52 PM
307	i'd be worried as a business owner how much work the building would need to update it	4/4/2018 1:29 PM
308	location and word of mouth	4/4/2018 1:26 PM
309	The space is "off the beaten path" but due to increased population in the new subdivisions, it is now necessary. However, many people that live in town make those that live in the subdivisions feel like outsiders and that they don't belong (I have heard it multiple times firsthand) so that may also play a factor.	4/4/2018 1:25 PM
310	Buildings are in despair. Need updating	4/4/2018 1:23 PM
311	Size of town and the age of the majority-they are old. No one has the motivation/want to do anything.	4/4/2018 1:15 PM
312	The limited existing downtown buildings and their current state of condition. Example: Extensive build-out costs incurred by the Dollar Store to meet current code requirements.	4/4/2018 1:14 PM
313	Good old boys club	4/4/2018 1:08 PM
314	Locals don't utilize what we have. Ex: farmers market doesn't have the people flow it should have based on what people claimed they wanted.	4/4/2018 1:07 PM
315	There is nothing there to attract me and it looks like it needs a good clean up. Except for the dr and Insurnace agency	4/4/2018 1:04 PM
316	Hampshire is too small. Won't make enough money.	4/4/2018 1:03 PM
317	Hampshire is centrally located amongst other small towns and I feel we don't advertise Hampshire like we should to bring visitors and people to the town. Another incentive would be to open the train lines to make Hampshire a Metra stop. Which would bring more people to the town and surrounding areas	4/4/2018 12:59 PM
318	Support	4/4/2018 12:56 PM
319	not enough patrons/traffic	4/4/2018 12:55 PM
320	the people won't shop there enough for them to stay in business	4/4/2018 12:54 PM
321	The percentage of community members who wish to remain "small town." Controlled growth works people!	4/4/2018 12:53 PM
322	Probably businesses think they wouldn't get many people	4/4/2018 12:52 PM
323	The people that have lived here forever. They feel as if everyone wants big retailers to take over Hampshire. I feel like most people want the small town shops that we can all spend our money in.	4/4/2018 12:51 PM
324	attractability is enough business because there are so few businesses drawing anyone in.	4/4/2018 12:51 PM

325	Lack of patronage	4/4/2018 12:51 PM
326	People not taking pride in their town and driving out to get things from Target or Walmart. Instead of encouraging and working on the town, they would rather complain and let it continue to decay.	4/4/2018 12:50 PM
327	Size of customer base	4/4/2018 12:49 PM
328	Lack of businesses	4/4/2018 12:45 PM
329	old hampshire, "townies"	4/4/2018 12:45 PM
330	The town is going nowhere quickly. The only people that patronize anything are the life long locals. Businesses know this. They would lose money coming to Hampshire	4/4/2018 12:43 PM
331	No traffic, cant survive	4/4/2018 12:43 PM
332	The esthetics, Parking	4/4/2018 12:42 PM
333	Lack of traffic, community support	4/4/2018 12:37 PM
334	Enough Hampshire people patronizing them to afford to stay in business.	4/4/2018 12:37 PM
335	Our "main drag" is not on a main highway, unlike places like Genoa, Dundee, St. Charles, etc.	4/4/2018 12:34 PM
336	People in this town shoot all new business down.	4/4/2018 12:34 PM
337	Location, light traffic thru town, unsustainable	4/4/2018 12:33 PM
338	I feel like there's a catch-22 where business like to be in areas with a lot of other existing business, but it's hard to get the first few to commit.	4/4/2018 12:32 PM
339	Older buildings, minimal foot traffic	4/4/2018 12:30 PM
340	we probably need to offer tax incentives to get business, and also the store fronts need to be updated, and kept up with, whether it be by the village or the business owners.	4/4/2018 12:23 PM
341	Lack of business	4/4/2018 12:23 PM
342	Buildings are very out dated. Cost are high to bring buildings up to code.	4/4/2018 12:23 PM
343	The people of Hampshire are greedy.. I.E the fire department proposals.. the good ole Hampshire people are leaving the area and the ritsy people are coming in trying to make this small town something big	4/4/2018 12:22 PM
344	Signage to promote downtown businesses at main intersections	4/4/2018 12:20 PM
345	downtown is not really a traffic thoroughfare as much as Rte 72 is	4/4/2018 12:20 PM
346	Build out, our buildings are old and need updating, down main street, lack of vision of previous trustees and being to scared from current trustees, and spending money on things that we as villagers don't see..ie water station that isn't needed, and police car updates, I would rather put that money in our town where as a villager I can see as progress.	4/4/2018 12:17 PM
347	Low traffic	4/4/2018 12:13 PM
348	Our downtown is not a pass-through road. People have to "turn" and make it a destination. They have to want to visit a business downtown.	4/4/2018 12:13 PM
349	Not enough traffic	4/4/2018 12:12 PM
350	We are a small town so businesses might not be able to attract enough customers to stay profitable	4/4/2018 12:08 PM
351	Perhaps a fear of not getting enough business due to the small town nature - lack of awareness of above stated facts (stats, projections, etc.) like how valuable it is to have a business operating in a small, but growing village!	4/4/2018 12:08 PM
352	The appearance and the amount of money it would take to renovate to make it look nice.	4/4/2018 12:05 PM
353	That there are speckled businesses that do not keep up with their outside appearance and lack of parking	4/4/2018 11:50 AM
354	Old buildings that are not ADA compliant	4/4/2018 11:44 AM
355	Pushback from people who have lived in the town for a long time.	4/4/2018 11:43 AM
356	Sounds to me that the village council has been a major part of the problem.	4/1/2018 5:52 PM

Q7 Outside of having the right businesses and services downtown, what other things prevent you from shopping or spending more time there (parking, open space, events, etc.)?

1	Lack of businesses I would like to frequent, lack of events.	4/20/2018 4:29 PM
2	There's not a lot of places to park. Even parking on the main street is dangerous with smaller kids and backing out of a parking spot. We need things for families to do and also things that support an opportunities for the adults to go out and visit for date nights and such.	4/19/2018 2:18 PM
3	Parking on State St. Difficult with big pick-up trucks blocking visibility. Also difficult to pull out from Jefferson onto State because of poor visibility.	4/17/2018 7:42 PM
4	Getting to know the community better.	4/17/2018 7:03 PM
5	Need more parking if more stores are added. Would love to see more community events and publicised better.	4/16/2018 9:26 AM
6	Rt 72 too dangerous. Lighting and landscape is not welcoming.	4/15/2018 6:27 PM
7	Current grocery store looks to be scaling back and less rotation of groceries on the shelf. There's nothing new in years. If you look at the strip mall with Niko's, vet, eye care etc.. there is always activity because it's has more than one business drawings people to it. Same on 72 with cleaners, liquor store and subway. They tap into the buying public sooner than Hampshire downtown.	4/15/2018 1:49 PM
8	Rt 72 is dangerous and need better lighting - decorative and welcoming lighting and landscaping.	4/15/2018 12:09 PM
9	Parking, not attractive, no activities	4/14/2018 10:40 PM
10	Parking	4/14/2018 5:36 PM
11	Rt 72 needs to be wider. Easier connection to Rt 47	4/14/2018 4:04 PM

12	Perhaps more events to help promote the down town area. Make it feel more like a community not just a place to sleep and drive away to work. I've been here since 2005 and sought opportunities to connect with the community i.e. taking a class at park district, Coon Creek Days but didn't get a welcome feeling. If as a community we had more events I would be able to meet more people and hang out locally with other Hampshire locals when going out for dinner or a cocktail. In turn, spend money locally. One event I love is the music in the park. I haven't missed one. I call music in the park Hampshire's Ravinia. I so enjoy this type of event. Please schedule more. I work about 50 miles from here so i do my grocery shopping on my way back from work. I've been working from home more often. If I had a local coffee shop, grocery store and restaurants, I would take a break and do a coffee run, go out for lunch and buy groceries. Let's keep Hampshire unique and offer specialty options. Let's not become like every other town full of cookie cutter big box and strip malls.	4/14/2018 12:54 PM

24	Parking and State St is dangerous if you're pulling out from any of the perpendicular streets in downtown	4/12/2018 10:21 AM
25	Too small town "feel". Hampshire needs to modernize and look/feel progressive	4/12/2018 10:13 AM
26	Parking is hard to get out, no events to attend	4/12/2018 9:55 AM
27	Rt. 72 needs to be widened and traffic signals added near brier hill and romke. Quality grocery stores and coffee (starbucks) need to be added.	4/12/2018 9:38 AM
28	I really dislike the slanted parking, but I know that works best for now. I like the parking next to post office.	4/12/2018 8:45 AM
29	ALL OF YOUR EXAMPLES AND YOU NEED TO IMPROVE THE ASTHETIC. IT LOOKS HOKEY AND DATED BUT HAS A TON OF POTENTIAL TO BE A COOL HISTORIC DOWNTOWN.	4/12/2018 7:52 AM

32	lack of special events	4/12/2018 6:57 AM
33	It's not an inviting/attractive area, and there's no "shopping" to do, nothing that makes me want to stroll around or "hang out" in town.	4/12/2018 6:05 AM
34	It is not setup as a relaxing area to shop and relax.	4/12/2018 5:49 AM
35	I would prefer it to be more pet friendly. It is walking distance for me so parking is not an issue but I can see that it would be for some. I would like to walk downtown with my dog and have outdoor seating where he is welcome, too.	4/11/2018 9:58 PM
36	Parking	4/11/2018 9:49 PM
37	Getting out onto State street from Jefferson or Washington is difficult	4/11/2018 9:48 PM
38	It's probably a good thing there is no business on main street, there is no place to park and what parking on main street there is, is horrific. There is barely room for cars to go by with all those pickup trucks sticking out into the middle of the street.	4/11/2018 9:17 PM
39	Parking is not an issue now, but it will be if a popular place comes in.	4/11/2018 9:07 PM

40	Handicap parking	4/11/2018 8:40 PM
41	It's pretty run-down looking. Not very attractive.	4/11/2018 8:19 PM

43	Parking may be the biggest issue, but in the summer I can walk to downtown.	4/11/2018 8:15 PM

45	Don't have what I need	4/11/2018 7:39 PM
46	I already mentioned parking	4/11/2018 7:39 PM
47	Parking	4/11/2018 7:36 PM
48	There is nothing to do in Hampshire	4/11/2018 7:36 PM
49	Mostly just lack of options	4/11/2018 7:33 PM
50	IF there were business worth my money I would think parking would be a challenge and you would need to put a stop light at Tuscany Woods to allow people to get in and out. It might slow people down from speeding	4/11/2018 7:33 PM
51	Looks run down Nothing fun/safe for kids Nothing to do besides library Love DQ but we can't walk there with small kids having to cross 72	4/11/2018 7:28 PM
52	Its is so vacant, theres no attraction to get to. A nice coffee shop/or grocery store would change this.	4/11/2018 2:26 PM
53	Parking. It is not easy to get out of a parking space because there are so many vehicles that pass through town without stopping. They use Sate Street as a short cut.	4/10/2018 4:25 PM
54	Same answer as above. It's really rather gloomy.	4/9/2018 2:24 PM
55	Police are quick to stop people for slight offenses.	4/9/2018 1:25 PM
56	There are few services	4/9/2018 11:12 AM
57	NO MORE DIAGONAL PARKING! It is a menace! Perhaps a 2 block downtown where no vehicles are allowed with a park way and trees and benches for people to actually enjoy going down town	4/9/2018 10:53 AM
58	Parking and lack of diversity. We need more retail	4/9/2018 10:18 AM

64	Parking	4/9/2018 7:14 AM
65	Parking could be an issue as state street as well as blocks grocery have parking that does not provide view of oncoming/incoming traffic.	4/9/2018 3:17 AM
66	Not good options	4/8/2018 10:24 PM
67	Backing out of the parking stalls on State Street can be tricky. Cook Creek Days could also be rebranded. I feel uncomfortable inviting friends with the current title.	4/8/2018 9:16 PM

77	Parking	4/8/2018 5:10 PM

91	Definitely lack of parking, and/or safe parking.	4/7/2018 4:06 PM
92	If there's no draw to the downtown area, to keep me busy shopping, why would I go.	4/7/2018 1:10 PM
93	Too many local government associated people with self centered interests.	4/7/2018 10:48 AM
94	There is no where to spend time or money.	4/7/2018 10:46 AM
95	Parking. Street is not wide enough for angle parking of long pickups.	4/7/2018 9:00 AM
96	I think of small towns where I like to shop and there are benches, planters, stylish streetscapes/brick/paths/walking/congregating/park-like areas, also outside dining/more little restaurants/coffee shops to just sit and eat. Rose garden is in a great location and with some updating would fit this theme. I'm really excited about the new copper barrel restaurant that will offer farm to table meals. A parking lot off the street, but nearby would be helpful.	4/6/2018 8:57 PM
97	Police harassment	4/6/2018 6:38 PM
98	see above, lousy restaurant, difficult parking, dangerous to back out of spots, speeding, large vehicles blocking views, try to avoid going downtown due to horrible parking area, unsafe at any speed.	4/6/2018 5:07 PM
99	Parking. That's always been an issue in Hampshire.	4/6/2018 10:20 AM
100	Would like to see more events aside from coon creek days; lack of open space directly downtown doesn't offer much reason to 'spend time' there.	4/6/2018 10:04 AM
101	The traffic. You almost get hit on any side street turning on to main street.	4/6/2018 9:50 AM
102	Parking on Main Street is horrendous. The line of sight is always obstructed from the side streets. We need an actual parking lot or 2 which would also make a great place for the farmer's market. And the parking spaces on Main Street should run parallel to the curb.	4/6/2018 7:57 AM
103	There are no events downtown. Maybe a summer art show. Something that would draw Craftsman to the area.	4/5/2018 10:57 PM
104	There is nowhere to just hand out. No parks no trails no forest preserves. See Geneva II for great parks and walking trails and you can see it every summer day people walking people biking people having picnics. Maybe a fun small town idea a drive in movie theater to keep the idea of small time alive.	4/5/2018 10:14 PM
105	Just feels rundown. Would like too keep small town feel but add charm. Looking for something like Geneva.	4/5/2018 10:10 PM

106	Minimal parking	4/5/2018 9:08 PM
107	parking	4/5/2018 3:32 PM
108	No businesses that you can regularly go to. Weird hours with some of them.	4/5/2018 1:58 PM
109	There is nothing downtown. After 3 on sat and sunday its like a ghost town.	4/5/2018 1:42 PM
110	Parking, hours of operation... Sunday's are a ghost town down there	4/5/2018 1:22 PM
111	there just isnt much to do here. Some sort of play place for young children would be great. a much better grocery store would be huge!	4/5/2018 11:38 AM
112	IF we ever do grow a parking garage would need to be created. IF we can get businesses down there!	4/5/2018 11:14 AM
113	I feel it doesn't cater to Young families or people in their 20s/30s	4/5/2018 10:33 AM
114	Parking	4/5/2018 10:28 AM
115	Diagonal parking is dangerous	4/5/2018 8:37 AM
116	Parking	4/5/2018 7:35 AM
117	None really like I said I haven't really explored downtown my daughter goes to Hampshire middle but now you have peaked my interest	4/5/2018 7:06 AM
118	I like to plan several things when going into "town", so variety is key for me.	4/5/2018 6:26 AM
119	Parking Some commercial space appears to be significantly reduced - not available ? Tear down - rebuild	4/5/2018 5:19 AM
120	price	4/5/2018 4:49 AM
121	Parking, aggressive police traffic enforcement. I know of quite a few people that stay away from the area because of it.	4/5/2018 1:52 AM
122	Family and friends prefer not to come out by us because there is nothing to do. So we go by them.	4/5/2018 1:16 AM
123	Not much variety and businesses don't stay	4/4/2018 11:17 PM
124	Parking currently makes downtown feel cramped. Zero landscaping/trees, uninviting.	4/4/2018 11:08 PM
125	Honestly just that there is nothing there	4/4/2018 10:53 PM
126	Parking, not much reason to go.	4/4/2018 10:32 PM
127	There is really nothing to do for a family for dining and any entertainment.	4/4/2018 10:27 PM
128	Parking is diagonal, library doesn't even have an adult area for students, parents to go to be in a quiet place to get work done.	4/4/2018 9:59 PM
129	Parking & it's hard getting out onto State Street as visibility is blocked by the cars parked diagonally on the streets.	4/4/2018 9:51 PM
130	Downtown has tons of potential but currently is not very appealing in general.	4/4/2018 9:40 PM
131	Prices at Block's, which I believe relates to a lack of competition. Plenty of needs met in Randall Rd.	4/4/2018 9:30 PM
132	Older institutions/run down	4/4/2018 9:09 PM
133	Parking	4/4/2018 9:02 PM
134	could probably somehow use more parking..	4/4/2018 9:01 PM
135	Parking, not aesthetically pleasing	4/4/2018 8:49 PM
136	Parking is a major problem. Just even having pick up trucks parking down there makes it difficult to drive on the street without being afraid of hitting them because they are sticking out.	4/4/2018 8:12 PM
137	Parking	4/4/2018 8:12 PM
138	Curb appeal	4/4/2018 8:05 PM
139	Not much there now to shop at	4/4/2018 8:03 PM

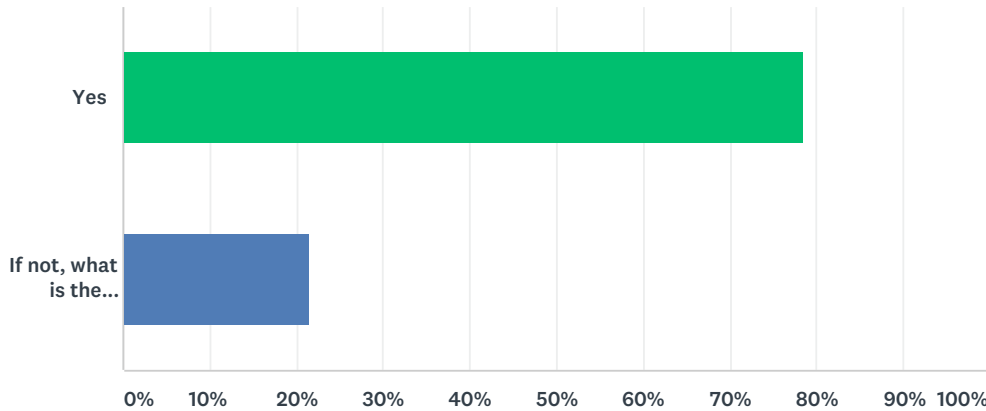

140	Parking, spaces to sit outside and have a cup of coffee, or a bar with a beer garden, restaurants with up to date interiors that are inviting	4/4/2018 7:39 PM
141	Local Police really petty No friendly feeling Tickets against certain parking with no signs explaining Makes for hateful feelings towards hampshire	4/4/2018 7:37 PM
142	Parking and hazard of having to back out sometimes blindly onto the road.	4/4/2018 7:35 PM
143	My home location in Lakewood Crossing. My work location in Algonquin.	4/4/2018 7:31 PM
144	Parking on State is really hard to back out into traffic if someone is parked next to you. You have to pull out blindly and hope no one is coming.	4/4/2018 7:29 PM
145	There is nothing happening there.	4/4/2018 7:28 PM
146	Parking & few options. Also, we like to walk & take our bikes out, but living south of 72 & not having a crosswalk marked at the intersection of 72 & State, we load our bikes up & head out of town to do our riding. We would love if it was easier for our family to cross & we had places to frequent downtown.	4/4/2018 7:28 PM
147	Nothing to do in hampshire	4/4/2018 7:14 PM
148	Stores not being able to supply the demand of the growing community.	4/4/2018 7:07 PM
149	Parking can be a problem, but then I know places are doing good if there is no open street parking. But the worst thing to me is a place that has weird hours or days they don't open. I gave up on the butcher shop years ago because it only takes two visits to find they are closed before I find another place. Rose garden not open for dinner and red ox not open for lunch	4/4/2018 7:04 PM
150	Future development of Hampshire needs to focus away from the present down town area. I'm not saying tear it down, but it's not in the right place for future. It cannot be expanded without removing all the housing around it and even then it's in the wrong place "for the future". It needs to be on Highway 72 this will be the main corridor for the future.Hampshire downtown right now has no expandable future.	4/4/2018 7:00 PM
151	Parking	4/4/2018 6:53 PM
152	Nothing. We have nothing downtown. Horrible restaurant, horrible bar & parking is & pulling out onto state is hard to see to be safe	4/4/2018 6:28 PM
153	Don't have items I need.	4/4/2018 6:26 PM
154	Parking, poor quality	4/4/2018 6:15 PM
155	Parking	4/4/2018 6:08 PM
156	Downtown is empty. Nothing going on. Needs to grow and make larger with better attractions and activities	4/4/2018 5:42 PM
157	Parking, with growth becomes an issue but the real issue is going to be - how do you keep the down home feeling Hampshire has while it grows. No easy answers but worth tackling.	4/4/2018 5:41 PM
158	Parking	4/4/2018 5:36 PM

173	Parking	4/4/2018 3:01 PM
174	There's nothing to draw me downtown. Either closed businesses or restaurants that close at noon.	4/4/2018 2:52 PM
175	Old dated buildings, no greenery. No real downtown feel. The places that are open, don't seem like they are even open. No al fresco dining.	4/4/2018 2:24 PM
176	Parking. Hours of operation.	4/4/2018 2:13 PM
177	Parking - see question 6.	4/4/2018 2:11 PM
178	There isn't much to do	4/4/2018 2:10 PM
179	We as a family spend a lot of time in Hampshire. Our kids are involved through school, church, park district, etc. We do what we are able to in order to save time and money on going elsewhere. There just isn't quite as many options, so sometimes we do look further. As for shopping and eating out, the only things that prevent me from staying in town are few options and prices.	4/4/2018 2:01 PM
180	Not many places to just sit down. Also, lacking in trees.	4/4/2018 1:53 PM
181	Nothing really going on.	4/4/2018 1:52 PM
182	Price points at stores Aldi can be so much cheaper for groceries than blocks	4/4/2018 1:30 PM
183	i hate driving down state street with all the parking spaces right there. it's a little nerve wracking not knowing when someone is just gunna whip out of their spot/ or come off one of the side streets.	4/4/2018 1:29 PM
184	Parking for sure!	4/4/2018 1:29 PM
185	prices and selections	4/4/2018 1:26 PM
186	Parking	4/4/2018 1:25 PM
187	Parking	4/4/2018 1:23 PM
188	No activities. No nightlife or anything to keep people going out.	4/4/2018 1:15 PM
189	Parking and the area is just very rundown	4/4/2018 1:11 PM
190	Open space would be nice, outside dinning, village events	4/4/2018 1:10 PM
191	Parking is not practical	4/4/2018 1:04 PM
192	Parking. Not lack of but it's extremely difficult to back up on State Street because you can't see the traffic coming.	4/4/2018 1:03 PM
193	Parking, everything closes earlier for working people that is not a good thing. We don't have the opportunity to visit downtown Hampshire to spend our money because everything is closed. At night Hampshire looks like a nasty ghost town. We need downtown improvements to make the town look more pleasing to the eye.	4/4/2018 12:59 PM
194	Parking Price	4/4/2018 12:56 PM
195	more parking would help	4/4/2018 12:55 PM
196	There isn't things to do downtown	4/4/2018 12:51 PM
197	Minimal options for shopping	4/4/2018 12:51 PM
198	Business hours	4/4/2018 12:50 PM
199	Parking in state street is difficult it's hard to see oncoming traffic when you're backing out of a spot, even with a backup camera.	4/4/2018 12:45 PM
200	The only thing we really do in Hampshire besides school activities and sports is Coon Creek. What else is there ?	4/4/2018 12:43 PM
201	Parking, Events,	4/4/2018 12:42 PM
202	parking	4/4/2018 12:37 PM

203	Parking is an issue. It can be difficult to pull out of those angled spaces with traffic, and it's also hard to turn onto state from the side roads as the cars parked in those spaces block your vision of cars coming down state. I realize there's probably not much to be done about it. Also, the downtown area isn't all that visually appealing. It doesn't have the "cute" factor of other small town "downtowns."	4/4/2018 12:34 PM
204	Its looking like a ghost town, there is nothing here to shop for.	4/4/2018 12:34 PM
205	Probably parking	4/4/2018 12:33 PM
206	Some residents can be off putting	4/4/2018 12:30 PM
207	there is no aesthetic appeal to our downtown area. It looks slightly run down ,and who wants to hang out in a run down area.	4/4/2018 12:23 PM
208	Store hours aren't consistent	4/4/2018 12:22 PM
209	Parking. I know angled parking facilitates more spaces, but it also presents danger because of blocked vision	4/4/2018 12:20 PM
210	Parking I don't like the parking at all downtown can't see when coming from the east and west streets unless you get way out there, we need to bring back the special Hampshire events they did when we moved here, the street dance, Bingo,	4/4/2018 12:17 PM
211	as mentioned above, parking is kinda wonky, plus there is no proper cross walks that MAKE cars slow down. hard to pull out and or cross streets.	4/4/2018 11:50 AM
212	Parking	4/4/2018 11:43 AM
213	What stops me?....there is. I thing there. We used to have a vital downtown filled with businesses; now it is a creepy ghost town.	4/1/2018 5:52 PM

11	Hampshire needs an independent news outlet that covers government, fire, police, social and business news and features. Newsprint is no longer a viable method, so social media is probably the best business plan. 105	Idk.	4/8/2018 5:14 PM
106	We have lost a few buildings. The Kave has great history. It would be nice for the Village to help rehab it. All the older buildings with history need preservation. Love how the old gas station looks. We lost the old train stop. What a shame that was. The old time feel is to be saved. All successful small towns have this. But this has much to do with common courtesy, friendliness and the desire to keep our town a place of helpfulness.	4/8/2018 5:09 PM
107	I like the small town feel, but would do away with it for services that are worthwhile	4/8/2018 4:55 PM
108	Love the small town Americana feel - just needs to be "full" and occupied and well cared for.	4/8/2018 4:45 PM

124	Small town feel	4/8/2018 12:30 PM
125	A balance can we achieved by restoring building facade while upgrading interior to meet needs and current codes. Alternative is rundown buildings being grandfathered on codes, which doesnt encourage new businesses to come in and start business extremely behind in competitiveness due to large upfront investment to meet codes.	4/8/2018 10:22 AM
126	Both small town atmosphere and building preservation if historic and not run down. Updates can be made to equal the look and feel of small town and historicAI buildings. There should definitely be a code for color and workmanship if changing a store front. I.E. the green awning above the former Palazollo's was hideous and poorly done.	4/7/2018 4:06 PM
127	I love the small town. We live so close that we can walk (weather permitting), to the library, post office and restaurants (when they open)	4/7/2018 3:48 PM
128	Keeping the old / small town feel but having everything in sync or in uniformity. Window shopping, curb appeal.	4/7/2018 1:10 PM
129	Just the streets. Tear it down and start over. The Village Hall is a good example of beyond reasonable \$ upgrading.	4/7/2018 10:48 AM

132	I would like to keep the small town feel like the downtown areas of Woodstock and Crystal Lake. Small but vibrant.	4/6/2018 10:17 PM
133	Old buildings are great, they should be kept in good repair/preserved. Keep the history of our little village in mind/use it's charm to enhance being here. Maybe put historical signs on the buildings. Use the Chamber of Commerce Hampshire Area Guide and village website with a map to the buildings downtown. Can also use this to tell history, outline a day of what's fun to do in Hampshire. Show where to stay (hotel, Muirhead Farmhouse, etc), what do to for shopping, (quilt store, have a meal, local event)Small town feel is very important and one of the things we like most about Hampshire.	4/6/2018 8:57 PM
134	I like the hometown feel. Hampshire can grow but maintain that similar to Geneva	4/6/2018 6:22 PM
135	Clean up the overall look of downtown, paint/signage could be improved. Sidewalks need work.	4/6/2018 6:10 PM
136	too late, small town America died with the model t	4/6/2018 5:07 PM

141	I like the small town feel and the old look of the buildings	4/6/2018 11:19 AM
142	Small town atmosphere. Most of the downtown buildings are not in good shape. Not able to be utilized in a productive manner. Huntley has been doing a good job redeveloping the old downtown. They're keeping the old town feel with new building that is more usable.	4/6/2018 10:20 AM
143	It's important to preserve the fact that Hampshire is a small village with agricultural roots and history. Maintaining historical exteriors is important, but not at the expense of improving/modernizing the working interiors.	4/6/2018 10:04 AM
144	The library.	4/6/2018 9:50 AM
145	Small town feel would be great with an updated look. Still "old feeling" with antique lights and flowers everywhere but definitely updated.	4/6/2018 7:57 AM

146	I'd prefer general small town. It's nice to have a variety of options. Out by the truck stops or 47/72/20, But the downtown needs to stay small business, restaurant/cafe, small (affordable) grocery, specialty shops.	4/6/2018 1:06 AM
147	The buildings look like they are 50 years old. Upkeep with the exception of maybe three businesses is nonexistent. If they don't care how they look why should I care to frequent them.	4/5/2018 11:37 PM
148	I like that each building has it's own individuality. I would hate for one place buying up several store fronts and changing the look to be one block long building.	4/5/2018 11:30 PM
149	Keep the library and old gas station. The old building fronts are great but they might need a face lift. A good pizza place would be great too.	4/5/2018 10:57 PM
150	Have historic facts displayed in front of bulidings and make different use of the old place to bring in small shops that are family oriented angain like Geneva or Galena	4/5/2018 10:14 PM

152	Library	4/5/2018 9:19 PM
153	Small town!	4/5/2018 6:22 PM
154	Other than the few business in downtown I frequent, there is no other reason to go there. Keep and expand on the small town feel with reasons to go downtown. Put some grassy areas, maybe a gazebo where events could happen. Currently it's all concrete or brick and just not very inviting.	4/5/2018 5:03 PM
155	Update the building fronts for a continuous look/feel, but the overall small town feel can be retained. State st. is not really a street that can be expanded/upgraded to handle a ton of traffic and I don't feel that bigbox stores would work or fit well on or along State st. Keeping the large commercial/retail towards the fringes of Hampshire borders works for me and brings external revenue into Hampshire from other bordering villages.	4/5/2018 4:04 PM

164	Look at Geneva, St Charles, Huntley, etc...they have managed to keep the little town feel but they attract people from everywhere to spend money - it can be done.	4/5/2018 11:14 AM

187	Keep the small town feel my not adding big businesses.	4/4/2018 10:29 PM

189	Small town, quaint atmosphere. Forget the franchises. Make it a place people can gather, shop, sit outside for coffee, etc.	4/4/2018 10:00 PM

192	Preserve the small town feel but need to rehab and update.	4/4/2018 9:36 PM
193	Small town feel. For example, the library needs a larger building, but I love the character that it currently has and would hate to see it become too large and impersonal.	4/4/2018 9:30 PM

218	I love the small town feeling of the buildings....just hate that so many are empty!	4/4/2018 7:27 PM
219	Love the "Mayberry"feel!	4/4/2018 7:10 PM
220	Preserve the feel of a small town while investing in the preservation and restoration of existing buildings. Make Hampshire a destination for out of town consumers by attracting a mix of restaurants and businesses similar to what Geneva, Sycamore , Elburn and St. Charles have done.	4/4/2018 7:09 PM
221	It would nice to keep the older feel, each building having its own style. New complex build with all the fronts the same, but downtown should be unique to each business. State Farm did a nice remodel that shows its style!	4/4/2018 7:04 PM
222	Building preservation and keep businesses local, need to preserve the small town appeal	4/4/2018 7:04 PM
223	Look what sycamore did with there older section, they have a completely new business area, but preserved and changed the old section to be a busy hub and fit in with the new.while retaining its majestic quality of the past	4/4/2018 7:00 PM
224	Small town look and feel..upscale and general needs shops..similar to Galena	4/4/2018 6:53 PM

231	Small town feel while having the right businesses to forfill basic needs.	4/4/2018 5:50 PM
232	The general feel of a small town. We moved here and were so pleasantly surprised how friendly everyone is, from people who live here to businesses and municipal employees, police and fire. I would fight to keep that, which is attainable through good planning and ensuring people understand that while we would like to have more in the downtown area it shouldn't come at the price of loosing its identity.	4/4/2018 5:41 PM

239	The small town feeling. This was the reason for moving here. It should be fixed up to be more welcoming without losing the charm.	4/4/2018 4:57 PM
240	Small town feel, but modern amenties need to be accessible.	4/4/2018 4:53 PM
241	I like the charm of the main street. Look to Glen Ellyn, Elmhurst and La Grange as examples.	4/4/2018 4:45 PM
242	We live here because we like small town life. But a hardware tore and a couple nice dining options would be good.	4/4/2018 4:42 PM

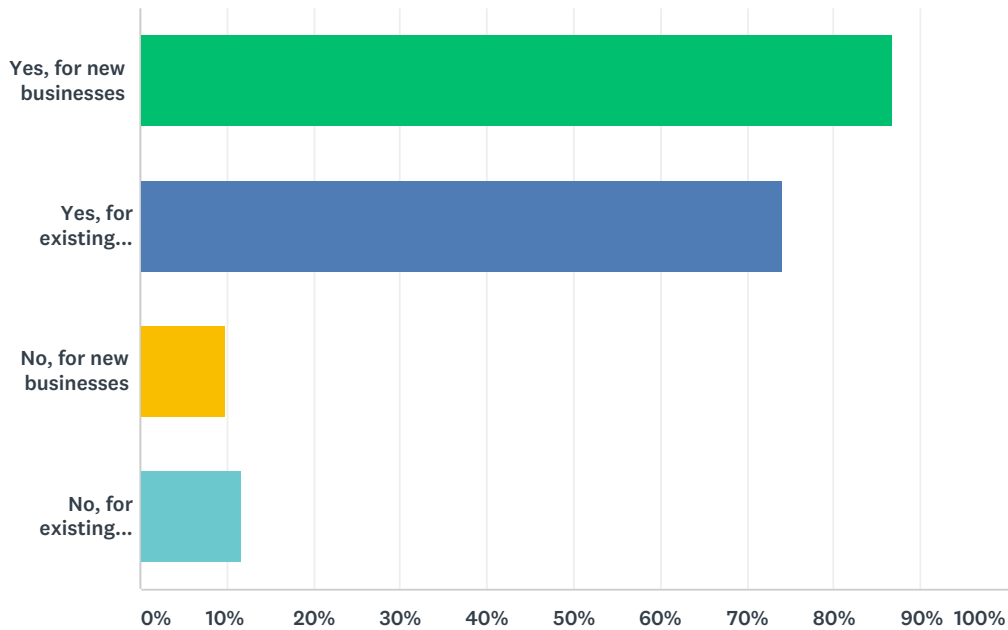

243	I don't really have much of a preference, though I do still like the small town feel it has	4/4/2018 4:38 PM
244	Small towns cannot support businesses on their own. PerhPs try to lure more people from Del Webb into our downtown.	4/4/2018 4:32 PM
245	Love the car dealership and restored gas station. Most other buildings need a face lift and a business to occupy the space	4/4/2018 4:31 PM

258	General feel of a small town. Similar to what Huntley is doing.	4/4/2018 3:01 PM
259	Love to keep the library and the charm	4/4/2018 2:53 PM
260	It's a great looking little down town, it just needs more active business and less closed ones	4/4/2018 2:52 PM
261	The small town feel	4/4/2018 2:45 PM
262	Small town.	4/4/2018 2:42 PM
263	Keeping as much historical as possible while restoring and adding beauty with landscaping and building maintenance.	4/4/2018 2:39 PM
264	Small town feel. Cute shops with unique items. But have a bigger grocery/target type store close!!!	4/4/2018 2:36 PM
265	I like the building preservation. Also small town feel with quaint little shops	4/4/2018 2:36 PM
266	Small town feel, maybe break up the mass of parking with landscaping. Purchase land on secondary streets for more parking, like Sycamore.	4/4/2018 2:24 PM
267	Small town feel, no chain stores	4/4/2018 2:13 PM
268	Building preservation. Keeping that small country town feel.	4/4/2018 2:13 PM
269	The businesses that are already there and the buildings	4/4/2018 2:03 PM
270	Small town feel	4/4/2018 2:03 PM
271	The small-town feel is charming and we as a family like and prefer that. We feel that updating the downtown area specifically actually adds to that small-town feel, rather than take away from it. Having a few small shops or restaurants would make this town seem alive again. Hampshire, in our opinion, lost it's small town feel when the High School left town, and businesses soon after.	4/4/2018 2:01 PM
272	Historic old buildings	4/4/2018 2:01 PM
273	general feel downtown, but away from town should be allowed to expand.	4/4/2018 2:00 PM
274	General feel of small town, we do not want a large booming town like west Elgin has become over the past 15 years. We moved here for the quaintness. Would love to see it stay that way.	4/4/2018 1:59 PM
275	Small town feel, keep big box and traffic away	4/4/2018 1:55 PM
276	No chain stores. At least keep the historic building facade.	4/4/2018 1:53 PM

277	Would love to preserve the quaint feeling but buildings need to be updated. They are falling apart.	4/4/2018 1:52 PM

282	The old gas station. Adds character to the strip.	4/4/2018 1:25 PM
283	N/a	4/4/2018 1:23 PM
284	Small town feel definitely like the old gas station, rose garden etc... However I feel like the old part of hampshire needs to be remodeled. Keep the post office, library, and banks to keep people here.	4/4/2018 1:15 PM
285	The downtown continues to lack an established focal point. When driving through the downtown the only notable, eye-catching entity is the restored Mobil Gas Station(And that is only due to my being a "Car Guy"). Continued efforts towards façade renovation & enhancement, additional benches & waste cans are only tangible hardscape elements that are only a small component of a thriving Downtown business district. Destination businesses in the downtown business district serve as the structural framework that sustains a thriving business district. Geneva, Genoa, East & West Dundee and St. Charles are all examples of successful & thriving Downtown Business Districts where new business owners seek to establish their businesses. Dollar Store and Quilt Shop are a few of the recent(10+ years) examples that have taken the risk to call Downtown Hampshire Home. Some tangible & visible improvements to the Downtown Hardscape may be a good place to start. If the Community and Businesses observe the Village taking active & noticeable steps towards investing in the Downtown Business District, prospective business owners may be more willing to take the risk associated with Hampshire's Downtown Business District. Installation of a historic street clock in the center of the Downtown Business District could serve as a catalyst along with other improvement efforts the Village may deem as acceptable improvement expenditures.	4/4/2018 1:14 PM
286	Like I said it should still have the small town feel and have local shops that meet the residents needs	4/4/2018 1:11 PM
287	Both small town and building preservation look at the city of Geneva and st charles good modeling of a downtown	4/4/2018 1:10 PM
288	Some of the small town feel but with greater access and options... this could even be done in the areas surrounding downtown or off Rt. 72.	4/4/2018 1:09 PM
289	Bldg preservation, home town feel	4/4/2018 1:08 PM
290	Sprucing it up. Flowers. Flags. Decorations for holidays.	4/4/2018 1:07 PM
291	Keeping the small town feel just offer a few more things to make it look like we have a downtown	4/4/2018 1:04 PM
292	Not really downtown but chick n dip.	4/4/2018 1:03 PM
293	I think building should be upgraded to make the appeal of small town living more inviting. Main Street should look like small town Main Street and right now it looks dirty and poorly taken care of	4/4/2018 12:59 PM
294	Small town	4/4/2018 12:56 PM

297	The small town feeling for sure. We moved out here for that even though people that have been here forever don't seem to like anyone new. The buildings need an update but still keep the same looks.	4/4/2018 12:51 PM

303	Would like to see the downtown keep its small downtown look. Just maintain the buildings better rather than tear down or put an ultra modern facade on them. Keep the Country charm look.	4/4/2018 12:37 PM

305	I like the small town feel, but I'm not necessarily devoted to things like building preservation.	4/4/2018 12:34 PM

310	Please keep the small town feeling	4/4/2018 12:23 PM
311	I like the small town feel. Also the age of our community	4/4/2018 12:23 PM
312	Small town feel, the old gas station and auto shops	4/4/2018 12:22 PM
313	small town feel should be kept with updates to current exteriors of buildings where possible	4/4/2018 12:20 PM
314	Small town and friendly feel such as Genoa, St. Charles, Geneva... but those towns also have state route and/or river to centralize, which we do not	4/4/2018 12:20 PM
315	I would like to look like Genoa, Huntley preserve the old and update, and create new that looks like old.	4/4/2018 12:17 PM
316	Both things stated in this question are important. #1 would be keeping out small town feel. Preserving the integrity of the structures while also keeping them safe and attractive is important.	4/4/2018 12:13 PM
317	I would love to keep the quaint downtown feel of a small town but many buildings/businesses are in serious need of updates, paint, repairs,etc. we don't need anything fancy, but it needs to be far better than it is today. The infrastructure is there, it just needs a serious facelift.	4/4/2018 12:08 PM
318	Small town feel, vintage aesthetic, Chick - n - Dip, yes to building preservation - I would like to see apartments in the downtown building upstairs!	4/4/2018 12:08 PM
319	I don't if it is as much preserve because currently it does not have it. I would like to see the downtown be a place for the community to come together in fellowship to eat, shop, and spend their leisure dollars. I see the downtown more as a source for that then a source for life's necessities.	4/4/2018 12:05 PM
320	Building preservation	4/4/2018 12:03 PM
321	Mixed feelings on this, because some old time residents think things looks fine just how they are which means run down. Why was it okay to look brand new when they opened and then okay for them to not get fines for keeping up outside.	4/4/2018 11:50 AM
322	Keep the buildings just rehab them	4/4/2018 11:47 AM
323	Small town feel. We could use some planters for flowers.	4/1/2018 5:52 PM

1	Would love b able to walk the downtown area going in and out of small cute little shops. Also would love to start something cute , club of businesses , as free advertisement , to do all the downtown planters	4/21/2018 12:27 PM
2	Would be nice to have family friendly eating options. Maybe a coffee shop with outdoor seating. A hardware store that is not convenience priced. I hate going to Elgin for A simple bolt or tool but do not want big box in hampshire. How about ace or true value? A jewel osco or butera would be very welcome. I like the Napa and the DQ. The liquor store on 72 is great. Casey's is great for essentials and not crazy priced.	4/21/2018 11:09 AM
3	The issue of facade standards can be a charged issue with most business owners. It adds to the start up costs and could make a store not stand out from another. I really like historic preservation but would hate to see new stores not locate here because of rigid standards. My biggest draw was the hardware store but my shopping in the downtown district has greatly lessened since it closed.	4/19/2018 9:13 PM
4	Looking forward to making the downtown area a pleasant place to walk around and enjoy the country life as much as possible. Hampshire has tons of potential.	4/19/2018 2:18 PM
5	Hampshire has the potential to grow in a dramatic manner. I would like to see my town turn into a resource to not only us but our neighbor towns the way Schaumburg or Elgin do.	4/17/2018 7:03 PM
6	I love the small town feel (that's why we moved here), would love to see it grow, but keep the small town feel	4/16/2018 9:26 AM
7	I think downtown should stay small businesses and such but outside of downtown but still within the village shopping could be added. I would be more.prone to use restaurants and such downtown if I were shopping near the area.	4/16/2018 12:44 AM
8	Focusing on building up 72 might be a better start. The population of Hampshire, Genoa, Burlington and Kingston we be close to equaling the size of Huntley. They might intise more business. 72 is a heavily traveled road.	4/15/2018 10:05 PM
9	Nice modern business to attract good people who can afford to spend money in town and quality family friendly businesses	4/15/2018 6:27 PM
10	Good Luck. Thanks for asking our opinions	4/15/2018 1:49 PM
11	need to re-brand as an up and coming young family-friendly community in order to attract residents and by so, population increase will attract QUALITY businesses that know their market/household income. Need to invest in strict zoning and widening the Rt 72! Lets give huntley a run	4/15/2018 12:09 PM
12	We need to give OUR community our money. We at least NEED a grocery store. BUILD our community. Invest in or community	4/14/2018 5:36 PM
13	Quality businesses to attract families and young couples. No bars no gas stations no blighted strip malls	4/14/2018 4:04 PM
14	Will do.	4/14/2018 12:54 PM
15	As I said previously, I would like to see trendy shops and restaurants, especially somewhere decent to eat lunch.	4/13/2018 8:55 PM
16	Make it more inviting no parking it is hard to drive thru or park. No business wants to be where you cannot park.	4/13/2018 11:21 AM
17	New Municipal Complex	4/13/2018 8:48 AM

18	Although not downtown the appearance of nearby homes does reflect on the village. For example, the latest trend is for garbage receptacles to be left in front of homes all the time makes one feel that you are traveling through city alleys. By the way, this is expressly stated as a no no in the Waste Management brochure.	4/12/2018 8:25 PM
19	Just get Blocks out of town!	4/12/2018 5:00 PM
20	Focus on making State Street on an attractive place people want to visit	4/12/2018 4:39 PM
21	We definitely need more business to keep this town going. We need more grocery store options. Although big box stores are kind of a pain, that might need something we need to get the dollars spent in Hampshire. I travel to Walmart/Aldi/Target/Jewel for all food. And while I'm that direction, we go to the McDonald's there because it off more convenient than the one on 20. More food options would be great. We've eaten at Sofia's on 20 and think the food is really good. We need more places so we can spend out money here	4/12/2018 3:17 PM
22	there needs to be some way to include everyone in Hampshire - not everyone uses social media, has email or any of the other "online" routes. There used to be a good local paper that let people know what is happening. Not saying to kill trees but maybe the town should have a mailing to inform people of the electronic options of staying informed.	4/12/2018 11:24 AM
23	None	4/12/2018 10:28 AM
24	Make it family friendly and more progressive. Lose the small town BS. Add some restaurants and families would flock there.	4/12/2018 10:13 AM
25	Rt. 72 needs to be widened and traffic signals added near Brier Hill and Romke. After widening, need to attract QUALITY restaurants, and grocery stores to compete with Huntley. No 7-11, no liquor stores, no quick marts. Need to place major enforcement and emphasis on zoning to create consistent look of a quaint town. Look to downtown of St. Charles or North Shore of Chicago for Zoning regs.	4/12/2018 9:38 AM
26	I know there is some type of Farmer's Market, but expanding it or possibly getting information out to everyone about it would be helpful. Communication about events or new businesses coming into the area need to be conveyed to more of the outlying subdivisions. Being in Lakewood Crossing, we do not get much information. I try to get the information from the Village website or Facebook, but it is not always very detailed.	4/12/2018 8:45 AM
27	YOU NEED TO CREATE HOA STYLE RULES FOR THE DOWNTOWN BUSINESSES REGARDING APPEARANCE, PARTICIPATION IN COMMUNITY EVENTS, AND GOODS/SERVICES RENDERED	4/12/2018 7:52 AM
28	Like the small town feel like in Sycamore where you can park and walk around. Our downtown is smaller but it could be done	4/12/2018 7:50 AM
29	Buildings are being purchased downtown for personal storage. Most of what's currently downtown does not draw people who want to spend money.	4/12/2018 7:11 AM
30	Yes keep the taxes at check. We are taxed out of our homes	4/12/2018 5:49 AM
31	PLEASE bring more options to Hampshire. If we need a quick stop for something, the only option is Blocks (really gross inside) or Caseys gas station. not much to pick from...	4/12/2018 4:07 AM
32	Outdoor seating would be nice. Walk up widows for food instead of drive up, but that's probably just me.	4/11/2018 9:58 PM
33	Older people need access to grocery, hardware and medical services close to home!!!	4/11/2018 9:49 PM
34	Something unique that draws people into town. Like Elburn has Reams. Quality goods.	4/11/2018 9:48 PM
35	None at this time.	4/11/2018 9:20 PM
36	People in this town are very active on Facebook community groups, which the Mayor and others are on, so they have an idea of what people want. The car dealership is out of place there, rather that was a clothing store, coffee shop, or restaurant.	4/11/2018 9:07 PM
37	Downtown Hampshire is within walking distance for MANY of its residents, yet there's nothing to do once you walk there! A cafe/coffee shop/deli would be a great spot for people of all ages to meet, visit, work, and support local economy etc.	4/11/2018 8:41 PM
38	More options. Big grocery store	4/11/2018 8:27 PM

39	I think we need some places for family fun. There are a lot of kids in Hampshire and it's only growing.	4/11/2018 8:22 PM
40	Would like to see more food/entertainment options to keep me in town on the weekends. Now it's impossible to have a nice meal without going to a neighboring town or further.	4/11/2018 8:15 PM
41	More attractions, places to visit, and things to do are needed. Maintaining an old small town feel would be exotic and rare. I'm thinking Gattlingburg, TN mixed with Funny Farm (movie) - small but packed with fun! I also enjoy motorsports. Having an ATV trail system or off-road park outside town would draw big crowds and dollars.	4/11/2018 7:41 PM
42	I am open to Hampshire adding more restaurants, a bigger library& bakery	4/11/2018 7:39 PM
43	Stop talking and do it! Look at Acquaviva Winery middle of no where and it's worked! What are we doing?	4/11/2018 7:33 PM
44	Need a parking plan and building rehab or demolition of older run down structures better layout and get rid of dirty businesses like rose garden and blocks and attract better business owners who care about keeping up with public areas	4/11/2018 7:32 PM
45	A facade program is a great idea but the businesses need to have participate monetarily. I don't believe a facade program is going to gain shoppers or bring business to downtown.	4/11/2018 7:32 PM
46	Moving forward the biggest thing i can offer up is more natural lands mixed in with business. Take the town of Geneva for an example.	4/11/2018 2:26 PM
47	Opinion; Downtown dead for anything other than a mom/pop shop or office space. Retail & commercial needs the high traffic exposure of a state route like other communities. I do not see a return on village money spent on downtown improvements or projects at this time. Protect the frontage of Rt. 72 and develop that area for the future of this community.	4/11/2018 10:04 AM
48	They all need to be competitive. We need a Hardware store and a large grocery. - we presently go to Ace and Butera in Genoa. We also go to Woodmans and Menards. The hardware does not need to be an Ace. Something like a Walgreens would be in the future when the town grows in population.	4/10/2018 4:25 PM
49	perhaps one idea is to try to focus on one market and try to recruit similar busines...le richmond il (antiques) or long grove ..what about a book town???	4/10/2018 2:13 PM
50	Not at this time	4/10/2018 12:07 PM
51	I think it's great that you are trying to improve the downtown. I've always felt terrible that most towns around Hampshire had much more charm.	4/9/2018 2:24 PM
52	a couple quick notes, my business lies just beyond city limits and the reason I am not in the C of C is the cost/benefit. I feel that my money could be better spent on promotions in other ways. They do good work, but promotion of area business can be done in ways that do not cost hundreds of dollars per event. Regarding building codes and facades, etc. Those businesses need fewer restrictions. We need to make it easier for them to operate in a low-cash environment. guidelines may be a nice idea, but they often turn into codes. I take back my comment about Amish Furniture.	4/9/2018 1:25 PM
53	Drug store	4/9/2018 11:12 AM
54	Just let it grow. This, now, seems like too little too late	4/9/2018 10:53 AM
55	None at this tome	4/9/2018 10:18 AM
56	Would LOVE to see a coffee shop!	4/9/2018 8:05 AM
57	We moved here from Sycamore, which is a lovely town and it is always interesting to walk and look into the shop windows. They have a lot of cute stores and restaurants with good food.	4/9/2018 12:44 AM
58	Keep the big box stores out	4/8/2018 11:23 PM
59	We need more of a family/kid town feel	4/8/2018 10:24 PM
60	I am unsure about a farmers market for 2018. . . I remember one being held in years past.	4/8/2018 9:16 PM
61	please build grocery stores or a generall store-target, walmart etc.	4/8/2018 9:15 PM
62	I think car show rooms are more appropriate outside of downtown	4/8/2018 9:14 PM
63	No	4/8/2018 8:45 PM

64	Hardware store, nice coffee/deli place to sit and eat.	4/8/2018 8:13 PM
65	Though we love Hampshire, we dislike the mentality of the people that have lived here for more than 20 years. Every time someone mentions a new grocery store or supermarket, those people get on their soapbox about how us newbies should move to a bigger town. We can have a smaller town with better amenities but those with small minds can't understand that.	4/8/2018 8:08 PM
66	Need business growth to attract people here.	4/8/2018 7:51 PM
67	It would be excellent to have everything we need right in town. I really don't want to leave Hampshire to get groceries or go out to eat, but there really isn't much of an option for either of these. Also, as a guy whose always working on projects at home, it would also be great to run down the street for a box of screws or plumbers tape when I'm in a pinch.	4/8/2018 6:04 PM
68	Our family would love for downtown Hampshire to be our weekend hangout area. We would love to walk around shopping at antique shops and getting coffee, donuts, or ice cream. At night we would enjoy live music and outdoor seating at restaurants or bars! We would also enjoy farmers markets, and community events. We used to live in Dundee and they started having events downtown such as Wine Down Wednesday with food and wine samplings from local restaurants and live music, concerts and movies in the park, and farmers markets on weekends. We loved it and hope downtown Hampshire has a similar vibe one day. We also like downtown Elburn and downtown Geneva, just don't like how populated Geneva is.	4/8/2018 6:04 PM
69	Love the market every month. Need more activities. Miss Coon creek at Bruce Ream Park	4/8/2018 5:53 PM
70	A food truck festival would be great.	4/8/2018 5:09 PM
71	Need more businesssss to support our growing town	4/8/2018 4:07 PM
72	You Need to focus on new industrial and business opportunities in industrial parks as well!!! Very disappointed with Hampshire's movement on this. This will help with the tax base !!	4/8/2018 3:45 PM
73	Move downtown to 72	4/8/2018 3:36 PM
74	Build up the downtown, and you will attract more business and generate more money and keep it locally.	4/8/2018 2:23 PM
75	Hampshire has a lot of young children with all of the new development, this should be taken into consideration. Local places to take your children to are the best. Play places, restaurants like two toots, and candy or ice cream stores. Hampshire also has a lot of folks who commute to work, maybe consider seeing if it is possible to have the metra come out this far west and have a train station. Just thoughts to help our community grow, expand, and bring in revenue.	4/8/2018 1:49 PM
76	A pool hall would be nice too. Glad we have the new splash park to take the grandchildren to. (Our children are grown)	4/8/2018 1:26 PM
77	Not at this time	4/8/2018 12:52 PM
78	Hope that our residents support any new businesses.	4/8/2018 12:43 PM
79	I think it would be best to start building up Rt 72. Downtown is not convenient when you should be able to get it all on Rt. 72. We should proactively seek stores (Dollar General, Restaurants that are not McDonalds and places that are well rounded for our lives that we dont need to go outside of town).	4/7/2018 7:21 PM
80	See Big Timber, Rt.20 and the missing interchange and no action from the land owner at this point. Donating to Coon Creek doesn't get the job done	4/7/2018 10:48 AM
81	Places for kids like a theater.	4/6/2018 11:30 PM
82	Shopping local is very important and a lot of Hampshire residents show me the support with my hair salon. But they are disappointed with the older businesses that can't keep up with putting money back into their businesses so they chose to shop elsewhere. By actually taking into account what all the residents want I think our downtown will dramatically change for the better. There is so much potential	4/6/2018 11:18 PM
83	Control growth along 72 & 20 other communities like Crystal Lake had so much growth along Rt 14 that the downtown was blighted I don't know how they brought businesses back but it is very vibrant today.	4/6/2018 10:17 PM

84	<p>You have great advertising building blocks in place with the village website and facebook, chamber of commerce area guide, fun community events (street dance, coon creek!), summer third Saturdays farmer's market/Prairie View, nice historical buildings. Create a new section on the website or in the Area Guide to show maps of our actual businesses and restaurants and their locations (including those outside of the downtown area), also parks, and annual community events. Offer the area guides to areas outside of our community such as in other libraries or Chambers of Commerce in Marengo, Elgin, Sycamore, St. Charles. The library has many nice events for all ages that draw people from other communities, which is a good start for recreation in the downtown area and is free. It would be nice to be able to attend library events, then be able to browse our shops (hand-made crafts, antiques, quilt store), or stop for a meal/snack at our restaurants either before or after the event. (Have overheard people wishing for this). Update/remodel existing shops/restaurants/buildings, add new or update restaurants and grocery stores that include organic/allergen-free foods that appeal to different dietary needs. Create a space downtown that provides easy parking, green areas and old town charm so people can park and wander...and spend :) Thank you BDC for your efforts in bringing more life and business to our awesome Hampshire.</p>	4/6/2018 8:57 PM
85	Impeach Krajecki	4/6/2018 2:33 PM
86	How about having banners during holidays and in general. Decorations for holidays	4/6/2018 11:53 AM
87	None	4/6/2018 11:19 AM
88	Me and my wife would really like to see a big box store come to town to help bring convince to Hampshire and avoid having to travel to Huntley for most of our needs.	4/6/2018 10:18 AM
89	I love Hampshire, I grew up in rural communities around Hampshire, and I am excited/eager to help Hampshire develop its downtown to remain relevant and successful without losing the work ethic and history that make it what it is.	4/6/2018 10:04 AM
90	Would love to see kid/teen places to enjoy. More restaurants. Would also love to be able to and want to be able to spend my time and money in my town vs. having to spend elsewhere.	4/6/2018 1:44 AM
91	Speak with Mariano's or another grocery store with a lot of organic options.	4/5/2018 10:14 PM
92	Would like to keep a small town feel but more updated. The number one request is a large grocery store like Mariano's with organic options.	4/5/2018 10:10 PM
93	Please grow the downtown area!!!	4/5/2018 9:19 PM
94	<p>While I grew up in Arlington Heights & might be biased in thinking they've done a nice job growing their downtown area into a visually enjoyable and contiguously themed central business district while keeping the large commercial/retail located on the outskirts of the Village, I think this overall concept seems to work well. I feel this approach helps bring in external revenue from neighboring villages or passthrough traffic while protecting their downtown from excessive commercialization and/or traffic. Barrington is a PITA because their downtown is focused on/at/around heavily travelled roads(Lake-Cook, NW Highway/Rte 14, Barrington Rd/Rte 59), but fought to keep the quaint/cute downtown, restricting these roads from ever really being upgraded. And their traffic sucks because of it, to be blunt. Algonquin kind of suffered the same fate recently; Rte 31 just had to be rerouted around their downtown due to the horrendous traffic issues encountered at the intersection of Routes 62 and 31. Our State St. is thankfully not a major through street/collector, but connected to two major roads in arterial Rte 72 and rural collector Allen Rd, thus affording Hampshire the ability to keep the 'sheltered but easily accessible' downtown stocked with smaller sized storefronts that can and should be frequented by residents, and can hopefully be beautified over time into an appealing downtown/central business district/village administrative center that would not be jammed up with people flying through trying to get home in other towns. Keeping the bigger box store stuff on the outskirts: up near Rte 20, along or near I-90, etc. allows for larger revenue drawing from our own residents as well as shoppers from neighboring towns and passthrough commuters, and we can push for beautified/updated downtown with Starbucks/cafes, delis, etc. for our own residents to enjoy.</p>	4/5/2018 4:04 PM
95	Look to keep Hampshire unique. Genoa and Sycamore are great examples	4/5/2018 2:55 PM
96	We need more things to do in town but the marketing to get people to open businesses in town seems to be low. There seem to be people that own properties in town that dont want it to develop and thrive. Why else would half the building in downtown empty. I know from experience it was very difficult to try and lease a building from someone downtown because they did not know us or want our business idea. Good luck.	4/5/2018 1:58 PM

97	Need to show some pride in our community and business ownership. Looking old and run down will keep other businesses from wanting to be here. It brings down their value and the impression it leaves on the passer by. Enforce the businesses to keep their places up to maintain value, and desirability. People don't buy the dirtiest car on the lot even if it's the best one there.	4/5/2018 1:22 PM
98	We need businesses to suit our need. Route 72 needs to be built up since it is a main thoroughfare through here and can accommodate bigger business like a hardware store, restaurant, maybe even Walgreens or a big box store. These businesses need to know that Rt. 72 is a high traffic road that many use to go to and from work from other towns west of here.	4/5/2018 11:54 AM
99	None	4/5/2018 11:39 AM
100	I WOULD LOVE more than anything to have a local pool in hampshire. I know the genoa has a pool but its nothing great. Huntley is too expensive. So we drive all the way to st charles for the pool	4/5/2018 11:38 AM
101	Let's get some business in here sooner rather than later I have heard this years now - let's stop talking and do something!	4/5/2018 11:14 AM
102	From what I hear, the owner's of these "strip malls" and/or buildings NEED TO WORK with potential businesses that want to rent with them. If they aren't going to meet people halfway, then these businesses are going to go elsewhere. As Also, as I mentioned above, I hear/see all of these comments that we need a bakery, we need a florist, etc. Again, we HAD all of that years ago and unless there is a steady stream of customers coming and going daily, these businesses will not survive. Especially if you rent the building rather than own it. From what I see, the owner's of these strip malls are absolute asses when it comes to dealing with tenants and potential tenants. If there going to be treated that way, then why wouldn't you go elsewhere????	4/5/2018 8:58 AM
103	I think this survey was a great idea and I hope Hampshire is able to expand its business profile and population.	4/5/2018 7:06 AM
104	be open to letting a big chain in like Wal-Mart	4/5/2018 4:49 AM
105	N-a	4/5/2018 2:17 AM
106	Bring back the massage parlor....	4/5/2018 1:52 AM
107	Initially I was very excited to build our home last year. However, the last 6 months have me thinking perhaps it was not the best decision. We quickly realized that it takes at least 20 minutes to get simple things like food or household goods that may have forgotten during our previous trip. We live in Tuscany Woods and I know that there are mixed feelings about the recent approval for development but I am excited about it. I would love to see the town grow and have more options for dining, shopping and entertainment. I would like to have friends and family come to hang out with us instead of always driving to visit them. The new businesses is also a great way to create jobs, especially considering there are teenagers who dont drive and constantly need rides.	4/5/2018 1:16 AM
108	You need a proper village hall, more restaurants, better bars, at least a Walgreens. Chik-N-Dip is an eyesore and should be asked to upgrade their appearance since it is right on a busy street (72) and at the corner where people would turn for downtown. Not inviting if you ask me.	4/5/2018 12:58 AM
109	Consider creating a newer downtown north of the railroad tracks. Down be afraid of big box/chains just in moderation. Also, seek business that currently don't exist in nearby towns I.e. chipotle, chick fil a, Texas Roadhouse. Also, other niche business located in towns that thrive(Geneva, st.charles, Naperville) Growing the commercial developments(local jobs) is a key to a growing and thriving downtown. I love Hampshire and am willing to do my part to let it thrive.	4/4/2018 11:08 PM
110	I think we need major store outside of downtown area. No real shopping available in town	4/4/2018 10:48 PM
111	No	4/4/2018 10:29 PM
112	We look forward to the growth within the community. We own a small business and want to support local!	4/4/2018 10:27 PM
113	The committee needs to travel to towns that have downtown areas that have some life to them. Look at the square in Huntley, downtown Sycamore, even Genoa.	4/4/2018 10:00 PM
114	Better signs for sure. How about a nice sign (not too modern) when entering downtown Hampshire? Flags on light posts like other towns boasting Hampshire pride?	4/4/2018 9:59 PM
115	The library has begun to be a major draw to downtown Hampshire, especially tbe monthly concert series. If there were either a bar with live music or other concert venue, it would also necessitate having great restaurants. Some things have a domino effect.	4/4/2018 9:30 PM

116	maybe look into other successful downtowns to see what they have and what has made them work	4/4/2018 9:01 PM
117	I would like to see a return of retail. Ace hardware. Restaurants keeping people in town and attracting out of towners.	4/4/2018 8:56 PM
118	Incentives.	4/4/2018 8:47 PM
119	Walgreens	4/4/2018 8:40 PM
120	We don't have the parking for a large amount of growth in downtown. I can see cleaning it up and bringing some small business to that area. But, with the rapid growth of the town we need a commercial area. Look at Genoa for example. They have downtown, but they also have a larger grocery store and others outside of that area.	4/4/2018 8:12 PM
121	Restaurants and Business I would like to see in Hampshire: Chillis Buffalo Wild Wings Home Depot/Lowe's Target Mariano's	4/4/2018 8:12 PM
122	There is a big youth movement in this town and that demographic should have a representation	4/4/2018 8:05 PM
123	overall more communication	4/4/2018 8:03 PM
124	Would love to see a coffee shop-bakery	4/4/2018 8:03 PM
125	Marketing is key to attracting and keeping new businesses downtown.	4/4/2018 7:39 PM
126	Wendys please make them realize rt 90 wendys is whole other ballgame Fresh fast food. Better than mcdonalds or burger king	4/4/2018 7:37 PM
127	I expect it will be important to consider the safety of the railroad tracks if traffic increases downtown.	4/4/2018 7:35 PM
128	No	4/4/2018 7:31 PM
129	I would love for Hampshire to have most things I need but keep it's quite town atmosphere. I would also love for it to have fun things to do for couple or families.	4/4/2018 7:17 PM
130	DNA	4/4/2018 7:09 PM
131	Additional thoughts are to have a larger grocery store within driving distance and delivery.	4/4/2018 7:07 PM
132	The downtown need to expand. State Street from jackson to Keyes is only part, north state and route 72 need plans future success.	4/4/2018 7:04 PM
133	A huge change has to be forth coming to convince us not to move from Hampshire. It is not going to meet our needs to stay here in the future unless things change. our children, grand children have been raised in Hampshire and moved away because it doesn't cater for their future needs, no employment, that other cities can provide without the need for extensive travel your question regarding where do spend the majority % of your money is not broad enough. The biggest % of our money is spent on Randall Road between restaurants, Food, Home Depot Costco, Walmart, Clothing stores, Meijers and others	4/4/2018 7:00 PM
134	Na	4/4/2018 6:49 PM
135	I would love to see a bigger grocery/hardware store in Hampshire, but not in downtown, but on rt. 72 between town and Rt. 47.	4/4/2018 6:26 PM
136	Love the small town feel of downtown, the Coon Creek parade, Coon Creek days	4/4/2018 6:13 PM
137	Grocery store	4/4/2018 6:08 PM
138	Having a store that has everything you need all at one store and that can be reasonable. Also add a few restaurants/fast food as well. Another thing is adding a few little shops are have nic nacs and bakery.	4/4/2018 5:56 PM
139	We. Could use a higher quality restraint.	4/4/2018 5:51 PM
140	Please attract bigger store names like Aldis, Walgreens, more restaurants near downtown. The highway is too far to go to Wendy's for most residents	4/4/2018 5:50 PM
141	Opportunities for others to be voted into the food pantry. We need better people who will be supportive of the families that use the food pantry. (Not make them feel bad for needing the service)	4/4/2018 5:50 PM

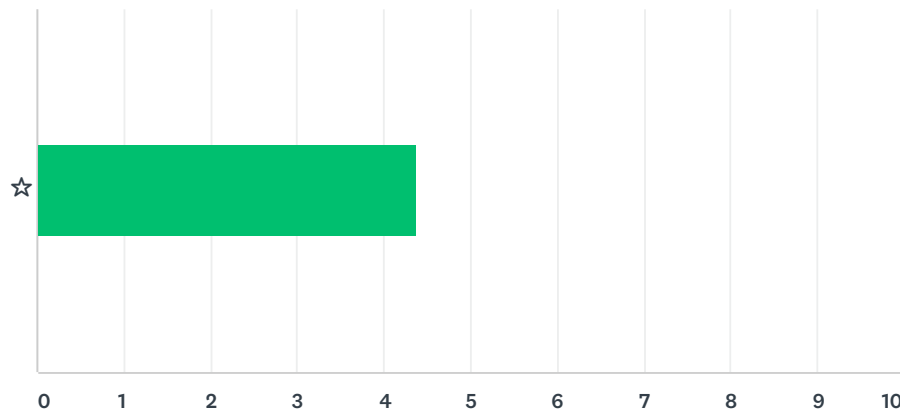

142	Hampshire is a wonderful community. We moved here from the Arlington Heights / Schaumburg area and the difference is day and night. In the event ordinances or whatever are created regarding existing businesses updating their store fronts, signage, etc. keep in mind these businesses are not raking in the money and may struggle to be capable of doing what is asked of them. Are there any grants that might aid them? Be cautious not to drive them out of business with regulations.	4/4/2018 5:41 PM
143	None	4/4/2018 5:35 PM
144	Wish downtown could have more character. Like the Dundees, Geneva, St Charles	4/4/2018 5:10 PM
145	More businesses while maintaining the charm this town has. Options for lower income families, healthier food options, more events and activities to get everyone moving and out to participate and be active in the community would be nice.	4/4/2018 4:57 PM
146	Stop with the surveys and get busy getting stores here! We need a grocery store and a hardware store and a dollar General.	4/4/2018 4:48 PM
147	I really would like to see a hardware store.	4/4/2018 4:42 PM
148	A dollar tree might work well for our town	4/4/2018 4:12 PM
149	Create some incentives to attract businesses downtown and help market them. The class see businesses are an eye sore. If even possible attract a Starbucks, Walgreens, or a business like it thar can anchor the area.	4/4/2018 3:59 PM
150	I would like to see bigger schools. I know our town can't fit all our kids. Like the preschool programs. Not enough classrooms. I have to drive to Gilbert's. Building all these new homes, townhomes, condos but where will those kids for in our school? By the way, I love Hampshire schools!	4/4/2018 3:40 PM
151	Would love a Redbox	4/4/2018 3:35 PM
152	N/A	4/4/2018 3:17 PM
153	N/A	4/4/2018 3:06 PM
154	N/A	4/4/2018 3:05 PM
155	We have such a great little town but it's more of a ghost town, I'd love to spend more time downtown but there is no draw.	4/4/2018 2:52 PM
156	Restaurants that offer exceptional food. People would travel for that. Even a nice bar with great pub food. IMO nothing else will make it anymore in Hampshire. Times have changed....sadly.	4/4/2018 2:45 PM
157	Since the downtown is not on 72, we need to make it a destination	4/4/2018 2:42 PM
158	Please consider more shopping options for groceries and staples like hardware. Also need more money put into programs and spaces for kids. Parks sidewalks street lights pool. Needed to keep our community up to date and attract more people/keep us in the community.	4/4/2018 2:36 PM
159	Mostly just to keep the small town feel, no chain stores, prefer unique mom & pop shops	4/4/2018 2:13 PM
160	Maintaining that old school look is what keeps us different. Our buildings are unique and have so much history. Adding big chain stores instead of smaller, locally owned small businesses would be a disaster.	4/4/2018 2:13 PM
161	Lets get going on developing the village a little more	4/4/2018 2:11 PM
162	Let larger companies open up places within the town. Grow the community more by letting a McDonald's or target (just examples) come here	4/4/2018 2:10 PM
163	Na	4/4/2018 2:03 PM
164	We appreciate what the team is doing - this survey alone shows there is an interest in improving our town. Thank you!	4/4/2018 2:01 PM
165	American flags on light post like Marengo and Elburn and Genoa etc would look nice. Keep taco shops and businesses in Spanish out of Hampshire. I know so many people moving from Pingree Grove to Hampshire because Hispanic gangs got bad in Cambridge lakes. In Pingree Grove you see Mexico flags everywhere and gangs and lowriders, 35% of Pingree Grove does not know English and it's getting bad there. Don't let Hampshire turn into Pingree Grove Illinois!	4/4/2018 2:01 PM
166	Please keep the small town feel! No large retail shops or strip malls!	4/4/2018 1:59 PM

167	Hardware store, please. We really miss it.	4/4/2018 1:53 PM
168	Please don't go for big box stores.	4/4/2018 1:52 PM
169	More media promotion on fb ECT from Hampshire when things are going on. I know you put on car shows ECT but unless we literally lived down the street on Jefferson we would have even known.	4/4/2018 1:30 PM
170	more activities and quick stop shops needed. but keeping the small town feel. updated downtown. it looks old and grungy. you can update things and keep the landmarks and historic stuff and historic vibe. yes we chose to move to a small town, and have the small town vibe but we can make the town look nice and not on the verge of extinction.	4/4/2018 1:29 PM
171	More sidewalks from farther new subdivisions that lead into town. More parking in town. Definitely would love a nice clean grocery store like Aldi.	4/4/2018 1:29 PM
172	none at this time	4/4/2018 1:26 PM
173	Get a dollar store, more restaurants, a good place to shop and some cheaper housing.	4/4/2018 1:25 PM
174	None	4/4/2018 1:25 PM
175	Don't direct business to the older generation the teenagers and young adults want places they can go and get food and have a good time I believe if you opened a place mainly aimed for the target audience of the younger generations profits from that place would be significantly be raised above the other business'.	4/4/2018 1:15 PM
176	Helping to establish & support a viable and thriving downtown business district has become increasing difficult due to availability of "Big Box" stores and on-line availability of most tangible goods. Businesses need to offer a product or "Experience" that is simply not available online or is a service that can only be performed in person. "Novelty" or specialty businesses appear to more apparent now than ever before.	4/4/2018 1:14 PM
177	Let it grow!!	4/4/2018 1:09 PM
178	% of shopping will not work correctly	4/4/2018 1:08 PM
179	Hampshire is growing and expanding. We're at the pinnacle point of people who grew up here wanting to come back and create families and have their own experiences. We can have the business growth necessary to sustain our needs without blowing up as a town, which is what a lot of the old timers fear is going to happen. You need to cater to the next generation of people and their needs.	4/4/2018 12:53 PM
180	Ok	4/4/2018 12:52 PM
181	I feel as if the people who own the current buildings were to spruce them up a bit, maybe mote ppl would think of starting buisnesses	4/4/2018 12:51 PM
182	you can balance between wanting to keep it small and fighting progress. get rid of the haters.	4/4/2018 12:45 PM
183	-	4/4/2018 12:42 PM
184	I would love to spend more of my time in Hampshire but as of right now there is not much offered to compete with what is offered in other towns nearby. I do most of my shopping on my way home from work because we have nothing in Hampshire. Also, I do not enjoy paying more for an item that is at a gas station like Casey's just because of convenience. I would rather drive 10 minutes to Huntley than pay triple the price on something just because it is a minute from my house. By bringing better stores into town or restaurants I think our community would strive. It is much needed since our community is continuing to grow.	4/4/2018 12:42 PM
185	Noo	4/4/2018 12:40 PM
186	Keeping government out of the process other than smoothing the way for businesses will help businesses more than anything else.	4/4/2018 12:36 PM
187	Good luck!	4/4/2018 12:32 PM
188	It would be nice if the downtown area was pet friendly. Many people will travel and do business at nice places where their dogs are welcome.	4/4/2018 12:30 PM
189	Keep up the good work, this survey is a great start it shows that you want everyone to have a say in how Hampshire will become!	4/4/2018 12:17 PM
190	na	4/4/2018 11:50 AM

191	I understand the need to maintain an area with smaller, local business, but with the overflow of new residents over the past few years, I believe it is essential to bring in a big box retailer and pharmacy to accommodate the growth. It is very taxing to travel 10+ miles for everyday necessities.	4/4/2018 11:43 AM
192	I grew up here, and just moved back. Considering how many people live in all the "new houses" in the town limits; it is sad the lack of choices for shopping local. The whole ship local movement that is nationwide is growing. Hampshire residents are not able to do this. I try very hard to give gas, grocery, restaurants, and liquor store my business. Maybe an antique store and coffee shop would help. Something to attract foot traffic.	4/1/2018 5:52 PM

Q21 Thank you for your input and taking the time to share your thoughts. This is the first of several surveys and your participation will help us shape the future of all parts of the village to best meet your needs. A recap of the responses of this survey will be posted under the business development commission’s meeting minutes in the coming months. We will try and let everyone know once they are up. Feel free to rate this survey.

THE VILLAGE OF HAMPSHIRE 2018 RESIDENT SURVEY

DOWNTOWN BUSINESS DEVELOPMENT

APRIL 22, 2018

OBJECTIVE

The Village of Hampshire Business Development Commission we wanted to gain insight into the opinions and preferences for future business development specific to the villages downtown. Our goal was to have as much feedback on what types of businesses and services residents and consumers who don't live in Hampshire would like to have.

Distribution of the survey was through Facebook, email and on the home page of the Village's website. The survey was completely anonymous, was only allowed to be taken once and encouraged to be shared with as many people as possible.

RESPONDENTS

- There were a total of (475) survey's taken
- 75% of the respondents lived within the village, almost 20% living within the township and the remaining living in other towns/cities.
- Most respondents have lived in Hampshire for less than (5) years (32%), with (10-20) years (26%) and over (20) years (23%) being the majority of respondents
- Almost 75% of the respondents have kids

QUESTION REVIEW

Q1: WHAT KINDS OF BUSINESSES WOULD YOU LIKE TO SEE OR MORE OF DOWNTOWN? (TOP 10)

1. Bakery - 72%
2. Hardware Store - 72%
3. Coffee Shop - 62%
4. Grocery Store (can buy everything in one trip) - 53%
5. Restaurants 47%
6. Bar/Tavern/Pub - 37%
7. Candy/Ice Cream Store - 35%
8. Grocery Store (just the essentials) - 35%
9. Bowling Alley - 29%
10. Florist - 20%

-
- Newer residents and those outside of town (west of Hampshire) seek more retail shopping (i.e. grocery store, pharmacy)
 - Residents who have lived in the village longer seek more service providers (i.e. lawyers, doctors, etc.).
 - All respondents seek more entertainment, but skews higher the younger the respondent (i.e. better restaurants, bars, bowling alley, etc.)

Q2: TODAY, PLEASE LIST THE TOP (3) BUSINESSES/SERVICES THAT ARE DOWNTOWN WHICH YOU FREQUENT MOST?

1. Block's Grocery Store

2. Library

3. Post Office

4. Pharmacy

5. Banks

-
- Block's was the most frequented with 45% of respondents, then the library at 31%.
 - The pharmacy and post office both received 17-18%
 - Even with Block's receiving the most responses, it still was only half of the respondents.

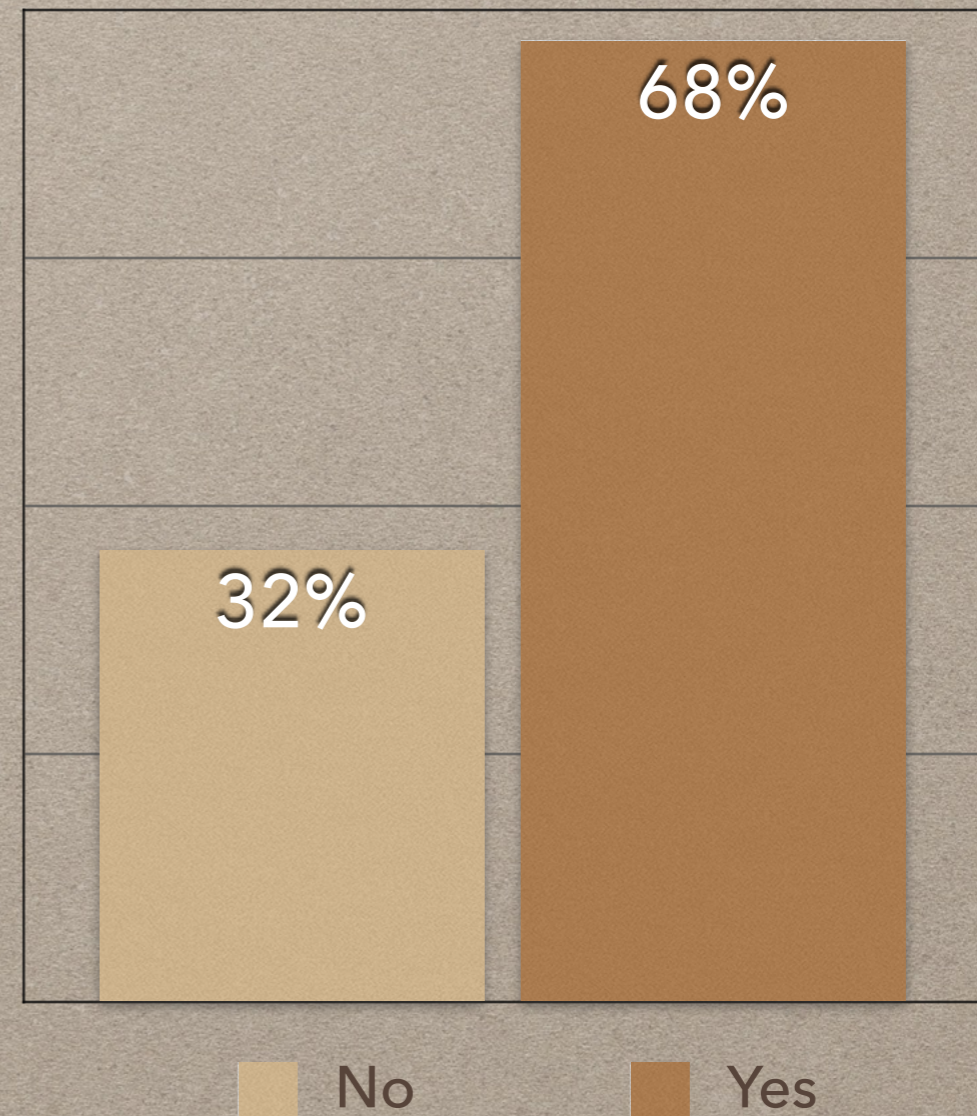

Q3: ARE THERE BUSINESSES LOCATED DOWNTOWN THAT CURRENTLY PROVIDE SERVICES, BUT YOU DECIDE TO SHOP SOMEWHERE ELSE OUTSIDE OF HAMPSHIRE FOR? IF SO, WHY?

Prime factors are:

1. Hampshire currently has many types of businesses that people want, but not to the **quality, hours or service level** people expect.

- Note: Majority of the comments were directed towards Block's (expired produce, lack of selection and overall cleanliness)

2. Most respondents already have service providers (i.e. doctors, insurance, lawyers) and don't frequent enough to change to a local provider.

Q4: IF HAMPSHIRE WAS TO ATTRACT THE KINDS OF BUSINESSES YOU OUTLINED IN QUESTION 1, HOW MUCH MORE OF YOUR MONTHLY SHOPPING WOULD BE DONE IN HAMPSHIRE?

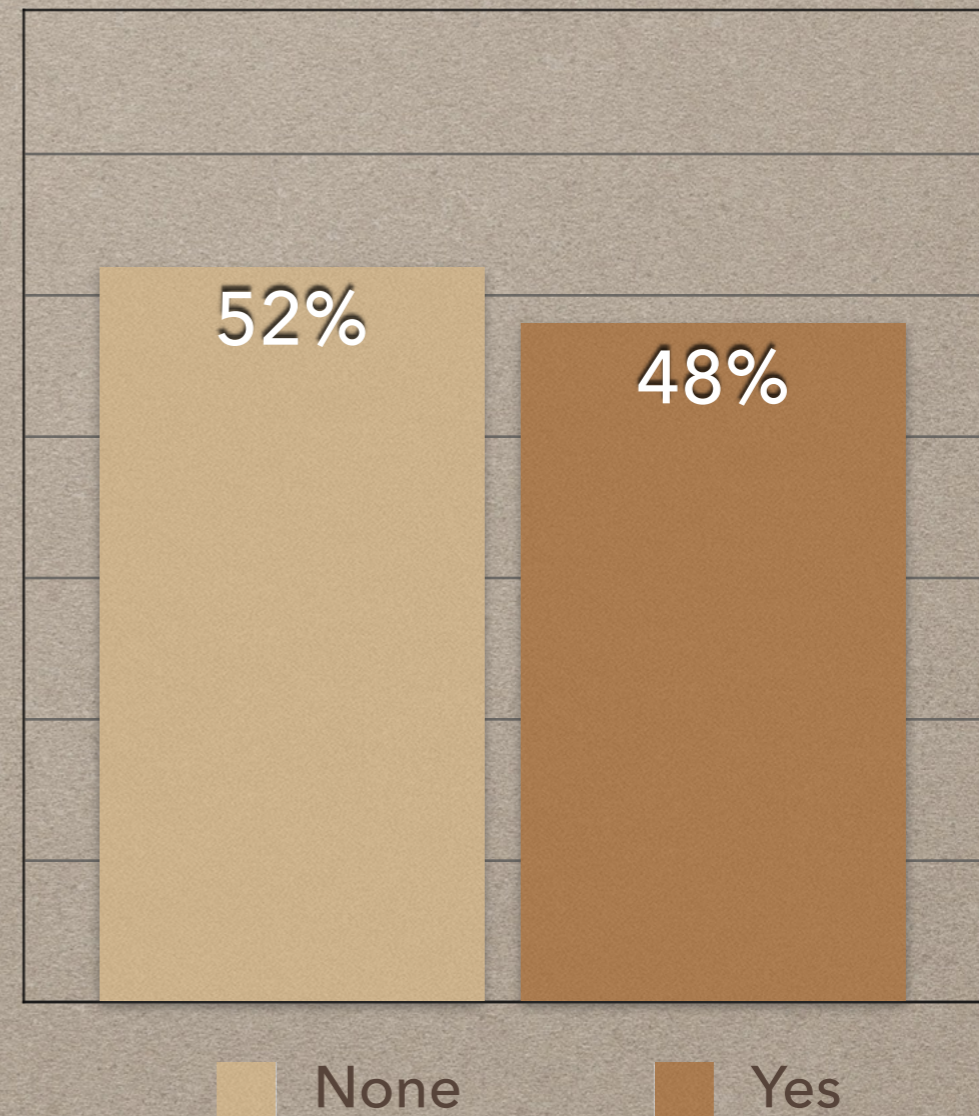

The weighted average of respondents said they would spend approximately 45% more per month in town if the types of businesses they wanted were here.

Q5: ARE THERE ANY TYPES OF BUSINESSES/ SERVICES THAT YOU WOULD LIKE TO KEEP OUT OF HAMPSHIRE?

For those that said yes, the most common responses were:

- Adult/Strip Clubs
- Fast Food/Large Chains
- Gambling/Video Poker
- Vape Shops
- Tattoo Parlors

Those <45 y.o. tend to be more inclined to want to keep out chains/big boxes

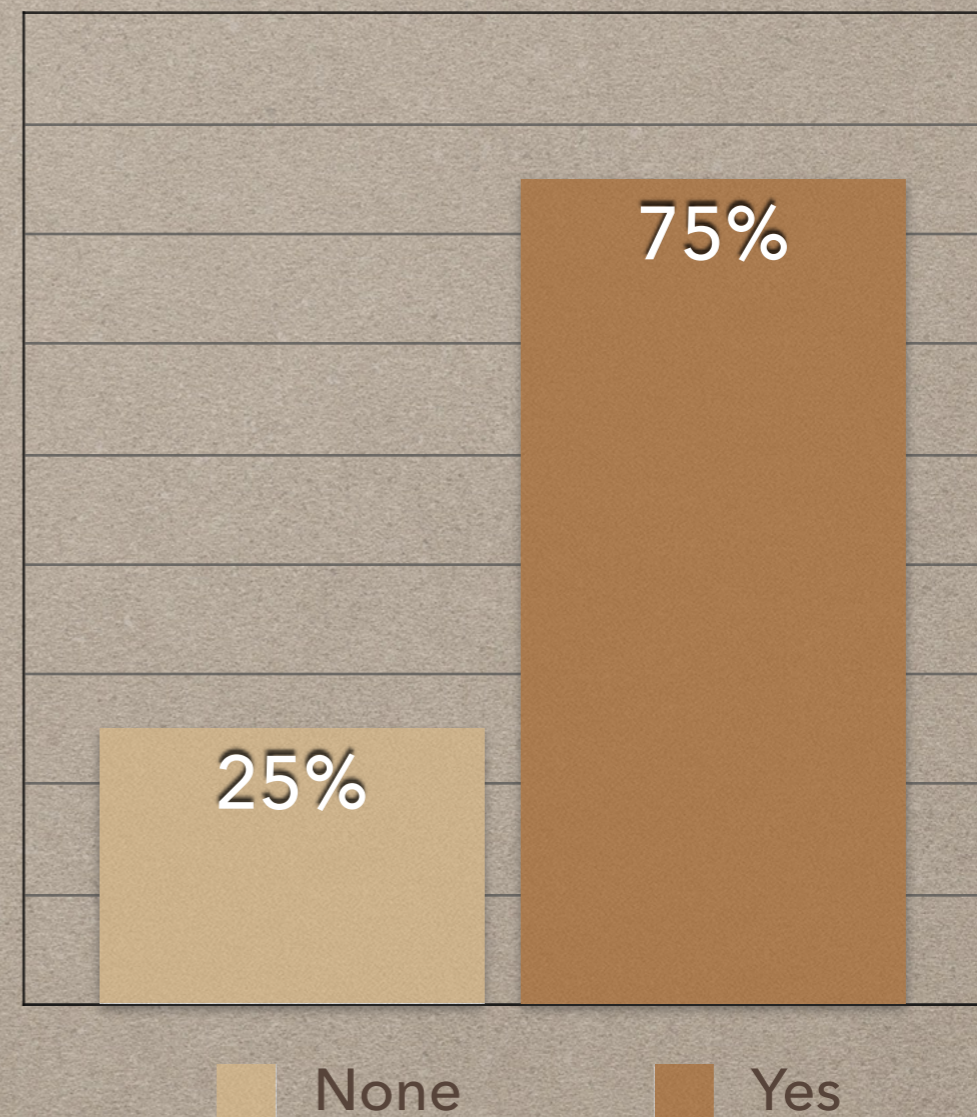

Q6: WHAT DO YOU FEEL ARE THE BIGGEST ROADBLOCKS OR OBSTACLES WHICH PREVENT BUSINESSES YOU WANT FROM COMING TO DOWNTOWN HAMPSHIRE?

For those that said yes, the most common responses were:

- Parking
 - Many cite dangerous when backing up
 - Lack of parking already, what happens when more businesses are brought downtown
- Lack of traffic/population
- Lack of current population supporting

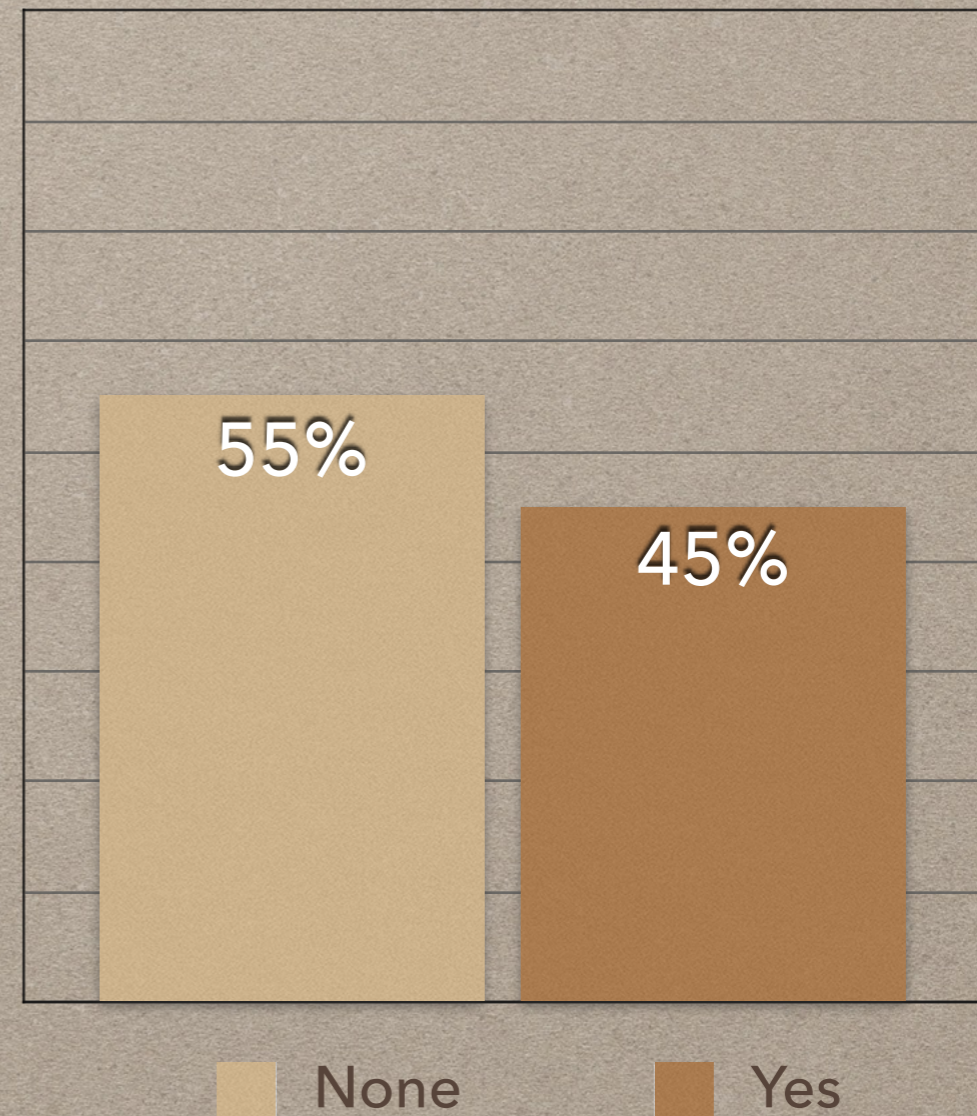

There is an opportunity to call out public parking lots, find other potential lots and revise way finding signs throughout the village.

Q7: OUTSIDE OF HAVING THE RIGHT BUSINESSES AND SERVICES DOWNTOWN, WHAT OTHER THINGS PREVENT YOU FROM SHOPPING OR SPENDING MORE TIME THERE (PARKING, OPEN SPACE, EVENTS, ETC.)?

For those that said yes, the most common responses were:

- Parking
- Lack of attractive businesses

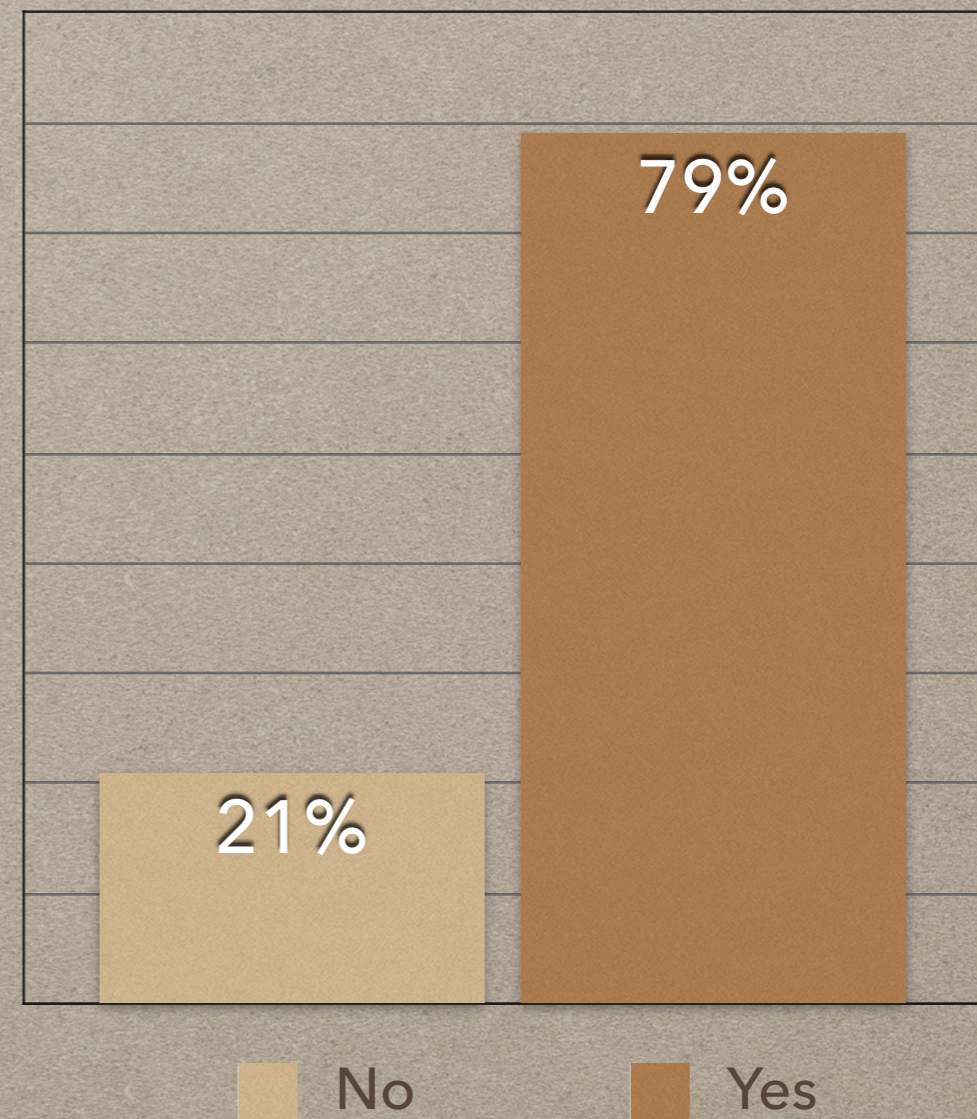

Q8: ARE YOU FAMILIAR WITH ALL THE CURRENT BUSINESS AND SERVICES THAT OCCUPY DOWNTOWN HAMPSHIRE TODAY?

For those that said no, the most common ways to communicate are:

- Facebook
- Village Website

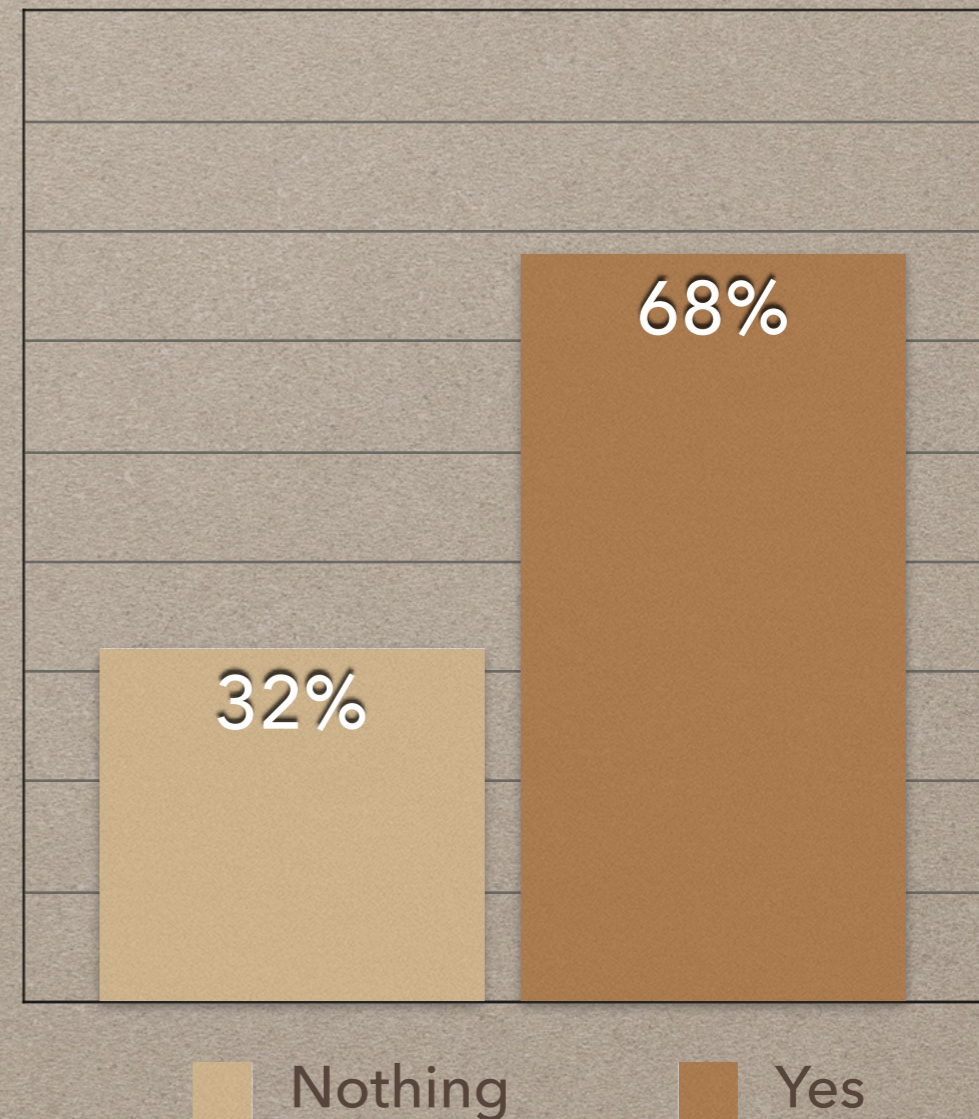

All future communication should look to use these mediums to also convey information.

Q9: WHAT WOULD YOU LIKE TO PRESERVE IN DOWNTOWN? THIS COULD BE THE GENERAL FEEL OF A SMALL TOWN OR MORE SPECIFIC SUCH AS BUILDING PRESERVATION.

For those that said yes, the biggest things are:

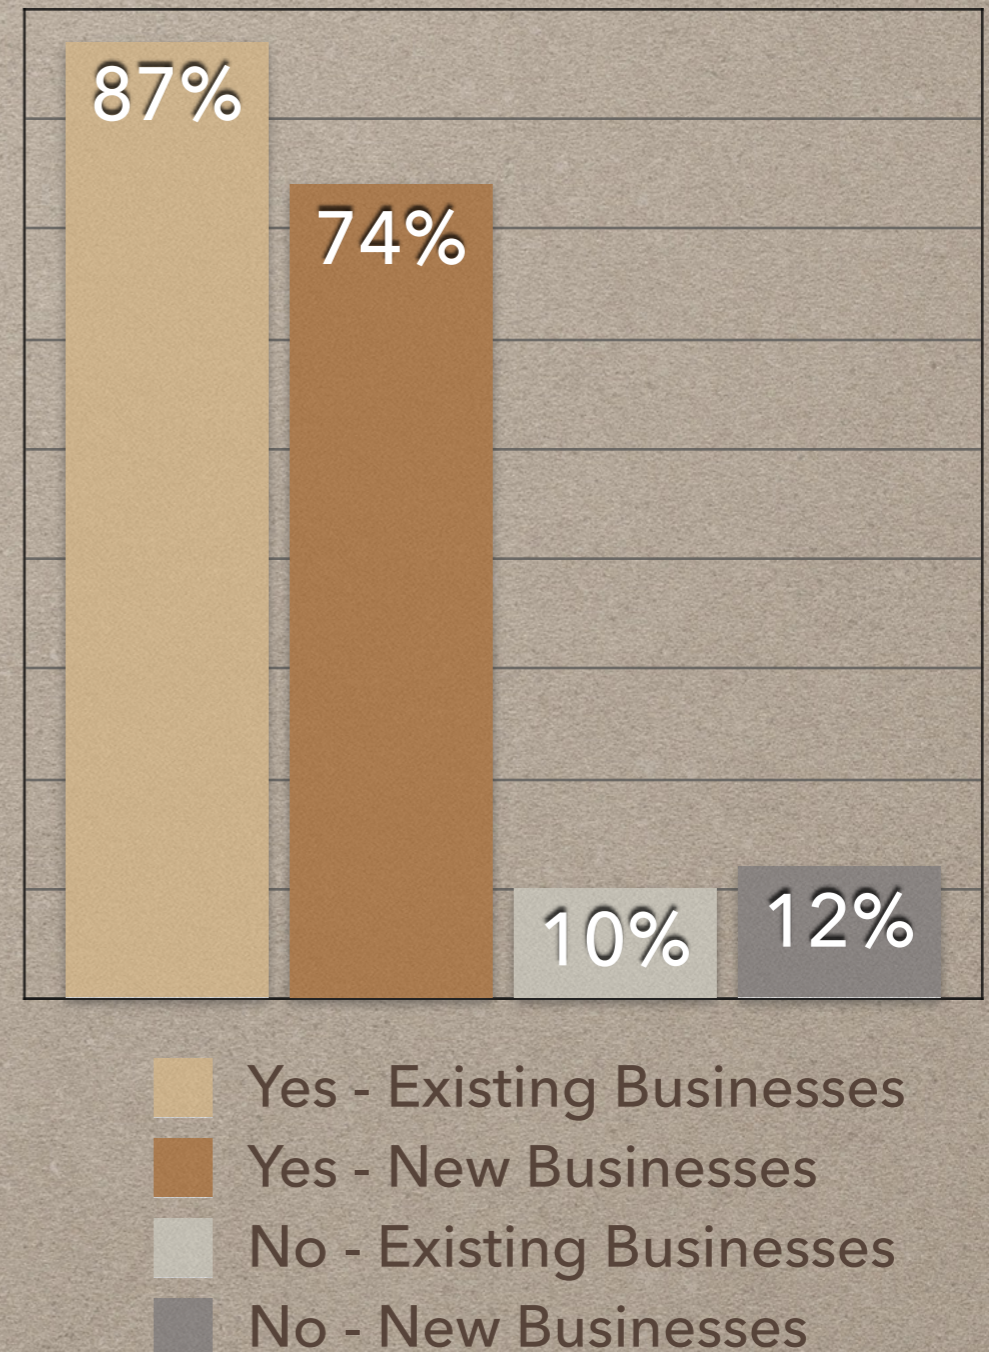

- Building preservation/
Facade improvement
- Small town feel by keeping
small businesses as the
core

Q10: WOULD YOU BE IN FAVOR OF HAMPSHIRE DEVELOPING FAÇADE PARAMETERS THAT GUIDE NEW AND EXISTING BUSINESSES REGARDING THE APPEARANCE AND UPKEEP OF THEIR STOREFRONTS, SIGNAGE, AND OVERALL PRESENCE?

Residents definitely want improvement of building facades and parameters.

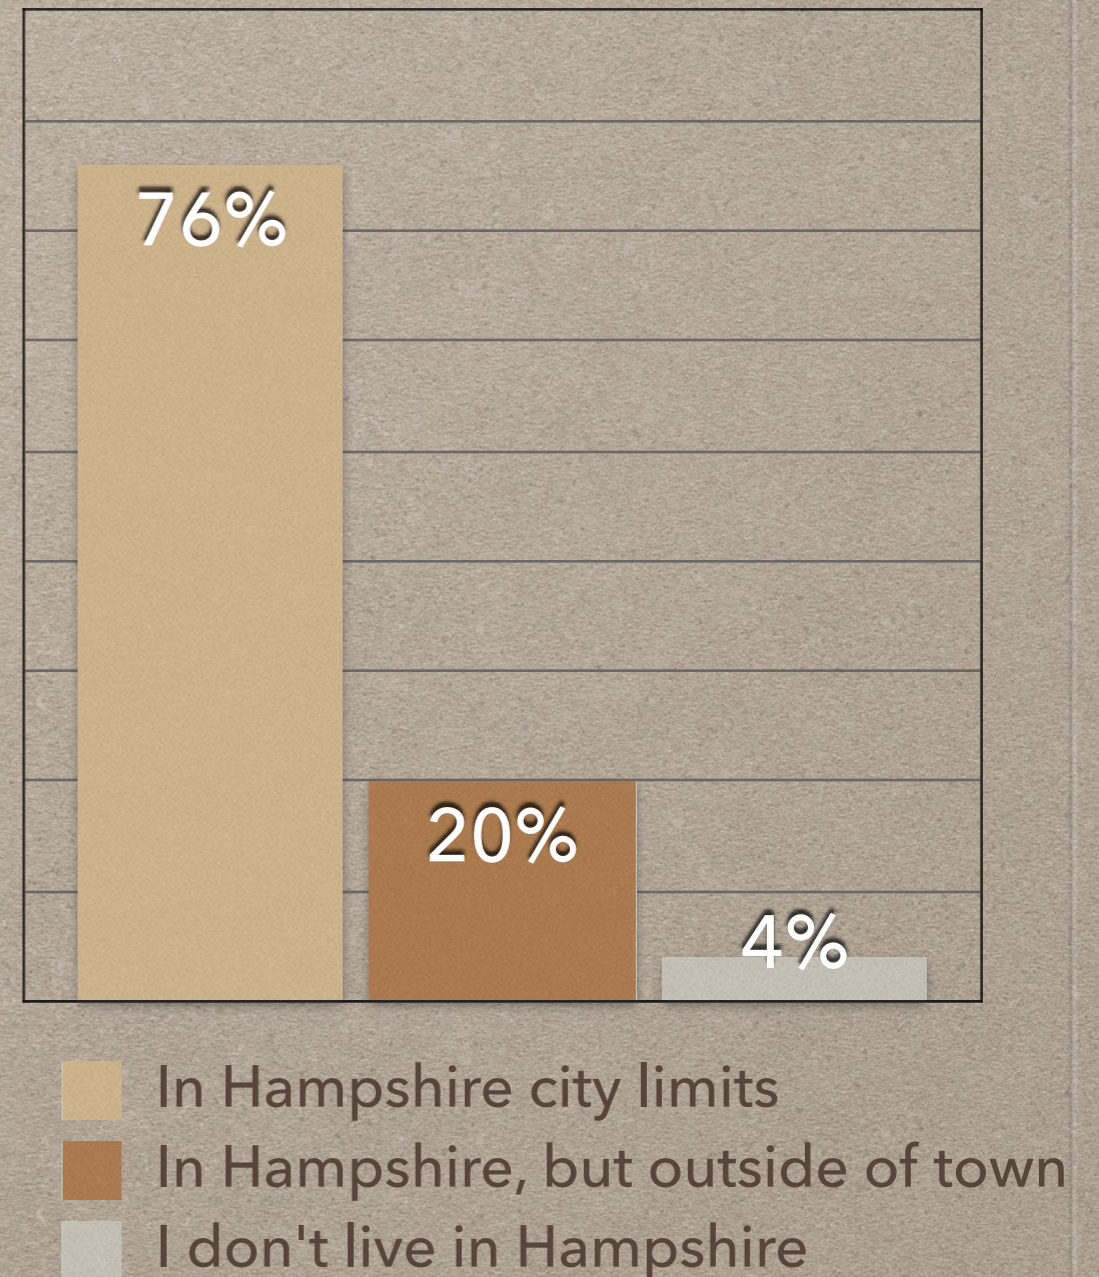

This aligns with the comments of maintaining the "small town feel" and raising the bar for the types of businesses that occupy downtown.

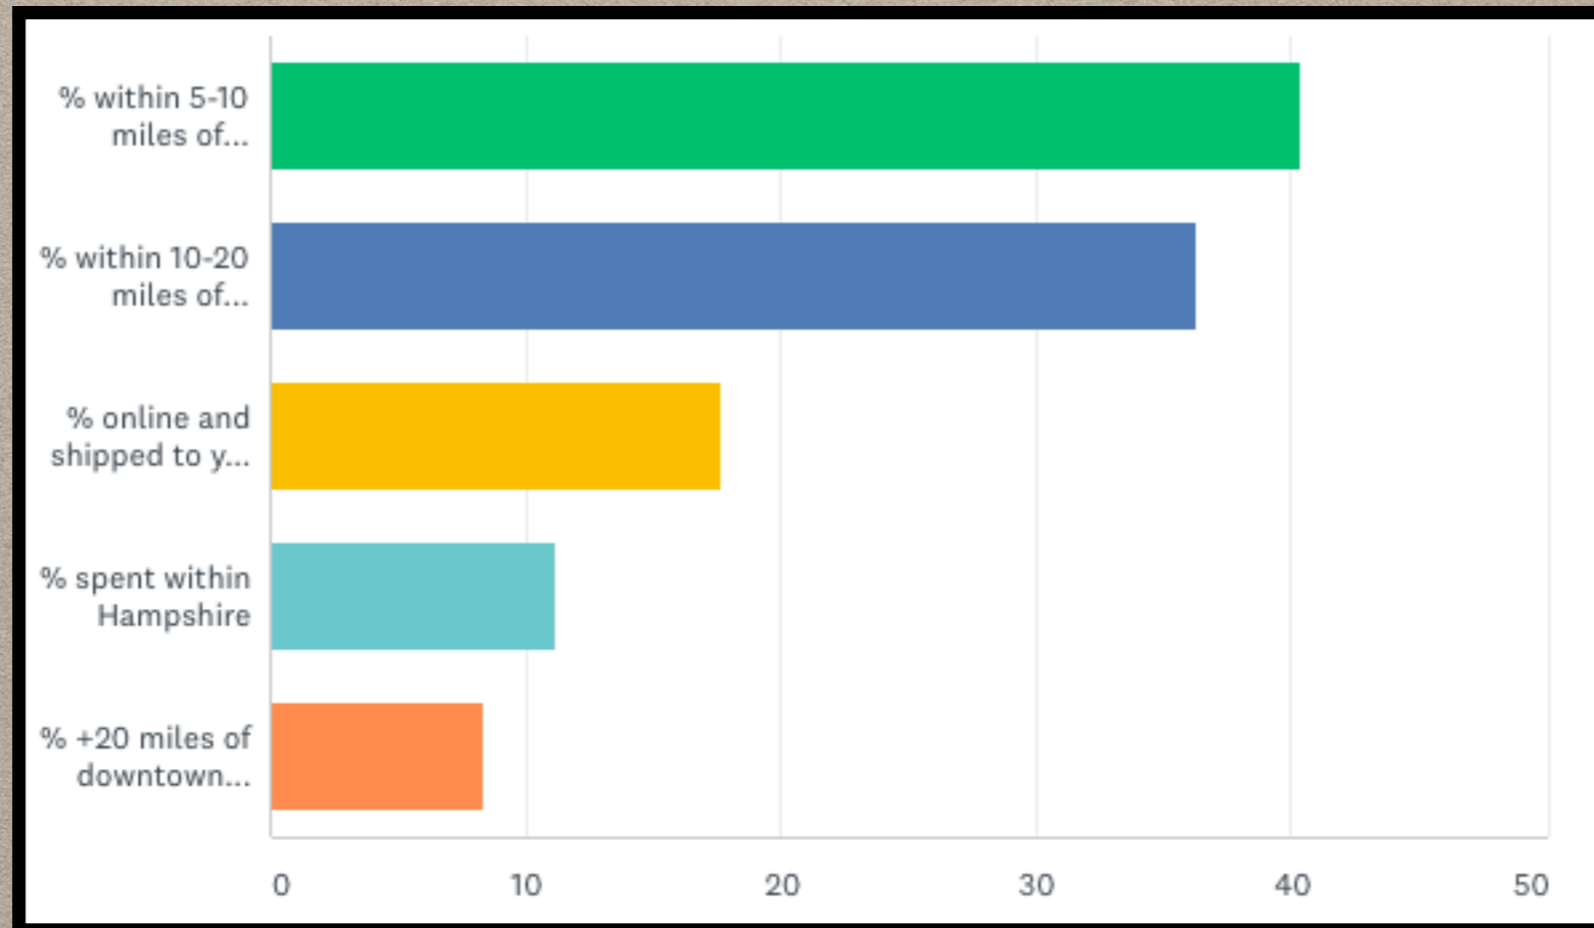

Q11: WHERE DO YOU LIVE WITHIN HAMPSHIRE?

Most people that took the survey live within the Hampshire city limits.

Most respondents outside of town live in either Pingree Grove or Elgin.

Q12: OVER THE COURSE OF A MONTH, WHERE DO YOU PURCHASE GOODS/SERVICES TODAY?

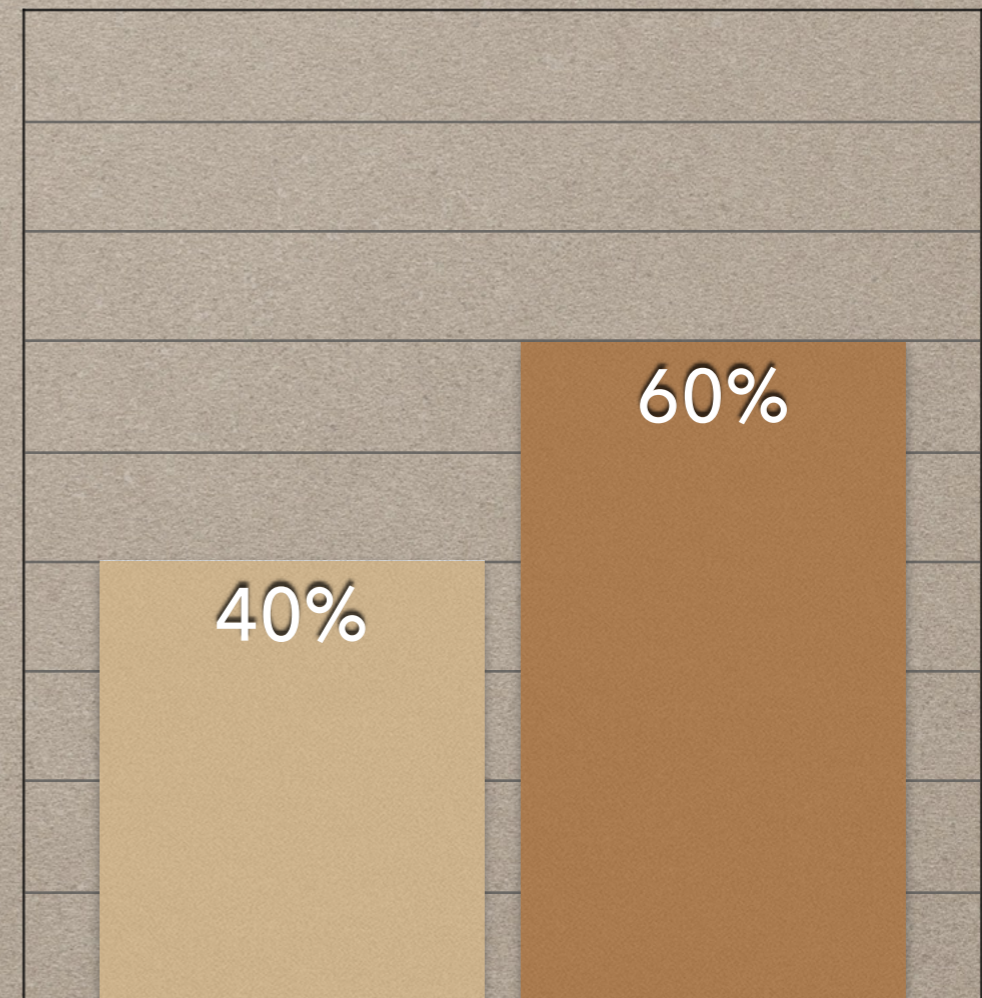

- Majority of respondents purchases are spent within 5-10 of Hampshire
- Hampshire ranks 4 out of 5 for most goods and services purchased per month
- Online purchases rank #3

Q13: IF YOU COMMUTE OUTSIDE OF HAMPSHIRE FOR WORK, HOW MUCH OF YOUR MONTHLY PURCHASES DO YOU SPEND CLOSER TO WORK THAN IN HAMPSHIRE?

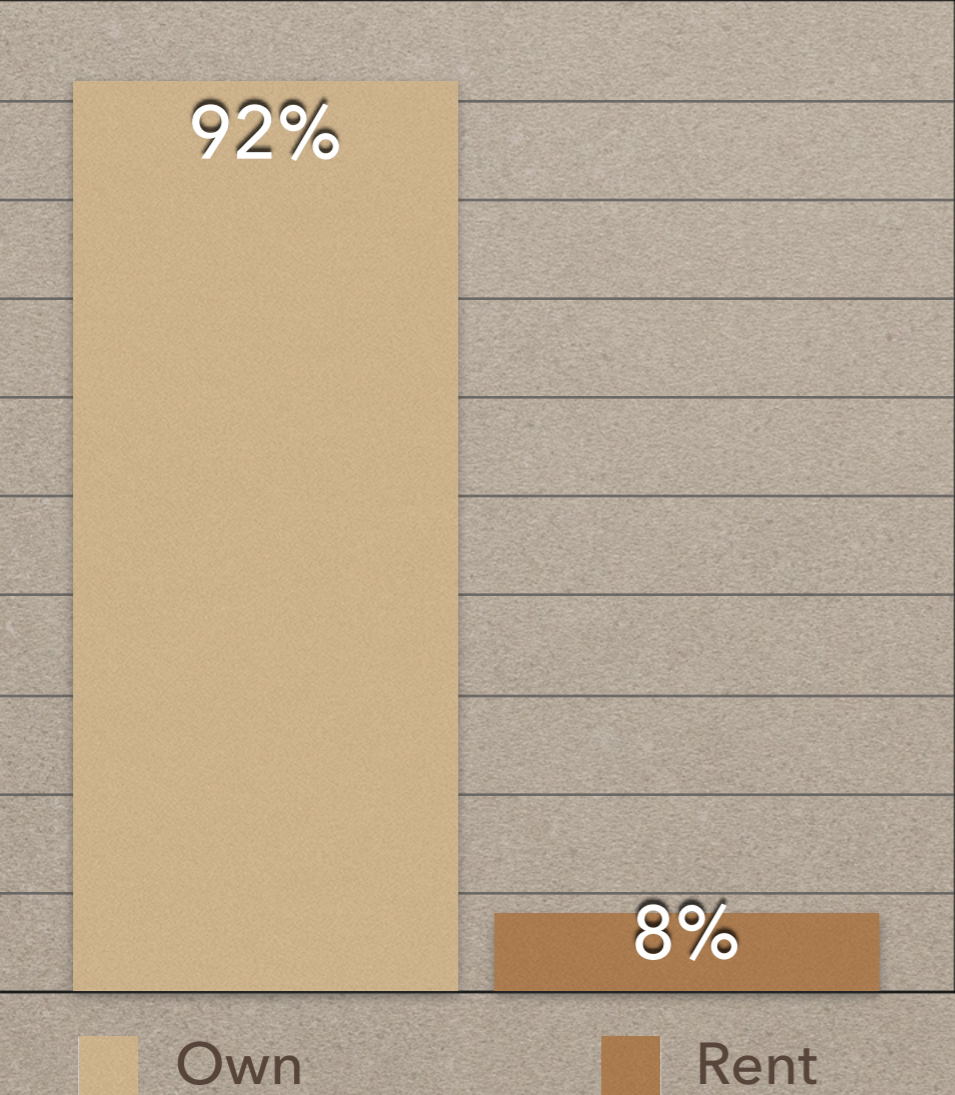

The less time a resident has lived in Hampshire, the more likely they are to shop in/and around their area of work.

As more people move to Hampshire, less money will be spent within the village.

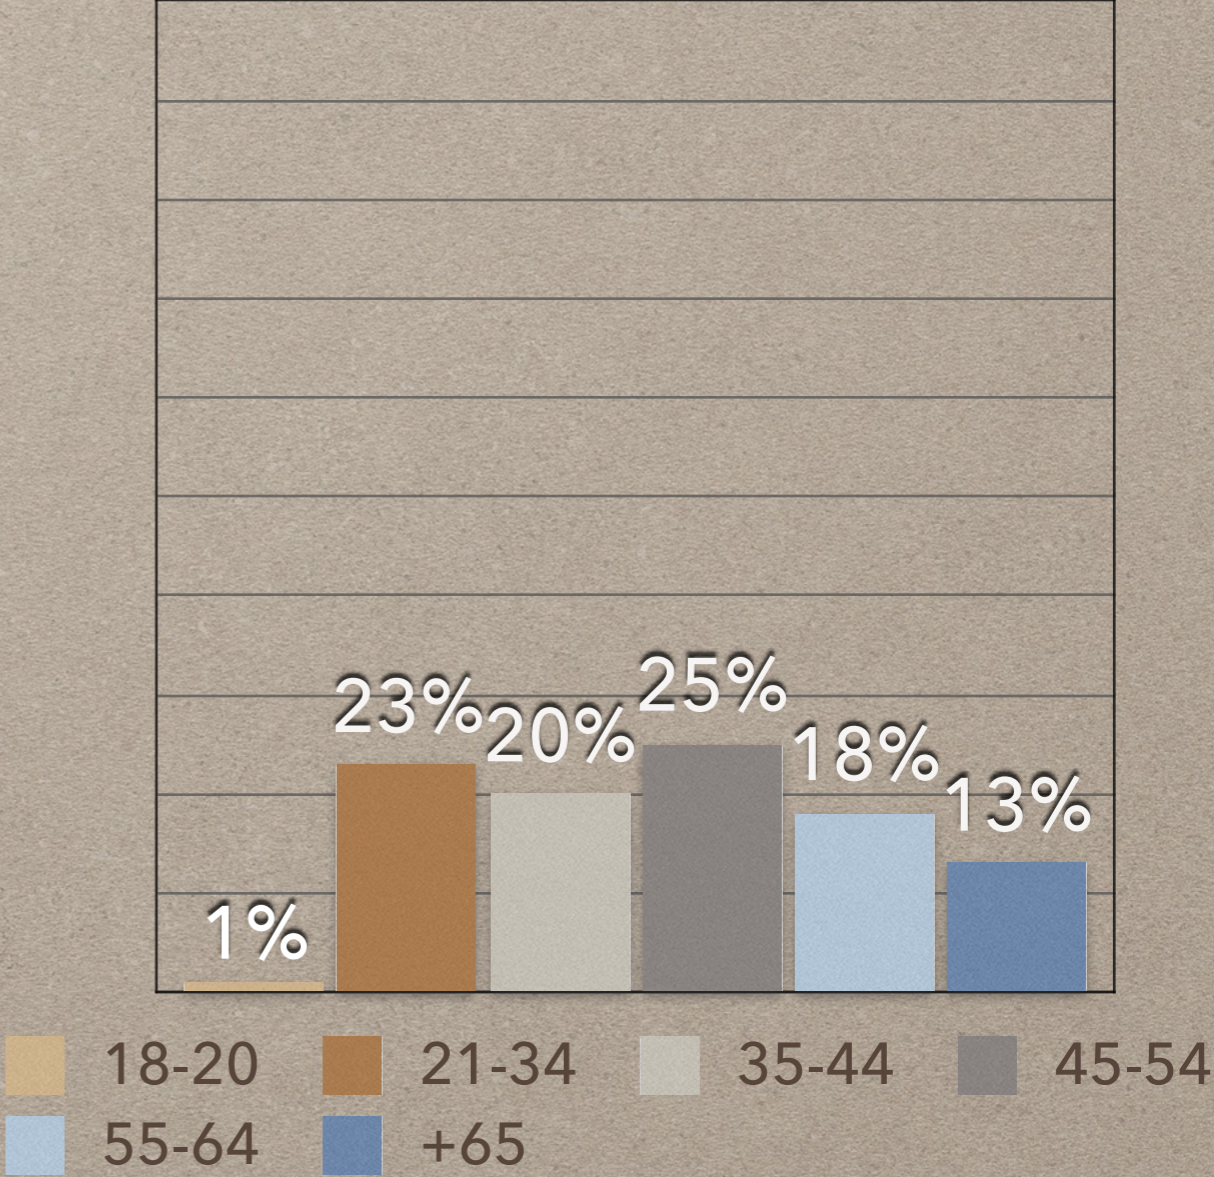

- I don't commute out of Hampshire for work
- I shop in other communities while at work

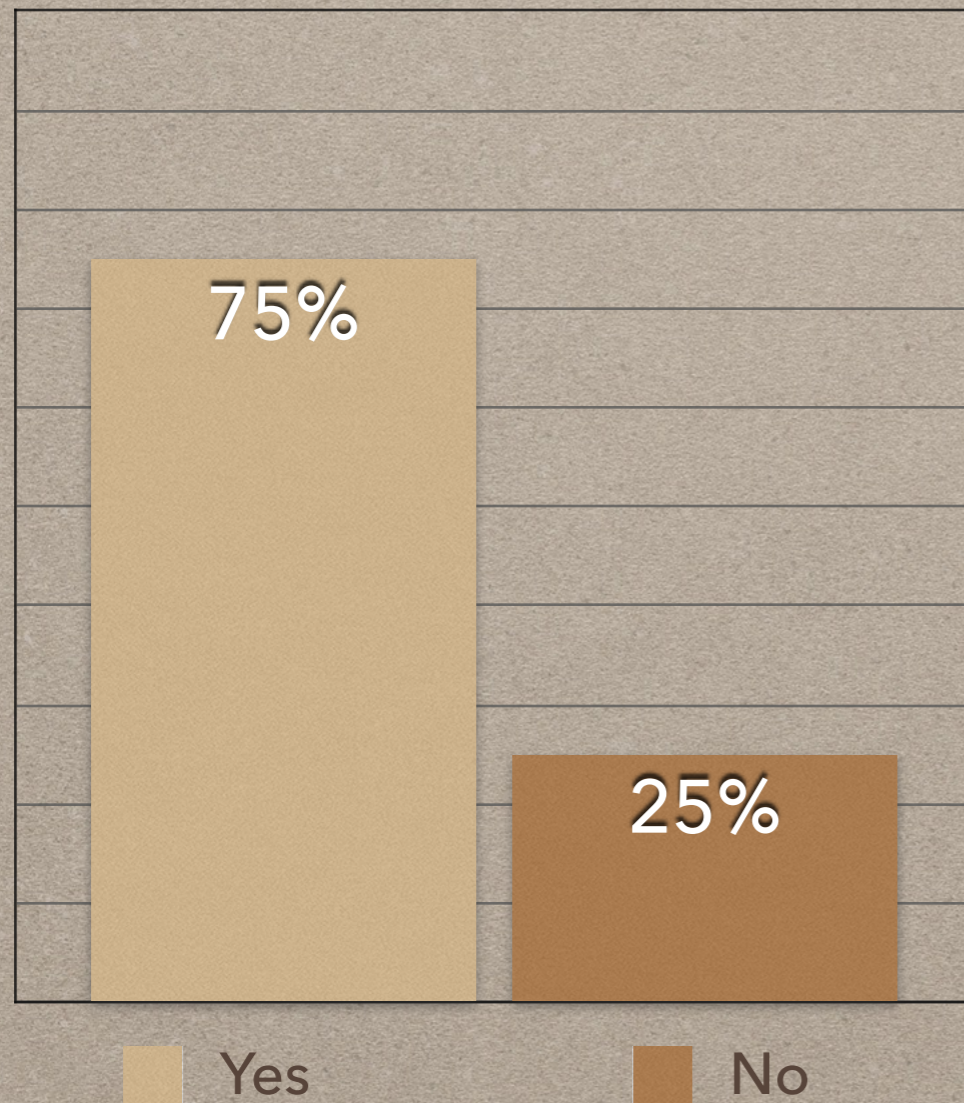

Q14: DO YOU CURRENTLY OWN OR RENT YOUR PLACE OF RESIDENCE?

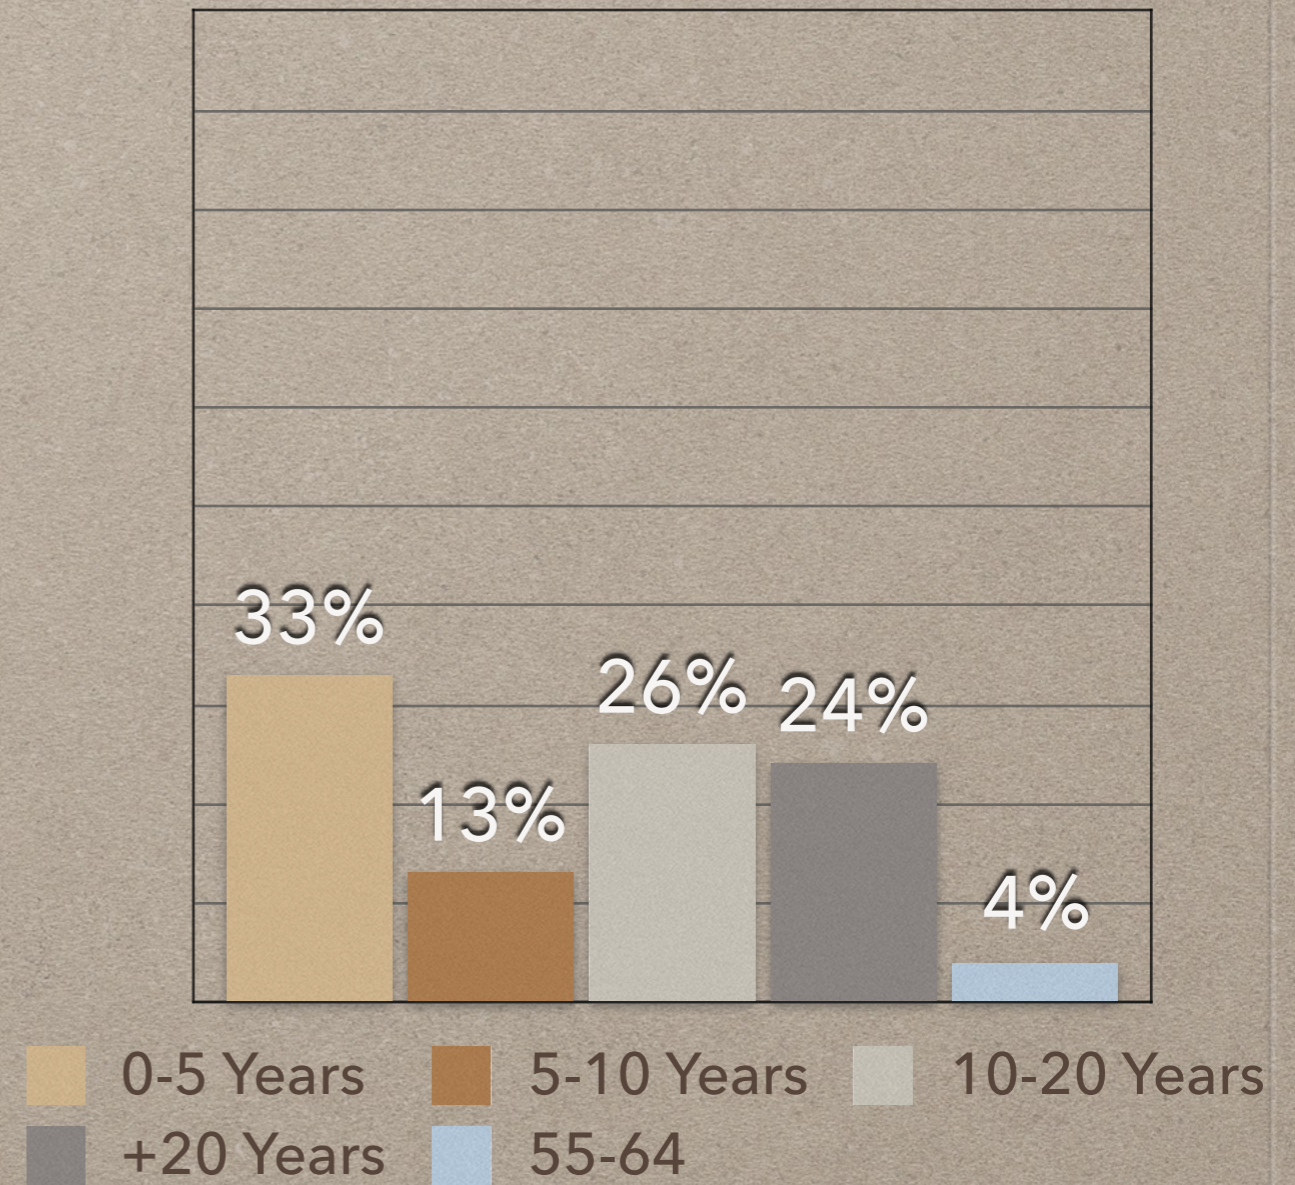

Q15: HOW OLD ARE YOU?

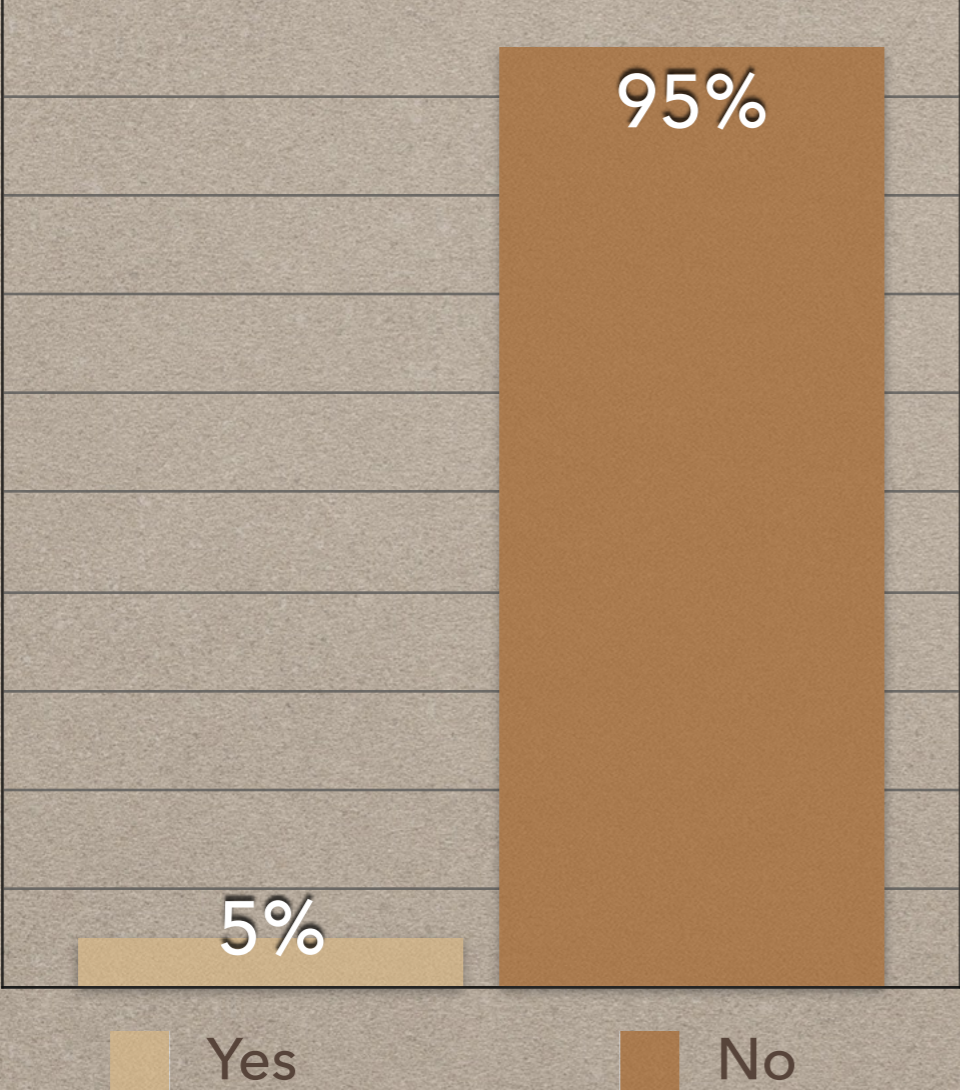

Q16: DO YOU HAVE KIDS?

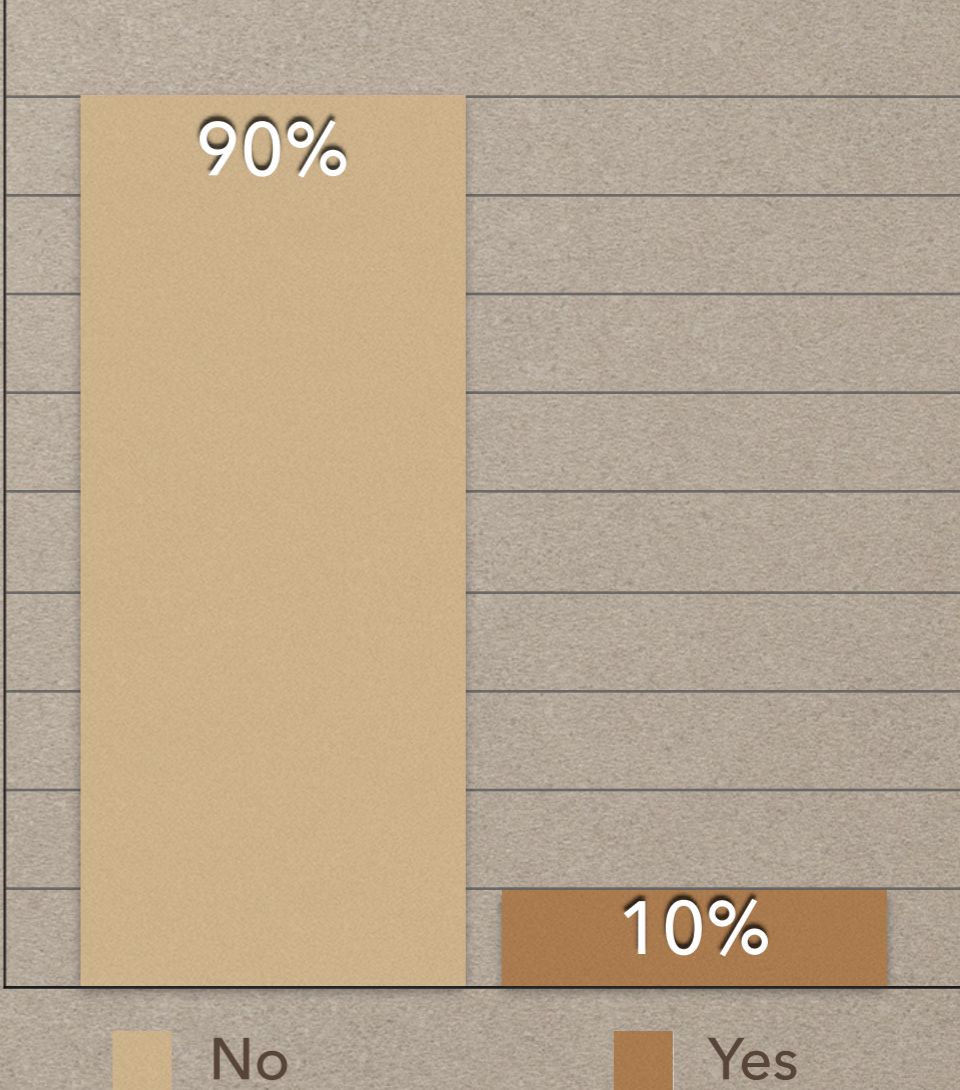

Q17: HOW LONG HAVE YOU LIVED IN HAMPSHIRE?

Q18: DO YOU CURRENTLY OWN A BUSINESS WITHIN THE VILLAGE OF HAMPSHIRE?

Q19: ARE YOU INTERESTED IN OWNING/CREATING A BUSINESS?

46 people are interested in starting a business, with the top (3) caveats:

1. Lack of funds
2. Lack of support within the community
3. Just starting to look into it

Q20: IF YOU HAVE ANY ADDITIONAL THOUGHTS REGARDING FUTURE DIRECTION OF BUSINESS GROWTH WITHIN OUR DOWNTOWN, PLEASE LET US KNOW.

Majority of residents want a thriving downtown that they all can participate and be proud of.

Many want to spend time downtown, but there is nothing to shop or spend time.

They will not settle for "good enough" to choose businesses in Hampshire versus ones in neighboring towns.

KEY FINDINGS & RECOMMENDATIONS

- Many of the businesses that people want are here today, but are being outdone by one's in neighboring towns. People of Hampshire expect something on par with other towns and would love something that has one more thing to make it unique to draw from neighboring towns. A follow up survey should be tabled to get respondents thoughts one level deeper on unique businesses they frequent.
- Most of the categories of businesses that people want do not need to be singular businesses, but can be coupled together (i.e. bakery with a coffee shop, a grocery store with a strong floral department, etc.)
- Respondents want things to do downtown versus purely service. With the influx of new families and children, the village should consider attracting businesses for things to do an event calendar.
- The current configuration of parking on main street has been cited by many as "dangerous." In addition, they feel there is a lack of parking today with not many businesses in town and additional parking needs should be considered.
- Hampshire currently has many types of businesses that people want, but not to the **quality, open hours or service level** people expect.
- Most respondents already have service providers (i.e. doctors, insurance, lawyers) and don't frequent enough to change to a local provider.
- Almost 8 out of 10 people taking the survey want a facade improvement program for the downtown district. There is a pride that comes with Hampshire, and surprisingly, people that don't live Hampshire over-indexed in how much they believe Hampshire should keep the small town feel and invest in updating their facades (+95%).
- People want to start a business, but lack of money and resident support is a barrier to entry. The village should engage those within the community that want to open their own business to flush out their concerns and walk them through the process.

2018 Downtown Parking Survey Results

As we have seen an large increase in the amount of activity within our downtown, the Business Development Commission wanted to understand the impact of our current parking situation. The commission invited residents to give their opinions and feedback regarding parking downtown, so we can make sure that the current infrastructure will support our business development efforts.

The survey was completely anonymous and 13 questions in length and took about 5 minutes to complete. We had 319 people complete the survey, which is a statistically relevant sample size representing approximately 20% of households within the village. 91% live in Hampshire and most of the rest of the questions (i.e. age, residency time frame, etc.) was represented across all segments.

What we heard...

- 76% of residents do not feel the current parking space layout is safe (pulling and backing out), with 65% claim they don't visit downtown because of the current parking situation.
 - Many indicated that most spots are not deep enough resulting in large vehicles sticking out into the street.
- 71% of respondents are ok with eliminating some spots on main street to allow for better flow of traffic and to increase safety
- Safety concerns were not limited to just pulling and backing into spots, but also turning onto state street from side streets. 73% of respondents do not feel that this is safe today.
- 85% are in favor of changing the current layout of the spots:
 - 39% - reducing the number of spots to angle each spot at a bigger angle to allow for more space to the traffic driving through
 - 34% - are in favor of making spots on both sides or one side parallel spots. Those that indicated this cited Genoa and Elburn as examples.

- 48% of respondents already park on side streets today, but 37% were not aware of the public parking lots on Washington Ave or Rinn St.
- The majority of respondents feel that changes to both the speed limit and timed parking spots are not needed.
- Most do feel that there is adequate space to walk on the sidewalk, but 66% are ok with widening the sidewalks to allow for additional space to allow for restaurant outside seating, benches and trees/flowers.

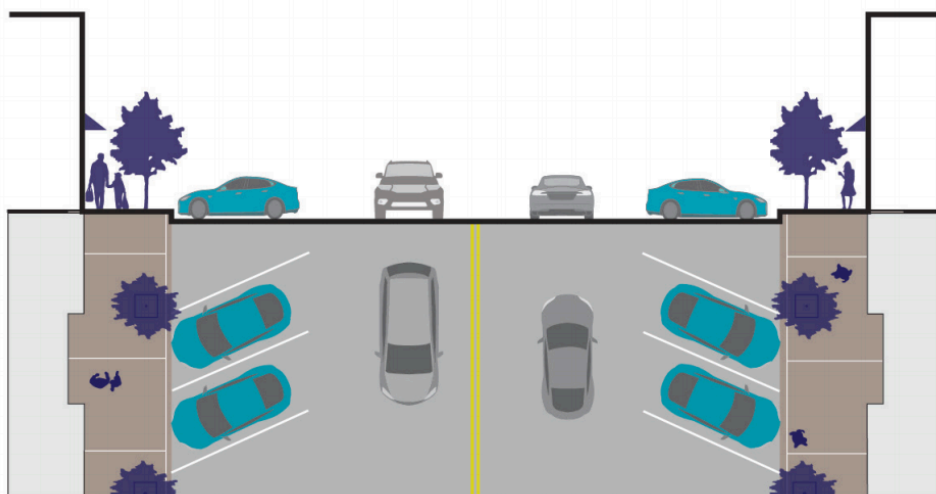

Commission Recommendation

Fundamental to the future plans and vision of Downtown to address the parking situation. As more businesses come here, the parking situation will only become worse. We feel our town is small enough at this point that those arriving by car can easily park their car one time and stroll to several destinations on foot before returning to their car.

We offer the following recommendations to make better use of the available parking supply and increasing the safety of those that travel to our downtown:

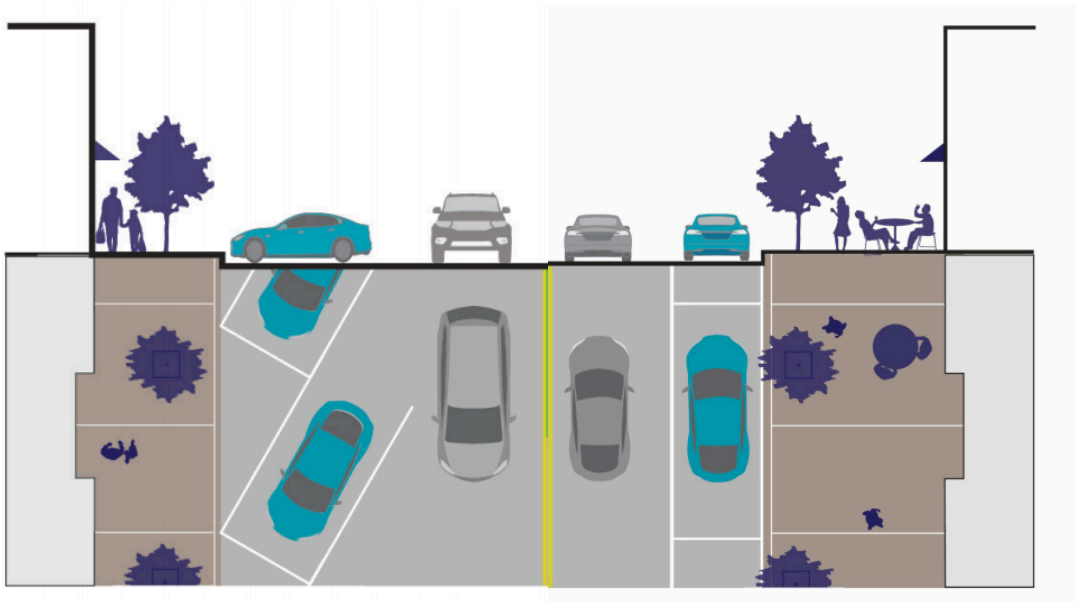

Redesign the Layout:

- All alternates presented have benefits and tradeoffs to their design. The purpose of the exercise is to provide feasible conceptual designs for further consideration:
- *Current layout: Current 45-deg. (status quo)
 - Current spots are not deep enough for trucks or large SUV's
 - It is difficult to see oncoming traffic when backing out of current spots
 - Blind spots for traffic pulling on to state street from side streets

*<https://rdgusa.com/sites/waupaca/wp-content/uploads/sites/8/2016/03/2016-Parking-Study.pdf>

- *Proposed Layout: 30-deg. on the west side and parallel on the east side of State St.:
- West Side - Moving spots to a 30-deg. orientation would allow for deeper spots and back out visibility.
- East Side - Moving to parallel spots improves the safety on one side of the street and those turning onto State St., provides wider lanes for thru traffic and allows the future expansion of more sidewalk space.
- The downside is the removal of spots, which would push the overflow to side streets and public lots.

[*https://rdgusa.com/sites/waupaca/wp-content/uploads/sites/8/2016/03/2016-Parking-Study.pdf](https://rdgusa.com/sites/waupaca/wp-content/uploads/sites/8/2016/03/2016-Parking-Study.pdf)

Streets & Intersections:

- Establish buffers and layout to allow cars turning onto State St. from side streets enough visibility to turn out safely.
- Maintain high visibility crosswalks or install textured pavement elements in crosswalks.

Way-finding & Parking Lots:

- Create comprehensive directional and way-finding signage to direct those unfamiliar with the system to parking.
- Signage should clearly define usage of each public lot.
- Brand the parking system and incorporate Downtown identity.
- Develop online parking resources, such as a parking map, for residents and visitors.
- Explore opportunities for agreements to share parking in private parking lots

Future:

- As more specific development plans are finalized, the Village should reevaluate the projected adequacy of public parking and make additional changes as it sees fit.

AGENDA SUPPLEMENT

TO: President Magnussen and Village Board

FROM: Lori Lyons, Finance Director

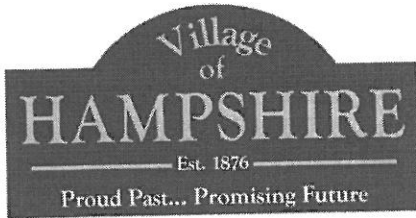

FOR: March 7, 2019 Village Board Meeting

RE: Ordinance Amending Chapter 4: Business Regulations to Impose a Tax on Places for Eating in the Village

Background One of the initiatives included in the FY19 budget was the adoption of a Places for Eating Tax. This tax is one of the few tools available to non-home rule communities like the Village of Hampshire to generate new funds for use without the need to seek voter approval. The tax is levied on the gross receipts received for prepared food and beverages sold at retail.

Analysis Discussed in detail, the Finance Committee recommends that the tax be initially implemented at 1% with up to an additional 1% to be imposed in the future. It is proposed that the tax collected be used to create an Economic Development Fund to fund and finance projects and programs that will enhance the quality of life in Hampshire, create or retain jobs, improve the local tax base including the façade program. The tax would add \$.50 to a \$50.00 dinner tab. It is estimated that this tax will generate more than \$70,000 per year. Registration would begin immediately with the tax first collected on sale May 1, 2019. A FAQ document and draft of the registration form follows this agenda supplement.

Recommendation Staff recommends approval of the attached ordinance amending Chapter 4: Business Regulations of the Village Code to Impose a Tax on Places for Eating in the Village.

Places for Eating Tax Frequently Asked Questions

Who is subject to the new Places for Eating Tax?

"Places for eating" are defined as places where prepared food is sold at retail for immediate consumption with seating provided on the premises (including any outdoor seating on the premises), whether the food is consumed on the premises or not. Refer to the Village of Hampshire Ordinance for exact definitions.

What is subject to the new Places for Eating Tax?

Sale of "prepared food", which is defined as food or liquid, including alcoholic beverages, that are prepared for immediate consumption at "places for eating."

How much is the tax?

The amount of the tax would be one-percent (1%) on the gross receipts received for prepared food sold at retail. For example, a dinner costing \$50.00 would incur an additional \$0.50 tax.

When does the new tax become effective?

The new tax is effective May 1, 2019.

What paperwork do I have to complete?

You would need to complete the registration form and Places for Eating tax return. Copies of these forms will be available on the Village of Hampshire website.

How is the tax paid?

In most cases, the business passes the tax on to the customer and is shown on the check as a separate tax line. The owner is responsible for remitting the tax to the Village on a monthly basis (or the same basis as filed with the State, if less frequent) using the Places for Eating Tax Return or paying online (the additional fee charged when paying online is collected and retained by the State of Illinois) at www.HampshireIL.org (see next question).

Where should I send the return?

Returns and Payments can be sent to or presented at: Village of Hampshire, Places for Eating Tax, 234 S. State Street, PO Box 457, Hampshire, IL 60140. Payments can also be made online at www.HampshireIL.org by hovering over "How Do I?" selecting the "Online Bill Pay" line when the menu expands and clicking "Click here to be connected to E-Pay." If you make your payment online you will still need to submit the return by mailing or presenting at Village Hall. You can also deposit returns and payments in the drop box located at the front of Village Hall.

When is the return due?

Payments need to be received in the drop box or paid online before the close of business on the 20th day of the month following the reporting period or postmarked by the 20th day of the month following the reporting period. The reporting period is the same as the entity's reporting

period with the State of Illinois, but no more frequently than on a monthly basis. For example, if the entity files a monthly sales tax return with the State of Illinois, the entity would file a monthly return with the Village of Hampshire by the 20th day of the next month. If the entity files a quarterly or annual sales tax return with the State of Illinois, the entity would file a return with the Village of Hampshire by the 20th day of the month following the required submission date to the State.

Who is exempt from the tax?

Governmental entities that sell prepared foods within a facility owned or operated by the unit of local government or a third party selling prepared food on behalf of the local government are exempt from the Place for Eating Tax.

What happens if a business pays the tax late?

If, for any reason, the tax is not paid when due, interest in the amount of one percent (1.0%) per month on the outstanding balance will be assessed until the tax is paid in full. The Ordinance also provides for additional penalties for refusal to comply.

Do non-profit groups pay the tax if they are in a Hampshire Place for Eating?

If an entity is exempt from Illinois sales tax, they do not have to pay the Places for Eating tax.

Do caterers have to pay the Places for Eating Tax?

Yes. Catering for all events held within the Village limits is subject to the Places for Eating Tax, regardless of where the caterer's place of business is located. Events catered by Hampshire caterers OUTSIDE the Village limits are not subject to the tax. Events inside the Village limits are subject to the tax, even if the caterer's location is outside of Hampshire. The tax does not apply to goods associated with the event, such as linens, china, etc. if those items are distinctly priced separately in the event contract.

When a caterer has a dinner at a not-for-profit facility, is the Places for Eating Tax charged on the meal?

Yes. Catering for all events held in the Village is subject to the Places for Eating Tax, regardless of where the caterer's place of business is located. However, if the event is sponsored by and is an event of the not-for-profit agency, and the not-for-profit agency is sales tax exempt, then the "Places for Eating" tax does not apply.

Is gratuity to be included in the cost of the meal?

No. The tax is paid on gross receipts. Gross receipts do not include amounts paid as gratuities for the employees of the place of eating.

If I have questions, who should I contact?

Please call Lori Lyons, Finance Director, at 847-683-2181, X-25 or send an email to llyons@hampshireil.org.
